Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), the Department shall issue preliminary results in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the order for which the administrative review was requested. However, if the Department determines that it is not practicable to complete the preliminary results of the review within the aforementioned time limit, section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2) allow the Department to extend the 245-day period to 365 days.

Pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), we determine that it is not practicable to complete the preliminary results of this review within the original time limit. The Department needs additional time to analyze the extensive sales and cost questionnaire responses that were submitted, and we must issue additional supplemental questionnaires. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department has decided to extend the time limit for the preliminary results from 245 days to 365 days. The preliminary results will now be due no later than July 30, 2012. Unless extended, the final results for those companies that were not selected for individual review will be due no later than July 30, 2012. In addition, based on the comments received, these final results differ from the Preliminary Results. For our final results, we find that Union and Dongbu made sales of subject merchandise at less than normal value (NV), and POSCO and HYSCO have not made sales of subject merchandise at less than NV. In addition, based on the final results for the respondents selected for individual review, we have determined a weighted-average margin for those companies that were not selected for individual review. Further, the Department has determined to revoke this antidumping duty order, in part, with respect to entries from POSCO.

Dated: March 6, 2012.
