Office of Procurement and Property Management; Agriculture Acquisition Regulation, Labor Law Violations

AGENCY: Office of Procurement and Property Management, Department of Agriculture.

ACTION: Direct final rule.

SUMMARY: The Office of Procurement and Property Management (OPPM) of the Department of Agriculture (USDA) is amending the Agriculture Acquisition Regulation (the “AGAR”) to add a new clause at subpart 422.70 entitled “Labor Law Violations.” The rule is issued as a direct final rule. In the event that any significant adverse comments are received, this direct final rule will be withdrawn.

DATES: This rule is effective February 29, 2012. Interested parties should submit written comments to the Department of Agriculture on or before January 30, 2012 to be considered in the formulation of a final rule. SUPPLEMENTARY INFORMATION:

A. Background

The U.S. Department of Agriculture (USDA) highly respects and follows the policies and laws regarding worker labor protections particularly as they pertain to the acquisition process. To support these objectives, this proposed rule adds a subpart and clause entitled Labor Law Violations to the Agriculture Acquisition Regulation (AGAR). The AGAR may be accessed at: http://www.dm.usda.gov/procurement/policy/agar.html. This clause is to be included in all USDA contracts that exceed the simplified acquisition threshold, including all contract options.

B. Regulatory Flexibility Act

USDA certifies that this proposed rule will not have a significant impact on a substantial number of small entities as defined in the Regulatory Flexibility Act, 5 U.S.C. 601 et seq. There is no additional submission required as a result of this action. The rule will not have a significant impact on the small business community or on a substantial number of small businesses. The Department invites comment on its estimates for the potential impact of this rulemaking on small businesses.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the proposed rule does not impose any recordkeeping or information collection requirements that require approval by the Office of Management and Budget.

D. Executive Orders 12866 and 13563

Executive Order 12866, “Regulatory Planning and Review,” and Executive Order 13563, “Improving Regulation and Regulatory Review,” direct agencies to assess all costs and benefits of available regulatory alternatives and, if
