DEPARTMENT OF TRANSPORTATION

Office of the Secretary of Transportation

Letters of Interest for Credit Assistance Under the Transportation Infrastructure Finance and Innovation Act (TIFIA) Program

AGENCIES: Office of the Secretary of Transportation (OST), U.S. Department of Transportation (DOT), Federal Highway Administration (FHWA), Federal Railroad Administration (FRA), Federal Transit Administration (FTA).

ACTION: Notice of funding availability and request for comments.

SUMMARY: Pursuant to the recently enacted Moving Ahead for Progress in the 21st Century Act (MAP-21), DOT announces the availability of funding authorized in the amount of \$1.75 billion (\$750 million in Federal Fiscal Year (FY) 2013 funds and \$1 billion in FY 2014 funds (and any funds that may be available from prior fiscal years)) to provide TIFIA credit assistance for eligible projects. The FY 2013 and FY 2014 funds are subject to an annual obligation limitation that may be established in appropriations law. The amount of TIFIA budget authority available in a given year may be less than the amount authorized for that fiscal year. Under TIFIA, DOT provides secured (direct) loans, lines of credit, and loan guarantees to public and private applicants for eligible surface transportation projects. Projects must meet statutorily specified eligibility criteria to receive credit assistance.

This notice outlines the process that project sponsors must follow in seeking TIFIA credit assistance. DOT is publishing this notice to give project sponsors an opportunity to submit Letters of Interest for the newly authorized funding as soon as possible. However, in addition to authorizing more funding for TIFIA credit assistance, MAP-21 made some significant changes to the TIFIA program's structure, including the terms and conditions pursuant to which DOT can provide TIFIA credit assistance. While this notice provides guidance about how DOT will implement some of the changes made by MAP-21, it does

not provide guidance about how DOT will implement all of these changes. Further information about the changes made by MAP-21 and additional DOT guidance for implementation of these provisions is provided in Part VII below. Also, Part VII invites interested parties to submit comments about DOT's implementation of MAP-21 and DOT's guidance for awarding TIFIA credit assistance. Unless otherwise noted, statutory section references in this notice are to sections of title 23 of the U.S. Code, as amended by MAP-21, which takes effect on October 1, 2012.

Letter of Interest Submission: All project sponsors wishing to apply for TIFIA credit assistance must first submit a Letter of Interest, as more fully described in this notice of funding availability. Letters of Interest will be received on a rolling basis commencing on the date hereof, using the form on the TIFIA Web site: http://www.fhwa.dot.gov/ipd/tifia/guidance_applications/index.htm. Project sponsors that have previously submitted Letters of Interest for a prior fiscal year's funding, but have not been asked by DOT to submit an application as of the date of this notice, must submit a new Letter of Interest to be considered for the funding described in this notice of funding availability.

Addresses for Letters of Interest: Submit all Letters of Interest to the attention of Mr. Duane Callender via email at: TIFIAcredit@dot.gov. Submitters should receive a confirmation email, but are advised to request a return receipt to confirm transmission. Only Letters of Interest received via email, as provided above, shall be deemed properly filed.
