I. Background

The Commission adopted rule 206(4)–5 in July 2010 to prohibit an investment adviser from providing advisory services for compensation to a government client for two years after the adviser or certain of its executives or employees (“covered associates”) make a contribution to certain elected officials or candidates.1 In November 2010, the Commission proposed new rules and rule amendments under the Advisers Act to implement provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act.2 In that release, the Commission also proposed several amendments to rule 206(4)–5, including a minor change to the rule’s definition of a “covered associate” to replace the word “individual” with the word “person.” However, the text of rule 206(4)–5(f)(2)(i) published in the “Text of Rule and Form Amendments” section of the Implementing Adopting Release, incorrectly reflected the replacement of the word “individual” with the word “person,” as though that proposed change had been adopted. To correct this mistake, the Commission is making a technical amendment to rule 206(4)–5(f)(2)(i) to replace the word “person” with the word “individual.”

II. Certain Findings

Under the Administrative Procedure Act (“APA”), notice of proposed rulemaking is not required when an agency, for good cause, finds “that notice and public procedure thereon are impracticable, unnecessary, or contrary to the public interest.” The Commission is making a technical amendment to rule 206(4)–5 to reflect the Commission’s stated intent in the Implementing Adopting Release. The Commission finds that because the amendment is technical and is being made solely to correct a mistake, publishing the amendment for comment is unnecessary.8 The APA also requires publication of a rule at least 30 days before its effective date unless the agency finds otherwise for good cause.9 For the same reasons described above with respect to notice and opportunity for comment, the Commission finds that there is good cause for this technical amendment to take effect on May 15, 2012.

The amendment the Commission is adopting does not make substantive or material modifications to any collection of information requirements as defined by the Paperwork Reduction Act of 1995, as amended.10

The Commission is sensitive to the costs and benefits of its rules. The rule amendment the Commission is adopting today is technical and is being made solely to correct a mistake and therefore will have minimal, if any, economic effect.

III. Statutory Text and Text of Amendment

We are adopting this technical amendment to rule 206(4)–5 under the authority set forth in sections 206(4) and 211(a) of the Advisers Act.11

(18) Parasiticides. Prohibited in slaughter stock, allowed in emergency treatment for dairy and breeder stock when organic system plan-approved preventive management does not prevent infestation. Milk or milk products from a treated animal cannot be labeled as provided for in subpart D of this part for 90 days following treatment. In breeder stock, treatment cannot occur during the last third of gestation if the progeny will be sold as organic and must not be used during the lactation period for breeding stock.

1. Ivermectin (CAS # 70288–86–7).
5. Moxidectin (CAS # 113507–06–5).
6. The Act is necessary to implement the Consumer Protection Act.2 In that amendment, the Commission specified in the “Discussion” section of the Implementing Adopting Release that it was not adopting the proposed amendment to the definition of “covered associate,” i.e., that the definition would continue to use the word “individual.” However, the text of rule 206(4)–5(f)(2)(i) published in the “Text of Rule and Form Amendments” section of the Implementing Adopting Release, incorrectly reflected the replacement of the word “individual” with the word “person,” as though that proposed change had been adopted. To correct this mistake, the Commission is making a technical amendment to rule 206(4)–5(f)(2)(i) to replace the word “person” with the word “individual.”
7. 7 U.S.C. 553(b).
8. For similar reasons, the amendment does not require analysis under the Regulatory Flexibility Act (“RFA”) or analysis of major rule status under the Small Business Regulatory Enforcement Fairness Act. See 5 U.S.C. 601(2) (for purposes of RFA analysis, the term “rule” means any rule for which the agency publishes a general notice of proposed rulemaking); and 5 U.S.C. 804(3)(C) (for purposes of Congressional review of agency rulemaking, the term “rule” does not include any rule of agency organization, procedure or practice that does not substantially affect the rights or obligations of non-agency parties).

PENSION BENEFIT GUARANTY CORPORATION

29 CFR Part 4022

Benefits Payable in Terminated Single-Employer Plans; Interest Assumptions for Paying Benefits

AGENCY: Pension Benefit Guaranty Corporation.

ACTION: Final rule.

SUMMARY: This final rule amends the Pension Benefit Guaranty Corporation’s regulation on Benefits Payable in Terminated Single-Employer Plans to prescribe interest assumptions under the regulation for valuation dates in June 2012. The interest assumptions are used for paying benefits under terminating single-employer plans covered by the pension insurance system administered by PBGC.

DATES: Effective June 1, 2012.

Klion (Klion.Catherine@pbgc.gov), Manager, Regulatory and Policy Division, Legislative and Regulatory Department, Pension Benefit Guaranty Corporation, 1200 K Street, NW., Washington, DC 20005, 202–326–4024. SUPPLEMENTARY INFORMATION: PBGC’s regulation on Benefits Payable in Terminated Single-Employer Plans (29 CFR part 4022) prescribes actuarial assumptions —including interest assumptions—for paying plan benefits under terminating single-employer plans covered by title IV of the Employee Retirement Income Security Act of 1974. The interest assumptions in the regulation are updated on PBGC’s Web site (http://www.pbgc.gov). PBGC uses the interest assumptions in Appendix B to Part 4022 to determine whether a benefit is payable as a lump sum and to determine the amount to pay. Appendix C to Part 4022 contains interest assumptions for private-sector pension practitioners to refer to if they wish to use lump-sum interest rates determined using PBGC’s historical methodology. Currently, the rates in Appendices B and C of the benefit payment regulation are the same.

The interest assumptions are intended to reflect current conditions in the financial and annuity markets. Assumptions under the benefit payments regulation are updated monthly. This final rule updates the benefit payments interest assumptions for June 2012.1

The June 2012 interest assumptions under the benefit payments regulation will be 1.25 percent for the period June 2012 through May 2013.

1 Appendix B to PBGC’s regulation on Allocation of Assets in Single-Employer Plans (29 CFR Part 4044) prescribes interest assumptions for valuing benefits under terminating covered single-employer plans for purposes of allocation of assets under ERISA section 4044. Those assumptions are updated quarterly.

2. In appendix B to part 4022, Rate Set 224, as set forth below, is added to the table.
