DATING: Comments regarding this proposed information collection must be received on or before September 6, 2012. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, please advise the DOE Desk Officer at OMB of your intention to make a submission as soon as possible. The Desk Officer may be telephoned at 202–395–4718.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument and instructions should be directed to Jason Worrall at the contact information above. Alternatively Mr. Worrall may be emailed at Jason.Worrall@eia.gov. Copies of the information collection instruments and instructions can also be viewed at http://www.eia.gov/survey.

SUPPLEMENTARY INFORMATION: This information collection request contains: (1) OMB No. 1905–0174; (2) Information Collection Request Title: Petroleum Marketing Program; (3) Type of Request: Renewal with Change; (4) Purpose: The Federal Energy Administration Act of 1974 (15 U.S.C. 761 et seq.) and the DOE Organization Act (42 U.S.C. 7101 et seq.) require EIA to carry out a centralized, comprehensive, and unified energy information program. This program collects, evaluates, assembles, analyzes, and disseminates information on energy resource reserves, production, demand, technology, and related economic and statistical information.

This information is used to assess the adequacy of energy resources to meet near and longer term domestic demands.

EIA’s petroleum marketing survey forms collect volumetric and price information needed for determining the supply of and demand for crude oil and refined petroleum products. These surveys provide a basic set of data pertaining to the structure, efficiency, and behavior of petroleum markets.

These data are published by EIA on its Web site, http://www.eia.gov, as well as in publications such as the Monthly Energy Review (http://www.eia.gov/
