SUMMARY: Pursuant to section 751(b) of the Tariff Act of 1930, as amended (“the Act”), and 19 CFR 351.216 and 351.221(b)(1), the Department of Commerce (“Department”) is initiating a changed circumstances review of the antidumping duty order on certain pasta from Italy (“pasta”) with respect to Delverde Industrie Alimentari S.p.A. (“Delverde Industrio”).
Effective July 1, 2008, gluten free pasta is also excluded from this order. The merchandise subject to this order is currently classifiable under items 1902.19.20 and 1901.90.9095 of the Harmonized Tariff Schedule of the United States (“HTSUS”). Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise subject to the order is dispositive.

Initiation of Changed Circumstances Review

Pursuant to section 751(b)(1) of the Act and 19 CFR 351.216(d), the Department will conduct a changed circumstances review upon receipt of information concerning, or a request from an interested party for a review of, an antidumping duty order which shows changed circumstances sufficient to warrant a review of the order. In antidumping duty changed circumstances reviews involving a successor-in-interest determination, the Department typically examines several factors including, but not limited to: (1) Management; (2) production facilities; (3) supplier relationships; and (4) customer base.

Based on the information Delverde Industrie submitted in its July 18, 2012, letter, we find that we have received information which shows changed circumstances sufficient to warrant initiation of such a review in order to determine whether Delverde Industrie is the successor-in-interest to Del Verde S.p.A.

Excluded from the scope of this order are refrigerated, frozen, or canned pastas, as well as all forms of egg pasta, with the exception of non-egg dry pasta containing up to two percent egg white. The pasta covered by this scope is typically sold in the retail market, in fiberboard or cardboard cartons, or polyethylene or polypropylene bags of varying dimensions.
