

significantly greater flexibility in the designation of new “usage-driven” FTZ sites for operators/users located within a grantee’s “service area” in the context of the Board’s standard 2,000-acre activation limit for a general-purpose zone project. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the Board (15 CFR part 400). It was formally filed on January 13, 2012.

FTZ 219 was approved by the Board on April 2, 1997 (Board Order 874, 62 FR 17850–17851, 04/10/1997) and expanded on April 5, 2001 (Board Order 1161, 66 FR 19422, 04/16/2001); February 7, 2003 (Board Order 1267, 68 FR 9047, 02/27/2003); and, June 25, 2004 (Board Order 1341, 69 FR 40600, 07/06/2004).

The current zone project includes the following sites: *Site 1* (125 acres)—within the Yuma International Airport, 2191 East 32nd Street, Yuma; *Site 2* (95 acres)—Yuma Commerce Center, East 30th Street and South Avenue 7E, Yuma; and, *Site 3* (75 acres)—Big Lot Industrial LLC, 2301 North Main Street, San Luis.

The grantee’s proposed service area under the ASF would be all of Yuma County, Arizona, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies’ needs for FTZ designation. The proposed service area is within and adjacent to the San Luis U.S. Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize and expand its existing zone project to include existing Sites 1 and 2 as “magnet” sites as well as requesting approval of an additional “magnet” site: Proposed *Site 4* (220 acres)—The Greater Yuma Port Authority Industrial Park, 1002 South Avenue D, San Luis. The ASF allows for the possible exemption of one magnet site from the “sunset” time limits that generally apply to sites under the ASF, and the applicant proposes that Site 1 be so exempted. The applicant is also requesting approval of the following initial “usage-driven” site: Proposed *Site 5* (36 acres)—Johnson Controls Battery Group, 3740 South Arizona Avenue, Yuma. In addition, the applicant is requesting that existing Site 3 be removed from the zone project due to changed circumstances. Because the ASF only pertains to establishing or reorganizing a general-purpose zone, the application would have no impact on FTZ 219’s authorized subzone.

In accordance with the Board’s regulations, Christopher Kemp of the FTZ Staff is designated examiner to

evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board’s Executive Secretary at the address below. The closing period for their receipt is March 20, 2012. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to April 4, 2012.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230–0002, and in the “Reading Room” section of the Board’s Web site, which is accessible via www.trade.gov/ftz. SUPPLEMENTARY INFORMATION: On January 3, 2012, the Department of Commerce (“Department”) published its opportunity to request administrative review of the antidumping duty order on prestressed concrete steel wire strand (“PC Strand”) from Thailand. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 77 FR 83 (January 3, 2012). Subsequent to this publication, we identified an

inadvertent error. The case number associated with the antidumping duty order on PC Strand from Thailand is incorrect. The correct case number is A–549–820 and not A–583\814. This notice serves as a correction. The opportunity to request administrative review of the antidumping duty order on PC Strand from Thailand is correct and remains unchanged.

Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Extension of Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* January 20, 2012.
SUMMARY: The Department of Commerce (the “Department”) is extending the time limit for the preliminary results of the sixth administrative review of the antidumping duty order on certain frozen warmwater shrimp (“shrimp”) from the Socialist Republic of Vietnam (“Vietnam”) to February 28, 2012. The period of review (“POR”) is February 1, 2010, through January 31, 2011.

FOR FURTHER INFORMATION CONTACT: Toni Dach or Seth Isenberg, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–1655 and (202) 482–0588, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 31, 2011, the Department published in the **Federal Register** a notice of initiation of the administrative review of the antidumping duty order on certain frozen warmwater shrimp from Vietnam. *See Initiation of Antidumping Duty Administrative Reviews, Requests for Revocation in Part, and Deferral of Administrative Review*, 76 FR 17825 (March 31, 2011). The Department extended the time limit for the preliminary results by 90 days on

October 20, 2011.¹ The preliminary results are currently due no later than January 29, 2012.²

Statutory Time Limits

In antidumping duty administrative reviews, section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“the Act”), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days after the last day of the anniversary month.

Extension of Time Limit of Preliminary Results

We determine that it is not practicable to complete the preliminary results of this administrative review within the original time limit because the Department requires additional time to analyze the questionnaire responses, which include substantial sales and factor information, issue supplemental questionnaires, evaluate surrogate value submissions, and conduct an on-site verification.

Therefore, in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), the Department is extending the time limit for the preliminary results by 30 days, until February 28, 2012. The final results continue to be due 120 days after the publication of the preliminary results.

We are issuing and publishing this notice in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: January 13, 2012.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

² The 90 day extension FR noted the deadline was extended to January 30, 2012. However, this was because the initial 90 day extension to January 29, 2012 fell on a Sunday. As a result, per Department practice, the deadline fell to the next business day. Polyethylene Retail Carrier Bags From the People’s Republic of China: Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to a request from interested parties, the Department of Commerce (the Department) initiated an administrative review of the antidumping duty order on polyethylene retail carrier bags (PRCBs) from the People’s Republic of China (PRC) with respect to Dongguan Nozawa Plastics Products Co., Ltd., and United Power Packaging, Ltd. (collectively Nozawa). The period of review is August 1, 2010, through July 31, 2011. The Department is rescinding the administrative review.

DATES: *Effective Date:* January 20, 2012.

FOR FURTHER INFORMATION CONTACT: Yang Jin Chun, AD/CVD Operations Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–5760.

SUPPLEMENTARY INFORMATION:

Background

On August 9, 2004, we published in the **Federal Register** an antidumping duty order on PRCBs from the PRC. See *Antidumping Duty Order: Polyethylene Retail Carrier Bags From the People’s Republic of China*, 69 FR 48201 (August 9, 2004). On August 1, 2011, we published in the **Federal Register** a notice of opportunity to request an administrative review of the antidumping duty order on PRCBs from the PRC. See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 76 FR 45773 (August 1, 2011). On August 31, 2011, pursuant to section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b), the petitioners, the Polyethylene Retail Carrier Bag Committee and its individual members, Hilex Poly Co., LLC, and Superbag Corporation, requested an administrative review of the order with respect to Nozawa, an exporter of PRCBs from the PRC. See the letter from the petitioners dated August 31, 2011. On October 3, 2011, in accordance with section 751(a) of the

Act and 19 CFR 351.221(c)(1)(i), we published a notice of initiation of an administrative review of the order. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocations in Part*, 76 FR 61076 (October 3, 2011).

Rescission of Review

In accordance with 19 CFR 351.213(d)(1), the Department will rescind an administrative review, “in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review.” We received a letter of withdrawal from the petitioners with respect to the review requested of Nozawa within the 90-day time limit. See the letter from the petitioners dated December 21, 2011. Because we received no other requests for review of Nozawa and no other requests for the review of the order on PRCBs from the PRC with respect to other companies subject to the order, we are rescinding the administrative review of the order in full. This rescission is in accordance with 19 CFR 351.213(d)(1).

The Department intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice.

Notification to Importer

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice is published in accordance with section 777(i)(1) of the Act and 19 CFR 351.213(d)(4).

Dated: January 13, 2012.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
