Notice of Application for Proposed Withdrawal Extension and Opportunity for Public Meeting; Oregon

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The United States Forest Service (USFS) has filed an application with the Department of the Interior,

Bureau of Land Management (BLM) to extend the duration of Public Land Order (PLO) No. 6944 for an additional 20-year term. PLO No. 6944 withdrew approximately 43.75 acres of National Forest System land from location and entry under the United States mining laws in order to protect the Granite Chinese Walls Historic Site. The withdrawal created by PLO No. 6944 will expire on September 30, 2012, unless extended. This notice also gives an opportunity to comment on the application and proposed action and to request a public meeting.

DATES: Comments and requests for a public meeting must be received by March 20, 2012.

ADDRESSES: Comments and meeting requests should be sent to the Oregon/Washington State Director, BLM, 333 SW 1st Ave., P.O. Box 2965, Portland, Oregon 97208-2965.

FOR FURTHER INFORMATION CONTACT: Michael L. Barnes, BLM Oregon/Washington State Office, (503) 808-6155, or Dianne Torpin, USFS Pacific Northwest Region, (503) 808-2422. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-(800) 877-8339 to reach either of the named contacts during normal business hours. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question with either of the above individuals. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The USFS has filed an application requesting that the Secretary of the Interior extend the duration of PLO No. 6944 (57 FR 45321 (1992)), which withdrew 43.75 acres of National Forest System land from location and entry under the United States mining laws, but not leasing under the mineral leasing laws, for an additional 20-year term, subject to valid existing rights. PLO No. 6944 is incorporated herein by reference.

The purpose of the proposed withdrawal extension is to continue the protection of the Federal recreation investment of the site along with the archaeological, cultural, and historic values of the Granite Chinese Walls Historic Site.

The use of a right-of-way, interagency agreement, or cooperative agreement would not provide adequate protection.

The USFS would not need to acquire water rights to fulfill the purpose of the requested withdrawal extension.

Records related to the extension application may be examined by contacting Michael L. Barnes at the above BLM address or phone number.
