various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the FOR FURTHER INFORMATION CONTACT section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of $100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This action is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves the establishment of safety zones. This rule is categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under ADDRESSES. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, and Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

§ 165.005 Safety zones; major motion picture filming, Atlantic Intracoastal Waterway, Southport, NC.

(a) Definitions. For the purposes of this environmental action, Captain of the Port means the Commander, Sector North Carolina. Representative means any Coast Guard commissioned, warrant, or petty officer who has been authorized to act on the behalf of the Captain of the Port.

(b) Location. The following area is a safety zone: This safety zone will encompass all waters on the Atlantic Intracoastal Waterway with a 300 yards radius of latitude 33°54.9’ North, longitude 078°01.44’ West. All geographic coordinates are North American Datum 1983 (NAD 83).

(c) Regulations. (1) The general regulations contained in § 165.23 of this part apply to the area described in paragraph (b) of this section.

(2) Persons or vessels requiring entry into or passage through any portion of the safety zone must first request authorization from the Captain of the Port, or a designated representative, unless the Captain of the Port previously announced via Marine Safety Radio Broadcast on VHF Marine Band Radio channel 22 (157.1 MHz) that this regulation will not be enforced in that portion of the safety zone. The Captain of the Port can be contacted at telephone number (910) 343–3882 or by radio on VHF Marine Band Radio, channels 13 and 16.

(d) Enforcement. The U.S. Coast Guard may be assisted in the patrol and enforcement of the zone by Federal, State, and local agencies.

(2) Enforce the rule from 8 p.m. to 6 a.m. from July 1, 2012 until July 27, 2012 and from 8 p.m. to 6 a.m. from August 1, 2012 until August 3, 2012 unless cancelled earlier by the Captain of the Port.

A. Popiel,

Captain, U.S. Coast Guard, Captain of the Port North Carolina.

33 CFR Part 165

[Docket No. USCG–2012–0600]

RIN 1625–AA00

Safety Zone; Detroit Symphony Orchestra at Ford House Fireworks, Lake St. Clair, Grosse Pointe Shores, MI

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone on
Lake St. Clair, Grosse Pointe Shores, MI. This temporary safety zone is necessary to protect spectators and vessels from the hazards associated with a fireworks display.

**DATES:** This rule will be effective from 10:15 p.m. on July 13 until 10:30 p.m. on July 14, 2012.

**ADDRESSES:** Documents mentioned in this preamble are part of docket [USCG-2012-0600]. To view documents mentioned in this preamble as being available in the docket, go to http://www.regulations.gov, type the docket number in the “SEARCH” box, and click “Search.” You may visit the Docket Management Facility, Department of Transportation, West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m. Monday through Friday, except Federal holidays.

**FOR FURTHER INFORMATION CONTACT:** If you have questions on this temporary rule, call or email LT Adrian Palomeque, Prevention Department, Sector Detroit, Coast Guard; telephone (313) 568–9508, email Adrian.F.Palomeque@uscg.mil. If you have questions on viewing or submitting material to the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202–366–9826.

### A. Regulatory History and Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency finds that good cause exists for making this rule effective less than 30 days after publication in the Federal Register. For the same reasons discussed in the preceding paragraph, waiting for 30 day notice period run would be impracticable and contrary to the public interest.

**Under 5 U.S.C. 553(d)(3),** the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the Federal Register. For the same reasons discussed in the preceding paragraph, waiting for 30 day notice period run would be impracticable and contrary to the public interest.

**B. Basis and Purpose**

Between 10:15 p.m. and 10:30 p.m. on July 13 and 14, 2012, a fireworks display will be held on Lake St. Clair near Grosse Pointe Shores, MI. The Captain of the Port Detroit has determined that fireworks launched proximate to a gathering of watercraft pose a significant risk to public safety and property. Such hazards include premature and accidental detonations, dangerous projectiles, and falling or burning debris.

### C. Discussion of Rule

With the aforementioned hazards in mind, the Captain of the Port Detroit has determined that this temporary safety zone is necessary to ensure the safety of spectators and vessels during the Detroit Symphony Orchestra at the Ford House Fireworks. This zone will be effective and enforced from 10:15 p.m. until 10:30 p.m. on July 13 and 14, 2012. This zone will encompass all waters of Lake St. Clair, Grosse Pointe Shores, MI within a 600 foot radius of position 42°27′15″N, 80°51′56″W (NAD 83) Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port Detroit or his designated on-scene representative. The Captain of the Port or his designated on-scene representative may be contacted via VHF Channel 16.

### D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

1. **Regulatory Planning and Review**

   This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563. Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders. It is not “significant” under the regulatory policies and procedures of the Department of Homeland Security (DHS). We conclude that this rule is not a significant regulatory action because we anticipate that it will have minimal impact on the economy, will not interfere with other agencies, will not adversely alter the budget of any grant or loan recipients, and will not raise any novel legal or policy issues. The safety zone created by this rule will be relatively small and enforced for a relatively short time. Also, the safety zone is designed to minimize its impact on navigable waters. Furthermore, the safety zone has been designed to allow vessels to transit around it. Thus, restrictions on vessel movement within that particular area are expected to be minimal. Under certain conditions, moreover, vessels may still transit through the safety zone when permitted by the Captain of the Port.

2. **Impact on Small Entities**

   The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601–612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

   This rule will affect the following entities, some of which might be small entities: The owners or operators of vessels intending to transit or anchor in a portion of Lake St. Clair on the evening of July 13 and 14, 2012.

   This safety zone will not have a significant economic impact on a substantial number of small entities for the following reasons: This safety zone would be activated, and thus subject to enforcement, for only fifteen minutes late in the evening. Traffic may be allowed to pass through the zone with the permission of the Captain of the Port. The Captain of the Port can be reached via VHF channel 16. Before the activation of the zone, we would issue local Broadcast Notice to Mariners.

3. **Assistance for Small Entities**

   Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for
compliance, please contact the person listed in the FOR FURTHER INFORMATION CONTACT section above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates those actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132. Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the FOR FURTHER INFORMATION CONTACT section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of $100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference With Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This action is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves the establishment of a safety zone and, therefore it is categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under ADDRESSES. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

2. Add § 165.T09–0600 to read as follows:

§165.T09–0600 Safety Zone; Detroit Symphony Orchestra at Ford House Fireworks, Lake St. Clair, Grosse Pointe Shores, MI

(a) Location. The safety zone will encompass all waters of Lake St. Clair, Grosse Pointe Shores, MI within a 600 foot radius of position 42°27′15″ N and 82°51′56″ W (NAD 83).

(b) Enforcement Period. This regulation will be enforced on July 13 and 14, 2012 from 10:15 p.m. until 10:30 p.m.

(c) Regulations. (1) In accordance with the general regulations in §165.23 of this part, entry into, transiting, or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port Detroit or his designated on-scene representative.

(2) This safety zone is closed to all vessel traffic, except as may be permitted by the Captain of the Port Detroit or his designated on-scene representative.

(3) The “on-scene representative” of the Captain of the Port Detroit is any Coast Guard commissioned, warrant or petty officer who has been designated by the Captain of the Port Detroit to act on his behalf.

(4) Vessel operators desiring to enter or operate within the safety zone shall contact the Captain of the Port Detroit or his on-scene representative to obtain
permission to do so. The Captain of the Port Detroit or his on-scene representative may be contacted via VHF Channel 16. Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the Captain of the Port Detroit, or his on-scene representative.

J.E. Ogden,
Captain, U.S. Coast Guard, Captain of the Port Detroit.

DEPARTMENT OF HOMELAND SECURITY
Coast Guard
33 CFR Part 165
[Docket Number USCG–2011–1000]
RIN 1625–AA00
Swim Events in the Captain of the Port New York Zone; Hudson River, East River, Upper New York Bay, Lower New York Bay; New York, NY

ACTION: Final rule.

SUMMARY: The Coast Guard is establishing seven temporary safety zones for swim events within the Captain of the Port (COTP) New York Zone. These zones will be established on the navigable waters of the Hudson River, East River, Upper New York Bay and Lower New York Bay. These temporary safety zones are necessary to protect the maritime public and event participants from the hazards associated with these events. Persons and vessels are prohibited from entering into, transiting through, mooring, or anchoring within the safety zones unless authorized by the COTP New York or the designated representative.

DATES: This rule is effective in the Federal Register from August 9, 2012 through September 16, 2012. This rule will be effective with actual notice for enforcement purposes from June 16, 2012, through August 9, 2012.

ADDRESSES: Documents mentioned in this preamble are part of docket [USCG–2011–1000]. To view documents mentioned in this preamble as being available in the docket, go to http://www.regulations.gov, type the docket number in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Ensign Kimberly Farnsworth, Coast Guard; telephone (718) 354–4163, email Kimberly.A.Farnsworth@uscg.mil. If you have questions on viewing or submitting material to the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone (202) 366–9826.

SUPPLEMENTAL INFORMATION:

Table of Acronyms

DHS Department of Homeland Security
FR Federal Register
NPRM Notice of Proposed Rulemaking
COTP Captain of the Port

A. Regulatory History and Information

On April 16, 2012, we published a notice of proposed rulemaking (NPRM) entitled Swim Events in the Captain of the Port New York Zone in the Federal Register (77 FR 22525). We received no comments on the proposed rule. No public meeting was requested and none was held.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the Federal Register. The NYC Triathlon Swim Clinic and the Iron Man Open Water Swim Clinics are scheduled to occur on June 16 and June 30, 2012, respectively. These two events will occur before 30 days has elapsed after the publication of the rule. The event sponsors are unable and unwilling to postpone these events because the dates of these events were chosen based on optimal tide, current, and weather conditions needed to promote the safety of swim participants. In addition, any change to the dates of the events would cause economic hardship on the marine event sponsors and negatively impact other activities being held in conjunction with these events, such as potentially causing numerous event participant cancellations.

B. Basis and Purpose

Marine events are frequently held on the navigable waters within the COTP Sector New York Zone. The COTP has determined that swim events in close proximity to marine traffic pose significant risk to public safety and property. The combination of increased numbers of recreation vessels, congested waterways, and large numbers of swimmers in the water has the potential to result in serious injuries or fatalities. In order to protect the safety of all waterway users including event participants and spectators, this rule establishes temporary safety zones for the duration of each event.

This rule prevents vessels from entering into, transiting through, mooring or anchoring within the areas specifically designated as regulated areas during the periods of enforcement unless authorized by the COTP, or the designated representative.

C. Discussion of Comments, Changes and the Final Rule

No comments were received. The Coast Guard made the following changes to this final rule that were not published in the NPRM:

The swim events listed in TABLE 1 of 165.T01–1000 were modified to now include rain dates. Rain dates are now included for the following events: Iron Man Open Water Swim Clinics, Verrazano Bridge Swim, Rose Pitolonof Swim, and Liberty to Freedom Swim. The sponsors advised that due to the limited reliability of weather forecast and predictions it was necessary to have rain dates in the event of unexpected adverse weather conditions.

In the NPRM, the Coast Guard proposed under Sec. 165.T01–1000(g) the following: “For all swim events listed in TABLE 1 to § 165.T01–1000, vessels not associated with the event shall maintain a separation of at least 100 yards from the participants.” The text in Sec. 165.T01–1000(g) now reads as follows: “For all swim events listed in the TABLE to § 165.T01–1000, vessels not associated with the event that are permitted to enter the regulated areas in accordance with section (c), shall maintain a separation of at least 100 yards from the participants.”

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking.
