33 CFR Part 100

[Docket No. USCG–2012–0070]

RIN 1625–AA08

Special Local Regulations; Third Annual Space Coast Super Boat Grand Prix, Atlantic Ocean, Cocoa Beach, FL

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to establish special local regulations on the navigable waters of the Atlantic Ocean east of Cocoa Beach, Florida during the Third Annual Space Coast Super Boat Grand Prix, a series of high-speed boat races. The event is scheduled to take place on Sunday, May 20, 2012. Approximately 30 high-speed race boats are anticipated to participate in the races, and approximately 200 spectator vessels are expected to attend the event. These special local regulations are necessary to provide for the safety of life on navigable waters of the United States during the races. The special local regulations would consist of the following areas: (1) A race area, where all persons and vessels, except those persons and vessels participating in the high-speed boat races, are prohibited from entering, transiting, anchoring, or remaining; and (2) a buffer zone around the race area, where all persons and vessels, except those persons and vessels enforcing the buffer zone, are prohibited from entering, transiting, anchoring, or remaining.

DATES: Comments and related material must be received by the Coast Guard on or before April 3, 2012. Requests for public meetings must be received by the Coast Guard on or before March 26, 2012.

ADDRESSES: You may submit comments identified by docket number USCG–2012–0070 using any one of the following methods:

(2) Fax: 202–493–2251. (3) Mail or Delivery: Docket Management Facility (M–30), U.S. Department of Transportation, West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue SE., Washington, DC 20590–0001. Deliveries accepted between 9 a.m. and 5 p.m., Monday through Friday, except federal holidays. The telephone number is 202–366–9329.

See the “Public Participation and Request for Comments” portion of the SUPPLEMENTARY INFORMATION section below for further instructions on submitting comments. To avoid duplication, please use only one of these three methods.

FOR FURTHER INFORMATION CONTACT: If you have questions on this proposed rule, call or email Lieutenant Commander Robert Butts, Sector Jacksonville Office of Waterways Management, Coast Guard; telephone (904) 564–7563, email Robert.S.Butts@uscg.mil. If you have questions on viewing or submitting material to the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone (202) 366–9826.

SUPPLEMENTARY INFORMATION:

Public Participation and Request for Comments

We encourage you to participate in this rulemaking by submitting comments and related materials. All comments received will be posted without change to http://www.regulations.gov and will include any personal information you have provided.

Submitting Comments

If you submit a comment, please include the docket number for this rulemaking (USCG–2012–0070), indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation. You may submit your comments and material online (via http://www.regulations.gov) or by fax, mail, or hand delivery, but please use only one of these means. If you submit a comment online via www.regulations.gov, it will be considered received by the Coast Guard when you successfully transmit the comment. If you fax, hand deliver, or mail your comment, it will be considered as having been received by the Coast Guard when it is received at the Docket Management Facility. We recommend that you include your name and a mailing address, an email address, or a telephone number in the body of your document so that we can contact
you if we have questions regarding your submission.

To submit your comment online, go to http://www.regulations.gov, type the docket number USCG–2012–0070 in the “SEARCH” box and click “SEARCH.” Click on “Submit a Comment” on the line associated with this rulemaking.

If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit comments by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period and may change the rule based on your comments.

Viewing Comments and Documents

To view comments, as well as documents mentioned in this preamble as being available in the docket, go to http://www.regulations.gov, type the docket number (USCG–2012–0070) in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. We have an agreement with the Department of Transportation to use the Docket Management Facility.

Privacy Act

Anyone can search the electronic form of comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review a Privacy Act notice regarding our public dockets in the January 17, 2008, issue of the Federal Register (73 FR 3316).

Public Meeting

We do not now plan to hold a public meeting, but you may submit a request for one on or before February 29, 2012 using one of the four methods specified under ADDRESSES. Please explain why you believe a public meeting would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the Federal Register.

Basis and Purpose

The legal basis for the proposed rule is the Coast Guard’s authority to establish special local regulations: 33 U.S.C. 1233. The purpose of the proposed rule is to insure safety of life on navigable waters of the United States during the Third Annual Space Coast Super Boat Grand Prix.

Discussion of Proposed Rule

On Sunday, May 20, 2012, Super Boat International Productions, Inc. will host the Third Annual Space Coast Super Boat Grand Prix, a series of high-speed boat races. The event will be held on the waters of the Atlantic Ocean east of Cocoa Beach, Florida. Approximately 30 high-speed power boats are anticipated to participate in the races. It is anticipated that at least 200 spectator vessels will be present during the event. The proposed rule would establish special local regulations that encompass certain waters of the Atlantic Ocean east of Cocoa Beach, Florida. The special local regulations would be enforced from 9 a.m. until 5:30 p.m. on May 20, 2012. The special local regulations would consist of the following two areas: (1) A race area, where all persons and vessels, except those persons and vessels participating in the high-speed boat races, are prohibited from entering, transiting, anchoring, or remaining; and (2) a buffer zone around the race area, where all persons and vessels, except those persons and vessels enforcing the buffer zone, are prohibited from entering, transiting, anchoring, or remaining. Persons and vessels would be able to request authorization to enter, transit through, anchor in, or remain within the race area or buffer zone if authorized by the Captain of the Port Jacksonville or a designated representative, they would be able to operate in the surrounding area during the enforcement period; (3) persons and vessels would still be able to enter, transit through, anchor in, or remain within the race area or buffer zone if authorized by the Captain of the Port Jacksonville or a designated representative; and (4) the Coast Guard would provide advance notification of the special local regulations to the local maritime community by Local Notice to Mariners and Broadcast Notice to Mariners.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this proposed rule would have a significant economic impact on a substantial number of small entities. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities. This proposed rule may affect the following entities, some of which may be small entities: the owners or operators of vessels intending to enter, transit through, anchor in, or remain within that portion of the Atlantic Ocean encompassed within the special local regulations from 9 a.m. until 5:30 p.m. on May 20, 2012. For the reasons discussed in the Regulatory
Planning and Review section above, this proposed rule would not have a significant economic impact on a substantial number of small entities. If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this proposed rule would have a significant economic impact on it, please submit a comment (see ADDRESSES) explaining why you think it qualifies and how and to what degree this proposed rule would economically affect it.

**Assistance for Small Entities**

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this proposed rule so that they can better evaluate its effects on them and participate in the rulemaking. If the proposed rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact Lieutenant Commander Robert Butts, Sector Jacksonville Office of Waterways Management, Coast Guard; telephone (904) 564–7563, email Robert.S.Butts@uscg.mil. The Coast Guard will not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

**Collection of Information**

This proposed rule would call for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

**Federalism**

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this proposed rule under that Order and determined that this rule does not have implications for federalism.

**Unfunded Mandates Reform Act**

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or Tribal government, in the aggregate, or by the private sector of $100,000,000 or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this proposed rule elsewhere in this preamble.

**Taking of Private Property**

This proposed rule would not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

**Civil Justice Reform**

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

**Protection of Children**

We have analyzed this proposed rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This proposed rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

**Indian Tribal Governments**

This proposed rule does not have Tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian Tribes, on the relationship between the Federal Government and Indian Tribes, or on the distribution of power and responsibilities between the Federal Government and Indian Tribes.

**Energy Effects**

We have analyzed this proposed rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

**Technical Standards**

The National Technology Transfer and Advancement Act (NITTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This proposed rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

**Environment**

We have analyzed this proposed rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have made a preliminary determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This proposed rule involves establishing special local regulations issued in conjunction with a marine event, as described in figure 2–1, paragraph (34)(h), of the Instruction. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

**List of Subjects in 33 CFR Part 100**

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 100 as follows:

**PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS**

1. The authority citation for part 100 continues to read as follows:

   **Authority:** 33 U.S.C. 1233.

2. Add a temporary § 100.35T07–0070 to read as follows:

   **§ 100.35T07–0070 Special Local Regulations; Third Annual Space Coast Super Boat Grand Prix, Atlantic Ocean, Cocoa Beach, FL.**

   (a) Regulated Areas. The following regulated areas are established as special local regulations. All coordinates are North American Datum 1983.

   2. Add a temporary § 100.35T07–0070 to read as follows:
(1) Race Area. All waters of the Atlantic Ocean located east of Cocoa Beach encompassed within an imaginary line connecting the following points: Starting at Point 1 in position 28°22′09″ N, 80°35′52″ W; thence east to Point 2 in position 28°22′08″ N, 80°35′46″ W; thence south to Point 3 in position 28°19′53″ N, 80°36′02″ W; thence west to Point 4 in position 28°19′53″ N, 80°36′08″ W; thence north back to origin.

(2) Buffer Zone. All waters of the Atlantic Ocean located east of Cocoa Beach, excluding the race area, and encompassed within an imaginary line connecting the following points: Starting at Point 1 in position 28°22′16″ N, 80°36′04″ W; thence east to Point 2 in position 28°22′15″ N, 80°35′39″ W; thence south to Point 3 in position 28°19′47″ N, 80°35′55″ W; thence west to Point 4 in position 28°19′47″ N, 80°36′22″ W; thence north back to origin.

(b) Definition. The term “designated representative” means Coast Guard Patrol Commanders, including Coast Guard coxswains, petty officers, and other officers operating Coast Guard vessels, and Federal, state, and local officers designated by or assisting the Captain of the Port Jacksonville in the enforcement of the regulated areas.

(c) Regulations. (1) All persons and vessels are prohibited from entering, transiting through, anchoring in, or remaining within the regulated areas unless authorized by the Captain of the Port Jacksonville or a designated representative.

(2) Persons and vessels desiring to enter, transit through, anchor in, or remain within the regulated areas may contact the Captain of the Port Jacksonville by telephone at 904–564–7501, or a designated representative via VHF radio on channel 16, to request authorization. If authorization to enter, transit through, anchor in, or remain within the regulated areas is granted by the Captain of the Port Jacksonville or a designated representative, all persons and vessels receiving such authorization must comply with the instructions of the Captain of the Port Jacksonville or a designated representative.

(3) The Coast Guard will provide notice of the regulated areas by Local Notice to Mariners, Broadcast Notice to Mariners, and on-scene designated representatives.

(d) Enforcement Date. This rule will be enforced from 9 a.m. until 5:30 p.m. on May 20, 2012.

[Docket No. USCG–2012–0131]
RIN 1625–AA00
Safety Zones; Sellwood Bridge Project, Willamette River; Portland, OR
AGENCY: Coast Guard, DHS.
ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes the establishment of two safety zones to remain in effect throughout the duration of the construction and renewal of the Sellwood Bridge located on the Willamette River in Portland, Oregon. This action is necessary to ensure the safety of vessels transiting in close proximity to cranes, barges, and temporary structures associated with this construction project. During the effective period, all vessels will be required to remain at the prescribed safe distance from the construction area while transiting in the vicinity of the Sellwood Bridge project; however, the establishment of these safety zones does not entirely close this section of the Willamette River. The section of the Willamette River between the safety zones will remain open for vessel transits, and it will have a minimum channel width of 138 feet at all times.

The two safety zones proposed in this rule are located within the same geographical points as safety zones issued as a temporary final rule effective through 11 a.m., July 1, 2012.

DATES: Comments and related material must be received by the Coast Guard on or before May 14, 2012.

ADDRESSES: You may submit comments identified by docket number USCG–2012–0131 using any one of the following methods:

(2) Fax: 202–493–2251.

(4) Hand delivery: Same as mail address above, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The telephone number is 202–366–9329.

To avoid duplication, please use only one of these four methods. See the “Public Participation and Request for Comments” portion of the SUPPLEMENTARY INFORMATION section below for instructions on submitting comments.
