Turlock Irrigation District; Notice of Availability of Navigability Report for the Tuolumne River, Request for Comments, and Notice of Pending Jurisdictional Inquiry

On June 10, 2011, the Federal Energy Regulatory Commission (Commission) received an inquiry from the National Marine Fisheries Service, National Oceanic and Atmospheric Administration, concerning the status of the unlicensed La Grange Hydroelectric Project. The project is located on the Tuolumne River near the town of La Grange in Tuolumne County, California.

As part of its review, Commission staff is investigating the jurisdictional status of the project and has prepared a navigability report for the Tuolumne River. Before making its decision, staff will accept and consider comments on the navigability report. Comments may be filed no later July 2, 2012.

Section 23(b)(1) of the Federal Power Act (FPA) requires a Commission license for the construction, operation, or maintenance of hydropower projects which: (1) Are located on navigable waters of the United States; (2) occupy public lands or reservations of the United States; (3) utilize the surplus
