Loveland Area Projects—2025 Power Marketing Initiative Proposal

AGENCY: Western Area Power Administration, DOE.

SUMMARY: Western Area Power Administration (Western), Rocky Mountain Region (RMR), a Federal power marketing agency of the Department of Energy (DOE), is seeking comments on this proposed 2025 Power Marketing Initiative (2025 PMI).

Western’s firm electric service contracts associated with the current marketing plan will expire September 30, 2024. This proposed 2025 PMI provides the basis for marketing the long-term firm hydroelectric resources of the Loveland Area Projects (LAP) beginning with the Federal fiscal year 2025. The 2025 PMI proposes to extend the current marketing plan, with amendments to key marketing plan principles. This Federal Register notice initiates Western’s public process for the proposed 2025 PMI and requests public comments. Western will prepare and publish the final 2025 PMI in the Federal Register after all public comments are considered.

DATES: Entities and individuals interested in commenting on the proposed 2025 PMI must submit written comments to Western’s RMR. Western must receive written comments by 4 p.m. M.S.T., on Monday, January 30, 2012, and reserves the right to not consider any comments received after the deadline.

Western will hold two combined public information and public comment forums, not to exceed three hours each, on the proposed 2025 PMI. On each date, the public information forum will immediately precede the public comment forum.

The public information and public comment forum dates and times are:

1. November 29, 2011, 9 a.m., M.S.T., Loveland, Colorado.
2. November 30, 2011, 1 p.m., C.S.T., Topeka, Kansas.

ADDRESSES: Submit written comments regarding this proposed 2025 PMI to Mr. Bradley S. Warren, Regional Manager, Rocky Mountain Region, Western Area Power Administration, 5555 East Crossroads Boulevard, Loveland, CO 80538–6986. Comments may also be faxed to (970) 461–7204, or e-mailed to 2025PMI@wapa.gov.
