

Disclosure

We will disclose the calculations performed to parties in this proceeding within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Suspension of Liquidation

In accordance with section 733(d) of the Act, we will instruct U.S. Customs and Border Protection (“CBP”) to suspend liquidation of all entries of steel wheels from the PRC as described in the “Scope of Investigation” section, entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the **Federal Register** with the exception of those exported by Centurion. Because we have preliminarily found that critical circumstances exist with regard to exports by Centurion, we will instruct CBP to suspend liquidation of covered entries entered, or withdrawn from warehouse, for consumption up to 90 days prior to the date of publication of this notice in the **Federal Register**. We will instruct CBP to require a cash deposit or the posting of a bond equal to the weighted-average amount by which the normal value exceeds U.S. price, as follows: (1) The rate for the exporter/producer combinations listed in the chart above will be the rate we have determined in this preliminary determination; (2) for all PRC exporters of subject merchandise which have not received their own rate, the cash-deposit rate will be the PRC-wide rate; and (3) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash-deposit rate will be the rate applicable to the PRC exporter/producer combination that supplied that non-PRC exporter. These suspension of liquidation instructions will remain in effect until further notice.

Additionally, as the Department has determined in its Certain Steel Wheels From the People’s Republic of China: Preliminary Affirmative Countervailing Duty Determination and Alignment of Final Countervailing Duty Determination With Final Antidumping Duty Determination, 76 FR 55012 (September 6, 2011) (“CVD Prelim”) that the merchandise under investigation exported by Zhejiang Jingu and Shanghai Yata benefitted from export subsidies, we will instruct CBP to require an antidumping cash deposit or posting of a bond equal to the amount by which the NV exceeds the U.S. price for Zhejiang Jingu and Shanghai Yata, as indicated above, minus the amount determined to constitute an export subsidy. See, e.g., *Notice of Final Determination of Sales at Less Than*

Fair Value: Carbazole Violet Pigment 23 From India, 69 FR 67306, 67307 (November 17, 2007).

International Trade Commission Notification

In accordance with section 733(f) of the Act, we have notified the ITC of our preliminary affirmative determination of sales at LTFV and our partial affirmative decision of critical circumstances. Section 735(b)(2) of the Act requires the ITC to make its final determination as to whether the domestic industry in the United States is materially injured, or threatened with material injury, by reason of imports of coated paper, or sales (or the likelihood of sales) for importation, of the merchandise under consideration within 45 days of our final determination.

See 19 CFR 351.309. A table of contents, list of authorities used and an executive summary of issues should accompany any briefs submitted to the Department. See 19 CFR 351.310(c). Requests should contain the party’s name, address, and telephone number, the number of participants, and a list of the issues to be discussed. If a request for a hearing is made, we will inform parties of the scheduled date for the hearing which will be held at the U.S. Department of Commerce, 14th Street and Constitution Ave., NW.,

Washington, DC 20230, at a time and location to be determined. See 19 CFR 351.310. Parties should confirm by telephone the date, time, and location of the hearing.

We will make our final determination no later than 135 days after the date of publication of this preliminary determination, pursuant to section 735(a)(2) of the Act.
