SUPPLEMENTARY INFORMATION: On July 6, 2012, the Commission established a schedule for this expedited review (77 FR 42762, July 20, 2012). On July 31, 2012 (77 FR 45337), the Department of Commerce published a notice extending its time limits for issuing preliminary and final results in the second five-year review of the antidumping duty order on Folding Gift Boxes from China. Given this extension by Commerce, the date for the Commission’s final determination is also extended pursuant to 19 U.S.C. 1675(c)(5)(B). Accordingly, the Commission is postponing the release of its staff report and final comment date until after Commerce’s preliminary determination scheduled for October 19, 2012. At that time, the Commission will establish revised dates for the release of the report and the submission of final comments.

For further information concerning this review see the Commission’s notice cited above and the Commission’s Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

Authority: This review is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.21 of the Commission’s rules.

Issued: August 8, 2012.

By order of the Commission.

Background: In his letter the USTR said that a number of participants in the Information Technology Agreement (ITA) have prepared a draft list of products that could be considered for addition to ITA product coverage, and that a more formal negotiating process is expected to begin in September 2012. The USTR furnished the Commission with a list of the products, which can be found at http://www.usitc.gov/research_and_analysis/ongoing/documents/Request_letter_332-532.pdf or http://www.usitc.gov/research_and_analysis/ongoing/documents/Request_letter_332-536.pdf. Section 115 of the URAA requires the President to obtain the advice of the Commission in connection with any modifications in duty that are subject to the consultation and layover requirements of section 115. The USTR has asked the Commission to provide advice and information in two reports and the Commission has instituted two separate investigations for the purpose of preparing these reports.

Investigation No. 332–532, The Information Technology Agreement: Advice and Information on the Proposed Expansion: Part 1

In its first report (investigation No. 332–352), the Commission will, as requested by the USTR and to the extent practicable, based on available information and information furnished by interested parties in response to this notice, (1) indicate both the information and communications technology (ICT) purposes and non-ICT purposes for which each product on the list is used, and (2) identify the products that U.S. industry and other interested parties view as import-sensitive. The Commission will provide this report to the USTR by October 24, 2012.

Investigation No. 332–536, The Information Technology Agreement: Advice and Information on the Proposed Expansion: Part 2

In its second report (investigation No. 332–356), the Commission will, as requested by the USTR and to the extent practicable, identify for each of the listed products: (1) Tariffs in major markets; (2) major producing countries; (3) leading U.S. export markets; and (4) leading sources of U.S. imports. The Commission will also provide an overview of selected key subsectors, and to the extent practicable, examine benefits to the U.S. industry of ITA.
expansion, including information on increased market access and export opportunities for products in these subsectors. The Commission will provide this report to the USTR by February 15, 2013.

Public Hearing: A public hearing in connection with investigation No. 332–536 will be held at the U.S. International Trade Commission Building, 500 E Street SW., Washington, DC, beginning at 9:30 a.m. on November 8, 2012. Requests to appear at the public hearing should be filed with the Secretary no later than 5:15 p.m., October 31, 2012. All pre-hearing briefs and statements should be filed no later than 5:15 p.m. November 2, 2012; and all post-hearing briefs and statements should be filed no later than 5:15 p.m. November 20, 2012. All such briefs and statements should otherwise comply with the filing requirements in the “Submissions” section below. In the event that, as of the close of business on October 31, 2012, no witnesses are scheduled to appear at the hearing, the hearing will be canceled. Any person interested in attending the hearing as an observer or nonparticipant should contact the Office of the Secretary at 202–205–2000 after October 31, 2012, for information concerning whether the hearing will be held.

Written Submissions: Interested parties are invited to file written submissions concerning both investigations. For investigation No. 332–532, interested parties are asked to provide information on (1) the ICT and non-ICT purposes for which products on the attached list are used, and (2) indicate which products they view as import-sensitive. Written submissions relating to investigation No. 332–532 should be received not later than 5:15 p.m., September 6, 2012. Written submission relating to investigation No. 332–536 should be received not later than 5:15 p.m., November 20, 2012.

Written submissions filed in connection with the respective investigations should focus on providing information of the kind described above that is relevant to the respective investigations and reports. All written submissions should be addressed to the Secretary. All written submissions must conform to the provisions of section 201.8 of the Commission’s Rules of Practice and Procedure (19 CFR 201.8). Section 201.8 and the Commission’s Handbook on Filing Procedures require that interested parties file documents electronically on or before the filing deadline and submit eight (8) true paper copies by 12:00 noon eastern time on the next business day. In the event that confidential treatment of a document is requested, interested parties must file, at the same time as the eight paper copies, at least four (4) additional true paper copies in which the confidential information must be deleted (see the following paragraph for further information regarding confidential business information). Persons with questions regarding electronic filing should contact the Secretary (202–205–2000). Any submissions that contain confidential business information must also conform to the requirements of section 201.6 of the Commission’s Rules of Practice and Procedure (19 CFR 201.6). Section 201.6 of the rules requires that the cover of the document and the individual pages be clearly marked as to whether they are the “confidential” or “non-confidential” version, and that the confidential business information be clearly identified by means of brackets. All written submissions, except for confidential business information, will be made available for inspection by interested parties.

In his request letter the USTR said that it is the intent of his office to make the Commission’s reports available to the public in their entirety, and asked that the Commission not include any confidential business information. Accordingly, any confidential business information received by the Commission in these investigations and used in preparing the respective reports will not be included in the reports that the Commission sends to the USTR and will not be published in a manner that would reveal the operations of the firm supplying the information.

Issued: August 8, 2012.

By order of the Commission.

Acting Secretary to the Commission.
