SUPPLEMENTARY INFORMATION:

On January 24, 2012, the Department of Commerce (the “Department”) published a notice of initiation of antidumping duty investigations of utility scale wind towers from the People’s Republic of China and the Socialist Republic of Vietnam.¹ The notice of initiation stated that the Department, in accordance with section 773(b)(1)(A) of the Tariff Act of 1930, as amended (the “Act”), and 19 CFR 351.205(b)(1), would issue its preliminary determinations for these investigations, unless postponed, no later than 140 days after the date of the initiation. The preliminary determinations of these antidumping duty investigations are currently due no later than June 6, 2012.

On May 3, 2012, the Wind Tower Trade Coalition (“Petitioner”), pursuant to section 733(c)(1)(A) of the Act and 19 CFR 351.205(b)(2) and (e), made a timely request for postponement of the preliminary determinations in these investigations.² Petitioner requested a 50-day postponement of the preliminary determinations in order to provide the Department with sufficient time to review the questionnaire responses and issue appropriate requests for clarification and additional information.

Because there are no compelling reasons to deny the request, the Department, in accordance with section 733(c)(1)(A) of the Act, is postponing the deadline for the preliminary determinations to no later than 190 days after the date on which the Department initiated these investigations. Therefore, the new deadline for issuing these preliminary determinations is July 26, 2012.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Lynn Fischer Fox,

Acting Assistant Secretary for Import Administration.
