

Exchange also proposes to amend all references in the Fee Schedule to reflect the new name of the cap.

While changes to the Fee Schedule pursuant to this proposal are effective upon filing, the Exchange has designated these changes to be operative on January 3, 2012.

2. Statutory Basis

The Exchange believes that its proposal to amend its Fee Schedule is consistent with Section 6(b) of the Act¹⁷ in general, and furthers the objectives of Section 6(b)(4) of the Act¹⁸ in particular, in that it is an equitable allocation of reasonable fees and other charges among Exchange members.

The Exchange believes that the proposal to exclude the Strategy Executions from the benefit of either the Monthly Firm Fee Cap or the Monthly Cap is reasonable because those strategies are already subject to caps. Firms, ROTs and Specialists have the ability to not pay transaction fees once either the Monthly Firm Fee Cap or the Monthly Cap, as applicable, is reached and therefore the Exchange believes it is reasonable to exclude Strategy Executions, which already have the benefit of caps, from receiving a second cap.

The Exchange believes that it is equitable and not unfairly discriminatory to exclude Strategy Executions from the Monthly Firm Fee Cap or the Monthly Cap because only certain participants are impacted, namely Firms, ROTs and Specialists, as they are the only ones receiving the benefit of the Monthly Firm Fee Cap or the Monthly Cap, as applicable. Other market participants are not impacted because they are not subject to another cap. Therefore, the Exchange believes that this fee is being uniformly applied to those participants subject to caps. In addition, NYSE Amex LLC also excludes certain strategy executions from its monthly firm fee cap.¹⁹

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose

any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.²⁰ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

Self-Regulatory Organizations; New York Stock Exchange LLC; NYSE Amex LLC; Notice of Designation of a Longer Period for Commission Action on Proposed Rule Changes Adopting New NYSE Rule 107C To Establish a Retail Liquidity Program on a Pilot Basis To Attract Additional Retail Order Flow to the Exchange for NYSE-listed Securities and New NYSE Amex Equities Rule 107C To Establish a Retail Liquidity Program on a Pilot Basis To Attract Additional Retail Order Flow to the Exchange for NYSE Amex Equities Traded Securities

December 19, 2011.

On October 19, 2011, New York Stock Exchange LLC ("NYSE") and NYSE Amex LLC ("NYSE Amex") (collectively the "Exchanges") filed with the Securities and Exchange Commission ("Commission") pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4

²¹ 17 CFR 200.30-3(a)(12).

¹ 15 U.S.C. 78s(b)(1).

would also include Directed Participants. The term "Directed Participant" applies to transactions for the account of a Specialist, Streaming Quote Trader or Remote Streaming Quote Trader resulting from a Customer order that is (1) directed to it by an order flow provider, and (2) executed by it electronically on Phlx XL II.

¹⁷ 15 U.S.C. 78f(b).

¹⁸ 15 U.S.C. 78f(b)(4).

¹⁹ See SR-NYSEAMEX-2011-94 (a proposal to exclude reversals and conversions, dividend spreads, box spreads, short stock interest spreads, merger spreads, and jelly rolls, which are currently capped at \$750 per transaction and \$25,000 per month, from the monthly firm fee cap of \$100,000).

²⁰ 15 U.S.C. 78s(b)(3)(A)(ii).

thereunder,² proposed rule changes to adopt a pilot program intended to attract additional retail order flow to the Exchanges while also providing the potential for price improvement to such order flow. The proposed rule changes were published for comment in the **Federal Register** on November 9, 2011.³ To date, the Commission has received 27 comments on the NYSE proposal⁴ and 4 comments on the NYSE Amex proposal.⁵

Section 19(b)(2) of the Act⁶ provides that within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute

proceedings to determine whether the proposed rule change should be disapproved. The 45th day for these filings is December 24, 2011.

The Commission is extending the 45-day time period for Commission action on the proposed rule changes. The Commission finds that it is appropriate to designate a longer period to take action on the proposed rule changes so that it has sufficient time to consider the Exchanges' proposals, which would allow the Exchanges to utilize non-displayed orders that offered price improvement to retail order flow potentially in sub-penny increments, and the comment letters that have been submitted in connection with them.

Accordingly, pursuant to Section 19(b)(2) of the Act,⁷ the Commission designated February 7, 2012 as the date by which the Commission should either approve or disapprove, or institute proceedings to determine whether to disapprove, the proposed rule changes.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁸

Kevin M. O'Neill,
Deputy Secretary.
