**SUPPLEMENTARY INFORMATION:** The final regulation that is the subject of these corrections appears at 46 CFR 506.4(d), in a table setting out adjustments based on inflation for maximum civil monetary penalties within the jurisdiction of the Federal Maritime Commission. These corrections change the third United States Code citation and the civil monetary penalty description, associated with violations of the Shipping Act of 1984, Commission regulations or orders, which are not done knowingly and willfully. The United States Code citation associated with violations of the Shipping Act that are not committed knowingly and willfully is currently incorrectly shown in the table as 46 U.S.C. 41107(a), rather than as 46 U.S.C. 41107(a). In addition, the civil monetary penalty description incorrectly describes the violations as “not knowing or willful,” rather than as “not knowing and willful.” These corrections clarify that the correct United States Code citation is 46 U.S.C. 41107(a), and the correct violation description is “not knowing and willful.”
