OMB Control Number: 1845–0039.

Title of Collection: Pell Grant, ACG, and National SMART Programs (54 FR 25818, June 19, 1989); Guidelines on the Conduct of Matching Programs (54 FR 25818, June 19, 1989); Management and Budget (OMB) Guidelines on the Conduct of Matching Programs (54 FR 25818, June 19, 1989); and OMB Circular A–130:

1. Names of Participating Agencies
The Department of Education (recipient agency) and the Department of Defense (source agency).

2. Purpose of the Match
The purpose of this matching program is to ensure that the requirements of sections 420R and 473(b) of the HEA (20 U.S.C. 1070h) and 20 U.S.C. 1087mm(b)) are fulfilled.

DoD is the lead contact agency for information related to benefits for military service dependents and, as such, provides this data to ED. ED (recipient agency) seeks access to the information contained in the DoD (source agency) Defense Manpower Data Center (DMDC) system and the Defense Enrollment Eligibility Reporting System (DEERS).

3. Authority for Conducting the Matching Program
Under sections 420R and 473(b) of the HEA (20 U.S.C. 1070h and 20 U.S.C. 1087mm(b)), ED must identify the children of military personnel who have died as a result of their military service in Iraq or Afghanistan after September 11, 2001, to determine if the child is eligible for increased amounts of Title IV, HEA program assistance. DoD and ED have determined that using DoD data provided to ED for matching against ED’s Federal Student Aid Application File (18–11–01) is the only practical method that the agencies can use to meet the statutory requirements of the HEA.

4. Categories of Records and Individuals Covered by the Match
DoD will submit for verification records from its DMDC and DEERS data bases to ED’s Central Processing System files (Federal Student Aid Application File (18–11–01)), the Social Security number (SSN) and other identifying information for each qualifying dependent record. ED will use the SSN, date of birth, and the first two letters of an applicant’s last name to match with the Federal Student Aid Application File.

The DoD DMDC and DEERS systems contain the names, SSNs, dates of birth, and other identifying information about dependents of service personnel who died as a result of performing their military service in Iraq or Afghanistan after September 11, 2001. This system of records also contains the date the servicemember died.

5. Effective Dates of the Matching Program
The matching program will be effective on the last of the following dates: (1) August 1, 2012; (2) 30 days after notice of the matching program has been published in the Federal Register; or (3) 40 days after a report concerning the matching program has been transmitted to OMB and transmitted to the Congress along with a copy of this agreement, unless OMB waives 10 days of this 40-day period for compelling reasons shown, in which case, 30 days after transmission of the report to OMB and Congress.

The matching program will continue for 18 months after the effective date of the departmental matching agreement and may be extended for an additional 12 months thereafter, if the conditions
