SUPPLEMENTARY INFORMATION: On February 24th, 2012, Interior published a notice in the Federal Register seeking public comment on the formation of a multi-stakeholder group to implement USEITI (74 FR 11151). In that notice, Interior stated that it would hold a series of public listening sessions to provide additional opportunities for public comment. In March, Interior held those listening sessions in St. Louis, Missouri; Denver, Colorado; Houston, Texas; and Washington, DC. The Consensus Building Institute (CBI), an independent third-party facilitator, analyzed the input from these four public listening sessions, interviews with potential stakeholders, and written comments that were submitted to Interior. This input has formed the basis of CBI’s independent stakeholder assessment and findings regarding options for establishing the U.S. multi-stakeholder group, which will be responsible for implementing USEITI.

Starting May 18, the CBI stakeholder assessment will be available online at www.doii.gov/eiti. Alternatively, you may request a copy of the assessment from Ben Nussdorf, whose contact information is listed previously in this notice. We encourage stakeholders and members of the public to participate in public comment period from May 18–
