

a minor change and should not impact the quality of C2's trading market. Among other things, adjusted option series are not common, and trading interest is often very low after the corporate event has passed. Consequently, continuous quotes in these series increase quote traffic and burdens systems without a corresponding benefit. By not requiring Market-Makers to provide continuous quotes in these series, the Exchange's proposal would further its goal of measured quote mitigation. Further, while they will not be tasked with providing continuous quotes in these series, Market-Makers must still quote these series when requested by an Exchange official. Accordingly, the proposal supports the quality of C2's trading market by helping to ensure that Market-Makers will continue to be obligated to quote in adjusted option series if and when the need arises.

These changes are consistent with the rules of competing options exchanges, and they serve to remove impediments to and to perfect the mechanism for a free and open market and a national market system.

B. Self-Regulatory Organization's Statement on Burden on Competition

C2 does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. In this regard, and as indicated above, the Exchange notes that the rule change is being proposed as a competitive response to recent rule changes of NYSE Amex, NYSE Arca and PHLX.¹⁶ C2 believes this proposed rule change is necessary to permit fair competition among the options exchanges with respect to Market-Makers' continuous quoting obligations.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if

consistent with the protection of investors and the public interest, provided that the self-regulatory organization has given the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change or such shorter time as designated by the Commission, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁷ and Rule 19b-4(f)(6)¹⁸ thereunder.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the Fees Schedule

November 28, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 15, 2011, the Chicago Board Options Exchange, Incorporated (the "Exchange" or "CBOE") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange proposes to amend its Fees Schedule. The text of the proposed rule change is available on the Exchange's Web site (<http://www.cboe.org/legal>), at the Exchange's Office of the Secretary, and at the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Floor Broker Workstation ("FBW") is a system for electronically entering and managing orders on the Exchange floor. The Exchange has improved the functionality of the FBW to provide a new "Market Access Controls Window" (the "Window") that will display for each "FBW aggregation group"³ values for each of the following access-based controls: Per Order Controls, which include values for (a) quantity of contracts per order, (b) premium amount per order, (c) number of identical orders, and (d) frequency of order entry (count and timeframe); and Aggregate Controls, which include actual and predictive values for (1) premium amount per day, (2) quantity of contracts per day, and (3) the number of orders with a status of "working". The Window will be an optional feature of FBW and will be provided to each CBOE Trading Permit Holder ("TPH") that requests the Window (a "Requesting TPH").

The Exchange proposes to charge a Requesting TPH \$100 per Login ID per month. There will be a cap of \$2,000 per month for any Requesting TPH. Therefore, any TPH that requests access to the FBW Market Access Controls

Window for more than 20 login IDs will not be required to pay more than \$2,000 per month for such access. The purpose of the proposed fee is to recoup costs involved in providing the Window, which is licensed from an outside vendor.

The proposed rule change filing is to take effect December 1, 2011.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act,⁴ in general, and furthers the objectives of Section 6(b)(4)⁵ of the Act in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among CBOE Trading Permit Holders and other persons using Exchange facilities, and the objectives of Section 6(b)(5)⁶ of the Act in particular in that it is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers. The Exchange believes that the amount of the proposed fee is reasonable because it is within the range of fees assessed by the Exchange for the use of other trading floor terminal functionalities⁷ and because that amount is necessary to recoup costs involved in providing the Window, which is licensed from an outside vendor. The Exchange believes the proposed fee is equitable and not unfairly discriminatory because the fee would be optional and would be applied uniformly to all CBOE Trading Permit Holders that use the Window.

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change is designated by the Exchange as establishing or changing a due, fee, or other charge, thereby qualifying for effectiveness on filing pursuant to

Section 19(b)(3)(A) of the Act⁸ and subparagraph (f)(2) of Rule 19b-4⁹ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-65844; File No. SR-NASDAQ-2011-143]

Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Order Approving Proposed Rule Change With Respect to an Amendment to the By-Laws of The NASDAQ OMX Group, Inc.

November 28, 2011.

On October 11, 2011, The NASDAQ Stock Market LLC ("Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to amend the by-laws of its parent corporation, The NASDAQ OMX Group, Inc. ("NASDAQ OMX"). The proposed rule change was published for comment in the *Federal Register* on October 28, 2011.³ The Commission received no comments on the proposal.

After careful review, the Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange⁴ and, in particular, the requirements of Section 6(b)(5) of the Act.⁵ The proposal will allow the NASDAQ OMX Board of Directors ("Board") to determine the size of its Audit Committee, so long as the Audit Committee includes at least three directors, as well as the size of its Nominating & Governance Committee, so long as the Nominating & Governance

Committee includes at least two directors. The proposal is intended to provide greater flexibility to the NASDAQ OMX Board to determine the appropriate size for these committees. The Commission notes that the proposed rule change maintains compliance with the Exchange's listing standards. The proposal does not change any other compositional requirements of either the Audit Committee or the Nominating & Governance Committee, including independence requirements. Moreover, the Commission notes that the proposal does not alter the application of Section 10A of the Exchange Act⁶ and Rule 10A-3 thereunder⁷ to the NASDAQ OMX Audit Committee. The proposal also deletes an obsolete section from, and corrects a typographical error in, the NASDAQ OMX by-laws, which are clarifying revisions. For the foregoing reasons, the Commission believes that the proposed rule change is consistent with the Act.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁸ that the proposed rule change (SR-NASDAQ-2011-143) be, and it hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁹
