AGENCY: Environmental Protection Agency (EPA).

ACTION: Announcement of second public hearing and extension of public comment period.

SUMMARY: In addition to the public hearing previously scheduled for this action, EPA is holding a second public hearing at a different location earlier in the day on May 3, 2012. The public hearings are for the proposed rule, “Approval and Promulgation of Air Quality Implementation Plans; State of Nevada; Regional Haze State and Federal Implementation Plans; BART Determination for Reid Gardner Generating Station.” EPA also is extending the closing date of the public comment period for the proposed rule to June 4, 2012, to allow for 30 days of public comment following the public hearings.

DATES: The second public hearing is on May 3, 2012. Any comments on this proposal are due by June 4, 2012.

ADDRESSES: Public hearings: EPA will hold a second public hearing at the Big Auditorium in the Moapa Band of Paiutes Administration Building on 1 Lincoln Street (cross street is Reservation Road) in Moapa, Nevada. The formal hearing will begin at 1 p.m. and end at 4 p.m. An informational open house at the same location will precede the public hearing from 11:30 a.m. to 12:30 p.m. We will not record public comments at the open house.

The proposed rule (77 FR 21896, Apr. 12, 2012) for which EPA will hold the public hearings is available at http://www.epa.gov/region9/air/actions/nv.html#reid and also in the docket identified below. The public hearings will provide interested parties the opportunity to present data, views, or arguments concerning the proposal. EPA may ask clarifying questions during the oral presentations, but will not respond to the presentations at that time. We will consider written statements and supporting information submitted during the comment period with the same weight as any oral comments and supporting information presented at the public hearings.
