Estimated Annual Reporting and Recordkeeping “Non-hour” Cost Burden: We have identified no “non-hour cost” burden associated with this collection of information.

Public Disclosure Statement: The PRA (44 U.S.C. 3501 et seg.) provides that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Comments: Section 3506(c)(2)(A) of the PRA requires each agency to “* * * provide a 60-day notice in the Federal Register * * * and otherwise consult with members of the public and affected agencies concerning each proposed collection of information * * *.” Agencies must specifically solicit comments to (a) evaluate whether the proposed collection of information is necessary for the agency to perform its duties, including whether the information is useful; (b) evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information; (c) enhance the quality, usefulness, and clarity of the information that ONRR collects; and (d) minimize the burden on the respondents, including the use of automated collection techniques or other forms of information technology.

To comply with the public consultation process, we published a notice in the Federal Register on February 2, 2012 (77 FR 5268), announcing that we would submit this ICR to OMB for approval. The notice provided the required 60-day comment period. We received no unsolicited comments in response to the notice. If you wish to comment in response to this notice, you may send your comments to the offices listed under the ADDRESSES section of this notice. OMB has up to 60 days to approve or disapprove the information collection, but they may respond after 30 days. Therefore, in order to ensure maximum consideration, OMB should receive public comments by August 10, 2012.

Public Comment Policy: We post all comments, including names and addresses of respondents, at http://www.regulations.gov. Before including your address, phone number, email address, or other personal identifying information in your comment, be advised that we may make publicly available at any time your entire comment—including your personal identifying information. While you can ask us in your comment to withhold from public view your personal identifying information, we cannot guarantee that we will be able to do so.
