DEPARTMENT OF JUSTICE

Bureau of Alcohol, Tobacco, Firearms and Explosives

[OMB Number 1140–0062]

Agency Information Collection Activities; Proposed Collection; Comments Requested: Identification of Imported Explosives Materials

ACTION: 30-Day Notice of Information Collection.

The Department of Justice (DOJ), Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. This proposed information collection was previously published in the Federal Register Volume 77, Number 24, page 5844 on February 6, 2012, allowing for a 60-day comment period.

The purpose of this notice is to allow for an additional 30 days for public comment until May 17, 2012. This process is conducted in accordance with 5 CFR 1320.10.

Written comments concerning this information collection should be sent to the Office of Information and Regulatory Affairs, Office of Management and Budget, Attn: DOJ Desk Officer. The best way to ensure your comments are received is to email them to oira_submission@omb.eop.gov or fax them to 202–395–7285. All comments should reference the eight digit OMB number for the collection or the title of the collection. If you have questions concerning the collection, please contact William Miller at eipb@atf.gov or the DOJ Desk Officer at 202–514–4304.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

—Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
—Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
