Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Centers for Medicare & Medicaid Services, HHS.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Centers for Medicare & Medicaid Services (CMS) is publishing the following summary of proposed collections for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency’s functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

Use: The information collected is used to verify the income and eligibility of Medicaid applicants and recipients, as required by Section 1137 of the Social Security Act. Final regulations to implement Section 1137 of the Act were published February 28, 1986. Subsequent final amendments to the regulations were published on February 27, 1987; March 2, 1989; October 7, 1992; and January 31, 1994. These regulations provide the standards States use to determine which recipient and applicant records to match, the frequency of the match, due process protections for individuals whose records are matched, and those records
