II. What action is EPA taking?

Section 25(a)(2)(A) of FIFRA requires EPA to provide the Secretary of Agriculture with a copy of any draft proposed rule at least 60 days before signing it in proposed form for publication in the Federal Register. Similarly, FIFRA section 21(b) requires EPA to provide the Secretary of Health and Human Services with a copy of any draft proposed rule pertaining to a public health pesticide at least 60 days before publishing it in the Federal Register. The draft proposed rule is not available to the public until after it has been signed by EPA. If either Secretary comments in writing regarding the draft proposed rule within 30 days after receiving it, EPA shall include in the proposed rule, when published in the Federal Register, the comments of the Secretaries and the EPA Administrator's response to those comments. If either Secretary does not comment in writing within 30 days after receiving the draft proposed rule, EPA may proceed with signing the proposed rule notwithstanding the 60 day time requirement imposed on EPA.

III. Do any statutory and Executive Order reviews apply to this notification?

No. This document is not a proposed rule. It is merely a notification to the Secretary of Agriculture and the Secretary of Health and Human Services. As such, none of the regulatory assessment requirements apply to this document.
