Proposed Rules

This section of the FEDERAL REGISTER contains notices to the public of the proposed issuance of rules and regulations. The purpose of these notices is to give interested persons an opportunity to participate in the rule making prior to the adoption of the final rules.

BUREAU OF CONSUMER FINANCIAL PROTECTION

12 CFR Chapter X

[DOCKET NO. CFPB–2011–0039]

Streamlining Inherited Regulations

AGENCY: Bureau of Consumer Financial Protection.

ACTION: Notice of streamlining project; request for information; extension of comment response period.

SUMMARY: On December 5, 2011, the Bureau of Consumer Financial Protection (the Bureau) published in the Federal Register a notice and request for information requesting specific suggestions from the public for streamlining regulations it recently inherited from other Federal agencies (the Streamlining Notice). The Streamlining Notice provided for a two-stage comment process. Initial comments were due March 5, 2012. The Notice then allowed a 30-day period, closing on April 3, 2012, for submitting responses to the comments filed. Due to the likely number and complexity of the comments submitted in the first round and to allow parties more time to consider and craft their responses to those initial submissions, the Bureau has determined that an extension of the comment reply period until June 4, 2012, is appropriate. This action will allow interested persons more time to analyze the submitted comments and prepare their responses. However, the initial comment period is still closed as of March 5, 2012.

DATES: The comment reply period for the Streamlining Notice published December 5, 2011, at 76 FR 75825, is extended. Although initial comments on streamlining the inherited regulations must have been received on or before the original date of March 5, 2012, responses to those comments now must be received on or before June 4, 2012.

ADDRESSES: You may submit comments or responses by any of the methods identified in the Streamlining Notice. Please submit your comments or responses using only one method.

FOR FURTHER INFORMATION CONTACT: Jane Gell, Senior Counsel and Special Advisor; Joseph Devlin, Regulations Counsel, Research, Markets & Regulations Division, Bureau of Consumer Financial Protection, (202) 435–7700.

SUPPLEMENTARY INFORMATION: On December 5, 2011, the Bureau published the Streamlining Notice in the Federal Register.1 The Streamlining Notice requested specific suggestions from the public for streamlining regulations the Bureau recently inherited from other Federal agencies. It asked commenters to identify provisions of the inherited regulations that the Bureau should make the highest priority for updating, modifying, or eliminating because they are outdated, unduly burdensome, or unnecessary. The Streamlining Notice also discussed several specific requirements that might warrant review, and sought suggestions for practical measures to make complying with the regulations easier. The Streamlining Notice provided for a two-stage comment process—an initial comment period followed by a period in which responses to the initial comments could be submitted. The initial comment period for the Notice was to close on March 5, 2012. The period for submitting responses to the comments was to close on April 3, 2012.

The Bureau received a joint request from several industry and consumer advocacy groups for an extension of the second stage of the Streamlining Notice comment process, the reply period.2 The joint request letter stated that a large number of first-round comments were anticipated and 30 days was not an adequate time period for responding to them. The letter pointed out that “reviewing, assimilating, and thoughtfully responding to these comments will take time.” The letter went on to suggest that “providing adequate time during the reply period [might] encourage the identification and development of areas of consensus among consumer and industry groups that ultimately would facilitate and accelerate the Bureau’s ability to execute on common concerns, and perhaps common solutions.”

For the reasons described in the joint request for an extension, the Bureau is extending the period allotted for reply to initial comments received pursuant to the Streamlining Notice. The reply period will now close on June 4, 2012. The initial comment period is unchanged, with a close of March 5, 2012.

Dated: March 6, 2012.

Richard Cordray, Director, Bureau of Consumer Financial Protection.

Coast Guard

33 CFR Part 165

[DOCKET NO. USCG–2012–0137]

RIN 1625–AA00

Safety Zones; Swim Around Charleston, Charleston, SC

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to establish temporary moving safety zones during the Swim Around Charleston, a swimming race occurring on the Wando River, the Cooper River, Charleston Harbor, and the Ashley River, in Charleston, South Carolina. The Swim Around Charleston is scheduled to take place on Sunday, September 23, 2012. The temporary safety zones are necessary for the safety of the swimmers, participants, spectators, and the general public during the event. Persons and vessels would be prohibited from entering, transiting through, anchoring in, or remaining within the safety zones unless authorized by the Captain of the Port Charleston or a designated representative.

DATES: Comments and related material must be received by the Coast Guard on or before July 11, 2012. Requests for
public meetings must be received by the Coast Guard on or before June 5, 2012.

**ADDRESSES:** You may submit comments identified by docket number USCG–2012–0137 using any of the following methods:

2. Fax: (202) 493–2251.
4. Hand delivery: Same as mail address above, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The telephone number is (202) 366–9329.

To avoid duplication, please use only one of these four methods. See the “Public Participation and Request for Comments” portion of the **SUPPLEMENTARY INFORMATION** section below for instructions on submitting comments.

**FOR FURTHER INFORMATION CONTACT:** If you have questions on this proposed rule, call or email Ensign John Santorum, Sector Charleston Office of Waterways Management, Coast Guard; telephone (843) 740–3184, email John.R.Santorum@uscg.mil. If you have questions on viewing or submitting material to the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone (202) 366–9826.

**SUPPLEMENTARY INFORMATION:**

**Public Participation and Request for Comments**

We encourage you to participate in this rulemaking by submitting comments and related materials. All comments received will be posted without change to http://www.regulations.gov and will include any personal information you have provided.

**Submitting Comments**

If you submit a comment, please include the docket number for this rulemaking (USCG–2012–0137), indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation. You may submit your comments and material online via http://www.regulations.gov or by fax, mail, or hand delivery, but please use only one of these means. If you submit a comment online via www.regulations.gov, it will be considered received by the Coast Guard when you successfully transmit the comment. If you fax, hand deliver, or mail your comment, it will be considered as having been received by the Coast Guard when it is received at the Docket Management Facility. We recommend that you include your name and a mailing address, an email address, or a telephone number in the body of your document so that we can contact you if we have questions regarding your submission.

To submit your comment online, go to http://www.regulations.gov, click on the “submit a comment” box, which will then become highlighted in blue. In the “Document Type” drop down menu select “Proposed Rule” and insert “USCG–2012–0137” in the “Keyword” box. Click “Search” then click on the balloon shape in the “Actions” column. If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8.5 by 11 inches, suitable for copying and electronic filing. If you submit comments by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period and may change the rule based on your comments.

**Viewing Comments and Documents**

To view comments, as well as documents mentioned in this preamble as being available in the docket, go to http://www.regulations.gov, click on the “read comments” box, which will then become highlighted in blue. In the “Keyword” box insert “USCG–2012–0137” and click “Search.” Click the “Open Docket Folder” in the “Actions” column. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. We have an agreement with the Department of Transportation to use the Docket Management Facility.

**Privacy Act**

Anyone can search the electronic form of comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review a Privacy Act notice regarding our public dockets in the January 17, 2008, issue of the Federal Register (73 FR 3316).

**Public Meeting**

We do not now plan to hold a public meeting. But you may submit a request for one on or before June 5, 2012 using one of the four methods specified under **ADDRESSES.** Please explain why you believe a public meeting would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the **Federal Register.**

**Basis and Purpose**

The purpose of the proposed rule is to ensure the safety of the swimmers, participant vessels, spectators, and the general public during the Swim Around Charleston.

**Discussion of Proposed Rule**

On Sunday, September 23, 2012, the Swim Around Charleston is scheduled to take place on the Wando River, the Cooper River, Charleston Harbor, and the Ashley River, in Charleston, South Carolina. The Swim Around Charleston will consist of a 10 mile swim that starts at Remley’s Point on the Wando River, crosses the main shipping channel of Charleston Harbor, and finishes at the General William B. Westmoreland Bridge on the Ashley River.

The proposed rule would establish temporary moving safety zones of a 75 yard radius around Swim Around Charleston participant vessels that are officially associated with the swim on the Wando River, the Cooper River, Charleston Harbor, and the Ashley River, in Charleston, South Carolina. The temporary safety zones would be enforced from 7 a.m. until 2 p.m. on September 23, 2012. Persons and vessels would be prohibited from entering, transiting through, anchoring in, or remaining within the safety zones unless authorized by the Captain of the Port Charleston or a designated representative. Persons and vessels would be able to request authorization to enter, transit through, anchor in, or remain within the safety zones by contacting the Captain of the Port Charleston by telephone at (843) 740–7050, or a designated representative via VHF radio on channel 16.
Regulatory Analyses

We developed this proposed rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

Regulatory Planning and Review

Executive Orders 13563, Improving Regulation and Regulatory Review, and 12866, Regulatory Planning and Review, direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This proposed rule has not been designated a significant regulatory action under section 3(f) of Executive Order 12866. Accordingly, the Office of Management and Budget has not reviewed this proposed rule under Executive Order 12866.

The economic impact of this proposed rule is not significant for the following reasons: (1) The safety zones would only be enforced for a total of seven hours; (2) the safety zones would move with the participant vessels so that once the swimmers clear a portion of the waterway, the safety zones would no longer be enforced in that portion of the waterway; (3) although persons and vessels would not be able to enter, transit through, anchor in, or remain within the safety zones without authorization from the Captain of the Port Charleston or a designated representative, they would be able to operate in the surrounding area during the enforcement period; (4) persons and vessels would still be able to enter, transit through, anchor in, or remain within the safety zones if authorized by the Captain of the Port Charleston or a designated representative; and (5) the Coast Guard would provide advance notification of the safety zones to the local maritime community by Local Notice to Mariners and Broadcast Notice to Mariners.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this proposed rule would have a significant economic impact on a substantial number of small entities. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities. This proposed rule may affect the following entities, some of which may be small entities: The owners or operators of vessels intending to enter, transit through, anchor in, or remain within that portion of the Wando River, the Cooper River, Charleston Harbor, and the Ashley River in Charleston, South Carolina encompassed within the safety zones from 7 a.m. until 2 p.m. on September 23, 2012. For the reasons discussed in the Regulatory Planning and Review section above, this proposed rule would not have a significant economic impact on a substantial number of small entities.

If you think that your business, organization, or governmental jurisdiction qualify as a small entity and that this proposed rule would have a significant economic impact on it, please submit a comment (see ADDRESSES) explaining why you think it qualifies and how and to what degree this proposed rule would economically affect it.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this proposed rule so that they can better evaluate its effects on them and participate in the rulemaking. If the proposed rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact Ensign John Santorum, Sector Charleston Office of Waterways Management, Coast Guard; telephone (843) 740–3184, email John.R.Santorum@uscg.mil. The Coast Guard will not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

Collection of Information

This proposed rule would call for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this proposed rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or Tribal government, in the aggregate, or by the private sector of $100,000,000 or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this proposed rule elsewhere in this preamble.

Taking of Private Property

This proposed rule would not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this proposed rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This proposed rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

Indian Tribal Governments

This proposed rule does not have Tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian Tribes, on the relationship between the Federal Government and Indian Tribes, or on the distribution of power and responsibilities between the Federal Government and Indian Tribes.

Energy Effects

We have analyzed this proposed rule under Executive Order 13211, Actions Concerning Regulations That...
Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This proposed rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this proposed rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M1647.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have made a preliminary determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. A preliminary environmental analysis checklist supporting this determination is available in the docket where indicated under ADDRESSES. This proposed rule involves establishing temporary moving safety zones as described in figure 2–1, paragraph (34)(g), of the Instruction. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

2. Add a temporary § 165.T07–0137 to read as follows:

§ 165.T07–0137 Safety Zones; Swim Around Charleston, Charleston, SC. (a) Regulated Areas. The following regulated areas are moving safety zones:

All waters within a 75 yard radius of Swim Around Charleston participant vessels. The Swim Around Charleston swimming race consists of a 10 mile course that starts at Remley’s Point on the Wando River in approximate position 32°48′49″ N, 79°54′27″ W, crosses the main shipping channel of Charleston Harbor, and finishes at the General William B. Westmoreland Bridge on the Ashley River in approximate position 32°50′14″ N, 80°01′23″ W. All coordinates are North American Datum 1983.

(b) Definition. The term “designated representative” means Coast Guard Patrol Commanders, including Coast Guard coxswains, petty officers, and other officers operating Coast Guard vessels, and Federal, state, and local officers designated by or assisting the Captain of the Port Charleston in the enforcement of the regulated areas.

(c) Regulations. (1) All persons and vessels are prohibited from entering, transiting through, anchoring in, or remaining within the regulated areas unless authorized by the Captain of the Port Charleston or a designated representative.

(2) Persons and vessels desiring to enter, transit through, anchor in, or remain within the regulated areas may contact the Captain of the Port Charleston by telephone at (843) 740–7050, or a designated representative via VHF radio on channel 16, to request authorization. If authorization to enter, transit through, anchor in, or remain within the regulated areas is granted by the Captain of the Port Charleston or a designated representative, all persons and vessels receiving such authorization must comply with the instructions of the Captain of the Port Charleston or a designated representative.

(3) The Coast Guard will provide notice of the regulated areas by Local Notice to Mariners, Broadcast Notice to Mariners, and on-scene designated representatives.

(d) Effective Date. This rule is effective from 7 a.m. until 2 p.m. on September 23, 2012.

M.F. White,

Captain, U.S. Coast Guard, Captain of the Port Charleston.

[Docket No. USCG–2012–0097]

RIN 1625–AA00

Safety Zone, Temporary Change for Recurring Fireworks Display Within the Fifth Coast Guard District, Pamlico River and Tar River; Washington, NC

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard is proposing a temporary change to the enforcement period and location of safety zone regulations for a recurring fireworks display within the Fifth Coast Guard District. This regulation applies to two recurring fireworks display events that take place at Washington, NC. Safety zone regulations are necessary to provide for the safety of life on navigable waters during the event. This action is intended to restrict vessel traffic in a portion of the Pamlico River and Tar River near Washington, NC, during the event.

DATES: Comments and related material must be received by the Coast Guard on or before April 12, 2012.

ADDRESSES: You may submit comments identified by docket number USCG–2012–0097 using any one of the following methods:

(2) Fax: 202–493–2251.

(4) Hand delivery: Same as mail address above, between 9 a.m. and 5 p.m., Monday through Friday, except...
