SECURITIES AND EXCHANGE COMMISSION

Self-Regulatory Organizations; EDGA Exchange, Inc.; EDGX Exchange, Inc.; International Securities Exchange, LLC; Order Granting Approval of Proposed Rule Change Relating to a Corporate Transaction in Which SIX Swiss Exchange AG Will Transfer Its Interest in ISE Holdings, Inc. to a Newly Formed Swiss Corporation, Eurex Global Derivatives AG

April 19, 2012.

I. Introduction

On March 8, 2012, each of EDGA Exchange, Inc. ("EDGA"), EDGX Exchange, Inc. ("EDGX"), International Securities Exchange, LLC ("ISE" and, with EDGA and EDGX, the "Exchanges"), filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"); and Rule 19b–4 thereunder, proposed rule changes regarding a corporate transaction ("Transaction") in which SIX Swiss Exchange AG ("SIX") will transfer its 50% indirect ownership interest of International Securities Holdings, Inc. ("ISE Holdings") to a newly formed Swiss corporation, Eurex Global Derivatives AG ("EGD"), which will become a wholly-owned subsidiary of Deutsche Börse AG ("Deutsche Börse"), granting Deutsche Börse a 100% indirect ownership interest in ISE Holdings which, in turn, wholly owns ISE and holds a 31.54% indirect interest in each of EDGA and EDGX. The proposed rule changes were published for comment in the Federal Register on March 15, 2012. The Commission received no comment letters on the proposed rule changes.

The Commission has reviewed carefully the proposed rule changes and finds that the proposed rule changes are consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange. In particular, the Commission finds that the proposed rule changes are consistent with Section 6(b) of the Act, which, among other things, requires a national securities exchange to be so organized and have the capacity to be able to carry out the purposes of the Act and to enforce compliance by its members and persons associated with its members with the provisions of the Act, the rules and regulations thereunder, and the rules of the exchange, and assure the fair representation of its members in the selection of its directors and administration of its affairs, and provide that one or more directors shall be representative of issuers and investors and not be associated with a member of the exchange, broker, or dealer. Section 6(b) of the Act also requires that the rules of the exchange be designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

II. Discussion

The Exchanges have submitted their proposed rule changes to (i) effect the Transaction in accordance with their respective corporate governance documents, (ii) amend and restate the Amended and Restated Trust Agreement ("Trust"). (iii) file the form of EGD Corporate Resolution ("Resolution"). (iv) file the form of Agreement and Consent by and between EGD and Eurex Zürich AG ("Eurex Zürich") ("Agreement and Consent") and (v) amend and restate the Amended and Restated Bylaws of ISE Holdings ("Bylaws").

A. Corporate Structure

On December 17, 2007, ISE Holdings, the direct parent of ISE (and subsequent indirect parent of EDGA and EDGX), became a direct wholly-owned subsidiary of U.S. Exchange Holdings, Inc. ("U.S. Exchange Holdings"), which, in turn, is a wholly-owned subsidiary of Eurex Frankfurt AG ("Eurex Frankfurt"); and, with Deutsche Börse, the "German Upstream Owners". Eurex Frankfurt is a wholly-owned subsidiary of Eurex Zürich which, in turn, is currently jointly owned by Deutsche Börse and SIX. SIX is owned by SIX Group AG ("SIX Group").

On December 23, 2008, ISE merged the ISE Stock Exchange, LLC, with and into Maple Merger Sub, LLC, a wholly-owned subsidiary of Direct Edge Holdings LLC ("Direct Edge"). As part of the same transaction, ISE Holdings purchased a 31.54% equity interest in Direct Edge. On May 7, 2009, Direct Edge’s direct subsidiaries, EDGA and EDGX, each filed a Form 1 Application with the Commission, to own and operate registered national securities exchanges. On March 12, 2010, the Commission granted the Form 1 exchange registration applications of the EDGA and EDGX.

On June 7, 2011, Deutsche Börse, SIX Group, and SIX signed a definitive agreement for the Transaction, which would give Deutsche Börse a 100% indirect ownership interest in the currently jointly-owned Eurex Zürich. Deutsche Börse currently has a 50% direct ownership interest in Eurex Zürich. After the Transaction closes, Deutsche Börse would also have a 100% direct ownership interest in EGD, which would have a 50% direct ownership interest in Eurex Zürich. Accordingly, SIX and SIX Group would no longer have an indirect ownership interest in the Exchanges.

Section 19(b) of the Act and Rule 19b–4 thereunder require a self-regulatory organization ("SRO") to file proposed rule changes with the Commission. Although the Upstream Owners are not SROs, the Resolution, the Trust and the Bylaws, along with other corporate documents, are rules of an exchange if they are stated

In approving the proposed rule changes, the Commission has considered their impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).
14 See Section 3(a)(27) of the Act, 15 U.S.C. 78c(a)(27). If EDG decides to change its Resolutions or governing documents, as applicable, EGD must...
The Resolution is designed to maintain the independence of each Exchange’s self-regulatory functions, enable each Exchange to operate in a manner that complies with the U.S. federal securities laws, including the objectives and requirements of Sections 6(b) and 19(g) of the Act, and facilitate the ability of each Exchange and the Commission to fulfill their respective regulatory and oversight obligations under the Act.

For example, the Amended and Restated Certificate of Incorporation of ISE Holdings (“Holdings Certificate”) currently provides that no person, either alone or together with its related persons, may own, directly or indirectly, more than 40% (or 20%, if the person is a member as such term is defined in Section 3(a)(3)(A) of the Act) of any of the Exchanges (each such member, an “EDGA Member”, “EDGX Member” or “ISE Member”) of ISE Holdings capital stock that has the right by its terms to vote in the election of the board of directors of ISE Holdings (the “Holdings Board”) or on other matters (other than matters affecting the rights, preferences, or privileges of the said capital stock) (“ISE Ownership Limit”). The Holdings Certificate also provides that no person, either alone or together with its related persons, may, directly or indirectly, vote or cause the voting of more than 20% of the ISE Holdings capital stock that has the right by its terms to vote in the election of the Holdings Board or on other matters (other than matters affecting the rights, preferences, or privileges of the said capital stock) (“ISE Voting Limit”).16

The Fifth Amended and Restated Operating Agreement of Direct Edge (“DE Operating Agreement”) contains similar ownership and voting limitations. The DE Operating Agreement currently provides that no person, either alone or together with its related persons, may own, directly or indirectly, Units representing in the aggregate a Percentage Interest of more than 40% (or 20%, if the person is an Exchange Member) and, with the ISE Ownership Limit, the “Ownership Limits”). The DE Operating Agreement also provides that no person, either alone or together with its related persons, may, directly, indirectly or pursuant to any voting trust, agreement, plan or other arrangement, vote or cause voting of Units or give any consent or proxy with respect to Units representing a Percentage Interest of more than 20% (the “DE Voting Limit”) and, with the ISE Voting Limit, the “Voting Limit”).20

To facilitate compliance with the Ownership Limit and Voting Limit, the Resolution provides that EGD shall take reasonable steps necessary to cause ISE Holdings to be in compliance with the ISE Ownership Limit and ISE Voting Limit and Direct Edge to be in compliance with the DE Ownership Limit and DE Voting Limit. Further, the Resolution would require EGD to notify the board of directors of the Exchanges and the Trust (as described below) if any person, either alone or together with its related persons, acquires 20%, 33 1/3%, 45%, 50%, or 66 2/3 or more of the shares of stock then-outstanding shares of stock of EGD.

The Commission finds the provisions in the Resolution, requiring EGD to take reasonable steps necessary to cause ISE Holdings and Direct Edge to be in compliance with their respective Ownership Limits and Voting Limits, consistent with the Act. These provisions should minimize the potential that a person could improperly interfere with, or restrict the ability of, the Commission or the Exchanges to effectively carry out their regulatory oversight responsibilities under the Act.

Further, the provisions in the Resolution requiring notification to the board of directors of the Exchanges and the Trust upon acquisition of certain ownership percentage of EGD should help facilitate the ability of the Exchanges to comply with their responsibilities under the Act.

The Resolution also provides that EGD will comply with the U.S. federal securities laws and the rules and regulations thereunder and shall cooperate with the Commission and the

16 The form of Resolution differs from the Previous Resolutions in that the Resolution would explicitly reference EDGA and EDGX, and the FINMA procedure would allow EGD to provide information relating to the activities of the

Exchanges to the Commission through Eurex Zürich, which would provide such information to FINMA, in the Previous Resolutions incorporated EDGA and EDGX by reference, and the FINMA procedure allows SIX, SIX Group, and Eurex Zürich to provide information relating to the activities of the Exchanges to the Commission, directly through FINMA. See supra note 12.

Exchanges. Also, each board member, officer, and employee of the EGD, in discharging his or her responsibilities, shall comply with the U.S. federal securities laws and the rules and regulations thereunder, cooperate with the Commission, and cooperate with each Exchange. In discharging his or her responsibilities as a board member of EGD, each such member must, to the fullest extent permitted by applicable law, take into consideration the effect that the actions of the EGD would have on the ability of the Exchanges to carry out their respective responsibilities under the Act. In addition, EGD, its board members, officers and employees shall give due regard to the preservation of the independence of the self-regulatory function of the Exchanges.

Further, EGD (along with their respective board members, officers, and employees) agrees to keep confidential, to the fullest extent permitted by applicable law, all confidential information pertaining to the self-regulatory function of the Exchanges, including, but not limited to, confidential information regarding disciplinary matters, trading data, trading practices, and audit information, contained in the books and records of the Exchanges and not use such information for any commercial purposes. In addition, books and records of EGD related to the activities of the Exchanges will at all times be made available for inspection and copying by the Commission and the Exchanges, subject, where necessitated by Swiss law, to certain procedures. Moreover, for so long as EGD directly or indirectly controls the Exchanges, the books, records, officers, directors, and employees of the Exchanges shall be deemed to be the books, records, officers, directors, and employees of the Exchanges.

To the extent involved in the activities of the Exchanges, EGD, its board members, officers, and employees irrevocably submit to the jurisdiction of the U.S. federal courts and the Commission for purposes of any action arising out of, or relating to, the activities of the Exchanges. Moreover, EGD acknowledges that it is responsible for reviewing possible violations of the Act, the rules and regulations thereunder, and rules of EDGA, EDGX and ISE to EDGA, EDGX and ISE, respectively. In addition, EGD represents that it will become a party to an agreement among Deutsche Börse, Eurex Frankfurt, Eurex Zürich, SIX, SIX Group, U.S. Exchange Holdings, ISE Holdings and each of the Exchanges to provide adequate funding for the Exchanges’ regulatory responsibilities.

The Resolution also requires that any change to the Resolution (including any action by EGD that would have the effect of changing the Resolutions), be submitted to the board of directors of each Exchange. If such change must be filed with, or filed with and approved by, the Commission under Section 19 of the Act and the rules thereunder, then such change shall not be effective until filed with, or filed with and approved by, the Commission. This requirement to submit changes to the board of directors of each Exchange continues for so long as EGD, directly or indirectly, controls the Exchanges.

Finally, the Resolution also provides that, where necessitated by Swiss law, EGD will provide information related to the activities of the Exchanges, including books and records of EGD related to the activities of the Exchanges, to the Commission promptly through Eurex Zürich, which will, in turn, provide such information to the Swiss Financial Market Supervisory Authority ("FINMA"). Moreover, oral exchanges between EGD and the Commission related to the activities of the Exchanges will include the participation of Eurex Zürich and the FINMA, through its oversight of Eurex Zürich as a regulated legal entity, where necessitated by Swiss law. Swiss law designed to protect Swiss sovereignty raises concerns about the ability of the EGD to provide the Commission with direct access to information, including books and records, related to the activities of the Exchanges. In order not to run afoul of Swiss law and to facilitate the Transaction, the Commission and the FINMA have developed a procedure ("Procedure") under which the FINMA undertakes to serve as a conduit for unfiltered delivery of books and records of EGD related to the activities of the Exchanges.

Pursuant to the Procedure, where necessitated by Swiss law, if the Commission or the staff makes a request to EGD for information related to the activities of the Exchanges, including books and records of EGD related to the activities of the Exchanges, the FINMA shall deliver to the Commission or the staff, without delay, any responsive information provided to the FINMA by EGD through Eurex Zürich. Written requests for information, including book and records, related to the activities of the Exchanges shall be made by the Commission or the staff directly to EGD, and the FINMA will be copied on any such requests. Moreover, a FINMA staff member shall participate in any oral exchanges between the Commission, EGD and Eurex Zürich.

Notwithstanding this Procedure, EGD would remain fully responsible for meeting all of its obligations as an owner of the Exchanges. The Commission finds that these provisions of the Resolutions are consistent with the Act. These provisions are intended to assist the Exchanges in fulfilling their respective self-regulatory obligations and in administering and complying with the requirements of the Act.

The Commission notes that while the Resolution does not provide that books and records of EGD related to the...
activities of the Exchanges will be maintained within the U.S., such books and records are deemed to be the books and records of the Exchanges, and EGD has committed in the Resolution to make available, at all times, such books and records for inspection and copying by the Commission and the Exchanges.\footnote{See supra note 29.}

Moreover, if EGD fails to make its books and records available to the Commission, the Commission could bring an action under, among other provisions, Section 17 of the Act and Rule 17a–1(b) thereunder \footnote{15 U.S.C. 78q.} against EGD pursuant to Section 19(b) of the Act.\footnote{15 U.S.C. 78u–3.} The Commission believes that EGD’s representations and commitments, together with the Trustees’ and the Commission’s authority, will allow the Exchanges to meet their respective obligations under Section 17 of the Act and the rules thereunder.

The Commission also notes that, for EGD, FINMA will serve as a conduit for the delivery of information related to the activities of the Exchanges. The Commission’s usual practice is to have direct access to books and records related to the activities of a U.S. securities exchange. However, subject to the condition that EGD will promptly deliver such information to the Commission via the Procedure, coupled with the fact that under the Exchanges’ rules all trading records of the Exchanges are required to be maintained in the U.S.,\footnote{17 CFR 240.17a–1(b).} the Commission believes that the provisions of the Resolutions related to the Commission’s access to books and records through the FINMA should not result in a level of access materially different from that agreed to by other entities that control U.S. securities exchanges. Finally, the Commission notes that under Section 8(b)(2) of the Act,\footnote{15 U.S.C. 78b(2).} any person with a controlling interest in the Exchanges shall be jointly and severally liable with and to the same extent that the Exchange is liable under any provision of the Act, unless the controlling person acted in good faith and did not directly or indirectly induce the act or acts constituting the violation or cause of action. In addition, Section 20(e) of the Act\footnote{15 U.S.C. 78s(h).} creates aiding and abetting liability for any person who knowingly provides substantial assistance to another person in violation of any provision of the Act or rule thereunder. Further, Section 21C of the Act\footnote{17 CFR 240.19b–4.} authorizes the Commission to enter a cease-and-desist order against any person who has been “a cause of” a violation of any provision of the Act through an act or omission that the person knew or should have known would contribute to the violation. These provisions are applicable to the dealings of EGD with the Exchanges.

C. Trust

The Exchanges propose to amend certain provisions of the Trust in connection with the Transaction. The Trust serves four general purposes: (i) To accept, hold and dispose of Trust Shares\footnote{17 CFR 240.17a–1(b).} on the terms and subject to the conditions set forth therein, (ii) to determine whether a Material Compliance Event\footnote{17 CFR 240.17a–1(b).} has occurred or is continuing; (iii) to determine whether the occurrence or continuation of a Material Compliance Event requires the exercise of the Call Option;\footnote{17 CFR 240.17a–1(b).} and (iv) to transfer Deposited Shares from the Trust to the Trust Beneficiary\footnote{17 CFR 240.17a–1(b).} as provided in Section 4.2(h) therein.

The Exchanges propose to update the recitals of the Trust, remove references to SIX and SIX Group from the definition of “Affected Affiliate” in Section 1.1 of the Trust, add a reference to EGD in the definition of “Affected Affiliate” in Section 1.1 of the Trust, remove SIX’s address from the notice provisions in Section 8.8 of the Trust, and add EGD’s address to the notice provisions in Section 8.8 of the Trust. The Exchange also proposes to correct several typographical errors in the Trust.

As discussed above, Section 19(b)(1) of the Act and Rule 19b–4 thereunder require an SRO to file a proposed rule change with the Commission. Although the Trust is not an SRO, certain provisions of the Trust Agreement are rules of an exchange if they are stated policies, practice, or interpretations, as defined in Rule 19b–4 under the Act,\footnote{15 U.S.C. 78s(h).} and must therefore be filed with the Commission pursuant to Section 19(b)(4) of the Act and Rule 19b–4 thereunder. Accordingly, the Exchange has filed the Trust Agreement with the Commission.

The Commission finds that the amendments to the Trust’s provisions are consistent with the Act and that they are designed to facilitate the Exchanges’ ability to comply with the requirements of the Act.

D. Waiver of the ISE Holdings Ownership and Voting Limits

The Holdings Board may waive the ISE Ownership Limit and ISE Voting Limit in an amendment to the Bylaws if, in connection with the adoption of such amendment, the board of directors in its sole discretion adopts a resolution stating that it is the determination of the board of directors that such amendment: • Will not impair the ability of ISE Holdings, its stockholders and the Exchanges; • will not impair the Commission’s ability to enforce the Act; • for so long as ISE Holdings directly or indirectly controls the Exchanges, neither such person nor any of its related persons is an ISE Member, EDGA Member or EDGX Member; and • neither such person nor any of its related persons is subject to any statutory disqualification” (as such term is defined in Section 3(a)(39) of the Act).\footnote{15 U.S.C. 78s(h).}

Such amendment shall not be effective unless it has been filed with and approved by the Commission under Section 19(b) of the Act.\footnote{15 U.S.C. 78s(h).} Acting pursuant to this waiver provision, the Holdings Board has approved the amendment to the Bylaws.

\footnote{See Amended and Restated Certificate of Incorporation of ISE Holdings, Article FOURTH, Section III, and Amended and Restated Bylaws of ISE Holdings, Article XI.}
in order to permit EGD to indirectly own 50% of the outstanding common stock of ISE Holdings as of and after consummation of the Transaction. In adopting such amendment, the Holdings Board made the necessary determinations and approved the submission of the proposed rule change to the Commission. Specifically, each Exchange represented that it will continue to operate and regulate its respective market and members exactly as it has done prior to the Transaction.

In addition, each Exchange stated that Transaction will not impair the ability of ISE Holdings, such Exchange, or any facility thereof, to carry out their respective functions and responsibilities under the Exchange Act and will not impair the ability of the Commission to enforce the Exchange Act.

The Exchanges also stated that the Holdings Board determined that ownership of ISE Holdings by EGD is in the best interests of ISE Holdings, its shareholders, and the Exchanges. In addition, neither EGD, nor any of its related persons, is (1) an ISE Member; (2) an EDGA Member; (3) an EDGX Member; or (4) subject to any "statutory disqualification." In light of these representations and findings, the Commission believes it is consistent with the Act to allow EGD to indirectly own 50% of the outstanding common stock of ISE Holdings. EGD has also included in the Resolution certain provisions designed to maintain the independence of the Exchanges' self-regulatory functions from EGD and Deutsche Börse. Accordingly, the Commission believes that the indirect ownership of ISE Holdings by EGD will not impair the ability of the Commission or any of the Exchanges to discharge their respective responsibilities under the Act.

III. Conclusion

For the foregoing reasons, the Commission finds that the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to a national securities exchange.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act that the proposed rule changes (SR–EDGA–2012–08, SR–EDGX–2012–07, SR–ISE 2012–21) are approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.

Elizabeth M. Murphy,
Secretary.
