## DEPARTMENT OF ENERGY

### Western Area Power Administration

#### Pacific Northwest-Pacific Southwest Intertie Project—Rate Order No. WAPA-159

**AGENCY:** Western Area Power Administration, DOE.

**ACTION:** Notice of Order Temporarily Extending Transmission Service Rates.

**SUMMARY:** This action is to extend the existing Pacific Northwest-Pacific Southwest Intertie Project (Intertie) transmission services rates through September 30, 2013. The existing rates under Rate Schedules INT-FT4 and INT-NFT3 are set to expire September 30, 2012.

**FOR FURTHER INFORMATION CONTACT:** Mr. Jack Murray, Rates Manager, Desert Southwest Customer Service Regional Office, Western Area Power Administration, P.O. Box 6457, Phoenix, AZ 85005-6457, email [jmurray@wapa.gov](mailto:jmurray@wapa.gov).

**SUPPLEMENTARY INFORMATION:** Rate Schedules INT-FT4 and INT-NFT3 for Rate Order No. WAPA-130 were approved by the Federal Energy Regulatory Commission (FERC) for a 5-year period through September 30, 2012.<sup>1</sup> Western Area Power Administration (Western) is proposing to extend the existing rates under Rate Schedules INT-FT4 and INT-NFT3 pursuant to 10 CFR 903.23(b). Extending these rate schedules through September 30, 2013, will provide time for Western to complete an on-going rate adjustment process. Western initiated a public process to adjust the Intertie transmission service rates via publication of a **Federal Register** notice on June 11, 2012 (77 FR 34381). Western is extending the existing transmission service rates to allow sufficient time to evaluate comments and determine if modifications to the proposed rates are warranted.

By Delegation Order No. 00-037.00, effective December 6, 2001, the

<sup>1</sup> WAPA-130 was approved by FERC on a final basis on March 18, 2008, in Docket No. EF08-5191-000 (122 FERC ¶ 62,236).
