apply for appointment by submitting a resume or CV along with letters of recommendation to NHTSA at the addresses listed above by March 30, 2012. Each applicant must identify the EMS sector or discipline that he or she seeks to represent. Current NEMSAC members whose terms are ending should notify the Designated Federal Officer of their interest in reappointment in lieu of submitting a new application, and should provide an updated resume or CV and a restatement of the current sector they represent by March 30, 2012.

The NEMSAC meets in plenary session approximately once per quarter. Members serve without compensation from the Federal Government; however, pursuant to the terms of the Charter, they receive travel reimbursement and per diem in accordance with applicable Federal Travel Regulations.

Jeffrey P. Michael,
Associate Administrator for Research and Program Development.

[Docket No. FD 35598]

Eastern Maine Railway Company—Acquisition and Operation Exemption—Montreal, Maine & Atlantic Railway, Ltd.

Eastern Maine Railway Company (EMR), a Class III rail carrier, has filed a verified notice of exemption under 49 CFR 1150.32(e) by providing notice to employees and their labor unions on the affected 28.75 miles of rail line. Under 49 CFR 1150.32(e), this exemption cannot become effective until 60 days after the date notice was provided, which would be March 17, 2012. If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions to stay must be filed no later than March 9, 2012 (at least 7 days before the exemption becomes effective).

An original and 10 copies of all pleadings, referring to Docket No. FD 35598, must be filed with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423–0001. In addition, a copy of each pleading must be served on Karyn A. Booth, Thompson Hine LLP, Suite 800, 1920 N Street NW., Washington, DC 20036.

Board decisions and notices are available on our Web site at www.stb.dot.gov.

By the Board, Rachel D. Campbell, Director, Office of Proceedings.

Jeffrey Herzig,
Clearance Clerk.

[Docket No. FD 35598]

Eastern Maine Railway Company—Assignment of Trackage Rights Exemption—Montreal, Maine & Atlantic Railway, Ltd. and Maine Northern Railway Company

Pursuant to a written agreement, Montreal, Maine & Atlantic Railway, Ltd. (MMA) has agreed to assign its overhead trackage rights to the Eastern Maine Railway Company (EMR) over approximately 151 miles of rail line owned by the State of Maine (State) extending between milepost 109 near Millinocket, Me., and milepost 260 near Madawaska, Me. (the Line).

This transaction is related to a concurrently filed verified notice of exemption in Docket No. FD 35588, Eastern Maine Railway Company—Acquisition and Operation Exemption—Montreal, Maine & Atlantic Railway, Ltd., wherein EMR seeks to acquire from MMA and to operate 28.75 miles of rail line. EMR certifies that its projected annual revenues as a result of this transaction will not result in the creation of a Class II or Class I rail carrier. Because EMR’s projected annual revenues will exceed $5 million, EMR certified to the Board on January 17, 2012, that it had complied with the requirements of 49 CFR 1150.32(e) by providing notice to employees and their labor unions on the affected 28.75 miles of line. Under 49 CFR 1150.32(e), this exemption cannot become effective until 60 days after the date notice was provided, which would be March 17, 2012.

The transaction is expected to be consummated on or about March 19, 2012. An original and 10 copies of all pleadings, referring to Docket No. FD 35598, must be filed with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423–0001. In addition, a copy of each pleading must be served on Karyn A. Booth, Thompson Hine LLP, Suite 800, 1920 N Street NW., Washington, DC 20036.

BILLING CODE 4915–01–P

2 These trackage rights would enable EMR access over the line owned by the State of Maine and extend from milepost 109 near Millinocket, Me., to milepost 260 near Madawaska, Me. MMA previously obtained these trackage rights in 1999. EMR’s projected annual revenues as a result of this transaction over the line owned by MMA would be approximately $3 million. The transaction is related to a concurrently filed verified notice of exemption in Docket No. FD 35588, Eastern Maine Railway Company—Assignment of Trackage Rights Exemption—Montreal, Maine & Atlantic Railway, Ltd., wherein EMR seeks to acquire from MMA and to operate 28.75 miles of rail line. EMR certifies that its projected annual revenues as a result of this transaction will not result in the creation of a Class II or Class I rail carrier. Because EMR’s projected annual revenues will exceed $5 million, EMR certified to the Board on January 17, 2012, that it had complied with the requirements of 49 CFR 1150.32(e) by providing notice to employees and their labor unions on the affected 28.75 miles of line. Under 49 CFR 1150.32(e), this exemption cannot become effective until 60 days after the date notice was provided, which would be March 17, 2012. If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions to stay must be filed no later than March 9, 2012 (at least 7 days before the exemption becomes effective).

3 EMR recognizes that the Board’s jurisdiction only covers the acquisition of the line to the U.S.-Canada border.
