

(2) No classified information should be included within the initial appeal correspondence. The Executive Secretary will arrange for the transmittal of classified information from the agency after receiving the appeal. If it is impossible for the appellant to file an appeal without including classified information, prior arrangements must be made by contacting the Panel in one of the two methods listed above.

(c) *Timeliness of appeals.* An appeal to the ISCAP must be filed within 60 days of:

(1) The date of the final agency decision; or

(2) The agency's failure to meet the time frames established in paragraph (a)(3)(i) and (ii) of this section.

(d) *Rejection of appeals.* If the Executive Secretary determines that an appeal does not meet the requirements of the Order or these bylaws, the Executive Secretary notifies the appellant in writing that the appeal will not be considered by the ISCAP. The notification includes an explanation of why the appeal is deficient.

(e) *Preparation of appeals and creation of appeals files.* The Executive Secretary notifies the senior agency official or primary member, alternate, or liaison of the affected agency(ies) when an appeal is lodged. Under the direction of the ISCAP, the Executive Secretary supervises the preparation of an appeal file, pertinent portions of which are presented to the members of the Panel for review prior to a vote on the appeal. The appeal file eventually includes all records pertaining to the appeal.

(f) *Narrowing appeals.* To expedite the resolution of appeals and minimize backlogs, the Executive Secretary consults as relevant with appellants and agencies to narrow or prioritize the information subject to the appeal.

(g) *Resolution of appeals.* The Panel may vote to affirm the agency's decision, to reverse the agency's decision in whole or in part, or to remand the matter to the agency for further consideration. A decision to reverse an agency's decision requires the affirmative vote of at least a majority of the members present. In circumstances in which members abstain from voting, a Panel decision to reverse an agency's classification decision requires the affirmative vote of at least a majority of the members present.

(h) *Notification.* The Executive Secretary promptly notifies the appellant and designated senior agency official in writing of the Panel's decision.

(i) *Agency appeals.* Within 60 days of receipt of an ISCAP decision that

reverses a final agency decision, the agency head may petition the President through the National Security Advisor to overrule the Panel's decision.

(j) *Protection of classified information.* All persons involved in the appeal will make every effort to minimize the inclusion of classified information in the appeal file. Any classified information contained in the appeal file is handled and protected in accordance with the Order and its implementing directives. Information that is subject to an appeal from an agency decision denying declassification under the mandatory review provisions of the Order remains classified unless and until a final decision is made to declassify it.

(k) *Maintenance and disposition of file.* The Executive Secretary shall maintain the appeal file among the ISCAP's records in accordance with 44 U.S.C. 2201–2207 (Presidential Records Act).

§ 2003.14 Dissemination of ISCAP decisions.

The Executive Secretary informs senior agency officials and the public of final ISCAP decisions on appeals under sections 1.8 and 3.5 of the Order.

§ 2003.15 Additional functions.

As directed by the President through the National Security Advisor, the ISCAP performs such additional advisory functions as are consistent with, and supportive of, the successful implementation of the Order.
