

**Wednesday, October 3, 2012***Plenary Discussion*

- WG-1 DO-315C draft review.
- WG-2 objectives and overview.

**Thursday, October 4, 2012***Plenary Discussion*

- WG-1 DO-315C draft review.
- Administrative items.
- Adjourn.

Attendance is open to the interested public but limited to space availability. With the approval of the chairman, members of the public may present oral statements at the meeting. Persons wishing to present statements or obtain information should contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section. Members of the public may present a written statement to the committee at any time.

Issued in Washington, DC, on September 6, 2012

**David Sicard,**

*Manager, Business Operations Group, Federal Aviation Administration.*

**BILLING CODE 4910-13-P**

**DEPARTMENT OF TRANSPORTATION****Federal Motor Carrier Safety Administration**

[Docket No FMCSA-2011-0097]

**Pilot Program on NAFTA Trucking Provisions**

**AGENCY:** Federal Motor Carrier Safety Administration (FMCSA), DOT.

**ACTION:** Notice; request for public comment.

**SUMMARY:** FMCSA announces and requests public comment on data and information concerning the Pre-Authorization Safety Audit (PASA) for Transportes Monteblanco SA de CV which applied to participate in the Agency's long-haul pilot program to test and demonstrate the ability of Mexico-domiciled motor carriers to operate safely in the United States beyond the municipalities on the international border or the commercial zones of such municipalities. This action is required by the "U.S. Troop Readiness, Veterans' Care, Katrina Recovery, and Iraq Accountability Appropriations Act, 2007" and all subsequent appropriations.

**DATES:** Comments must be received on or before September 24, 2012.

**ADDRESSES:** You may submit comments identified by Federal Docket Management System Number FMCSA-

2011-0097 by any one of the following methods: *Federal eRulemaking Portal:* Go to <http://www.regulations.gov>. Follow the online instructions for submitting comments.

- *Fax:* 1-202-493-2251.
- *Mail:* Docket Management Facility, (M-30), U.S. Department of Transportation (DOT), 1200 New Jersey Avenue SE., West Building, Ground Floor, Room 12-140, Washington, DC 20590-0001.

- *Hand Delivery:* Same as mail address above, between 9 a.m. and 5 p.m., ET, Monday through Friday, except Federal holidays. The telephone number is 202-366-9329.

To avoid duplication, please use only one of these four methods. All submissions must include the Agency name and docket number for this notice. See the "Public Participation" heading below for instructions on submitting comments and additional information.

Note that all comments received, including any personal information provided, will be posted without change to <http://www.regulations.gov>. Please see the "Privacy Act" heading below.

*Docket:* For access to the docket to read background documents or comments received, go to <http://www.regulations.gov> at any time or to Room W12-140 on the ground floor of the DOT Headquarters Building at 1200 New Jersey Avenue SE., Washington, DC, 20590, between 9 a.m. and 5 p.m., ET, Monday through Friday, except Federal holidays.

*Privacy Act:* Anyone is able to search the electronic form of all comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review DOT's Privacy Act System of Records Notice for the DOT Federal Docket Management System published in the **Federal Register** on January 17, 2008 (73 FR 3316), or you may visit <http://edocket.access.gpo.gov/2008/pdf/E8-785.pdf>.

*Public Participation:* The <http://www.regulations.gov> Web site is generally available 24 hours each day, 365 days each year. You can get electronic submission and retrieval help and guidelines under the "help" section of the <http://www.regulations.gov> Web site. Comments received after the comment closing date will be included in the docket, and will be considered to the extent practicable.

**FOR FURTHER INFORMATION CONTACT:** Marcelo Perez, FMCSA, North American Borders Division, 1200 New Jersey Avenue SE., Washington, DC 20590-

0001. Telephone (512) 916-5440 Ext. 228; email [marcelo.perez@dot.gov](mailto:marcelo.perez@dot.gov).

**SUPPLEMENTARY INFORMATION:****Background**

On May 25, 2007, the President signed into law the U.S. Troop Readiness, Veterans' Care, Katrina Recovery, and Iraq Accountability Appropriations Act, 2007 (the Act), (Pub. L. 110-28, 121 Stat. 112, 183, May 25, 2007). Section 6901 of the Act requires that certain actions be taken by the Department of Transportation (the Department) as a condition of obligating or expending appropriated funds to grant authority to Mexico-domiciled motor carriers to operate beyond the municipalities in the United States on the United States-Mexico international border or the commercial zones of such municipalities (border commercial zones).

On July 8, 2011, FMCSA announced in the **Federal Register** [76 FR 40420] its intent to proceed with the initiation of a U.S.-Mexico cross-border long-haul trucking pilot program to test and demonstrate the ability of Mexico-domiciled motor carriers to operate safely in the United States beyond the border commercial zones as detailed in the Agency's April 13, 2011, **Federal Register** notice [76 FR 20807]. The pilot program is a part of FMCSA's implementation of the North American Free Trade Agreement (NAFTA) cross-border long-haul trucking provisions in compliance with section 6901(b)(2)(B) of the Act. FMCSA reviewed, assessed, and evaluated the required safety measures as noted in the July 8, 2011, notice and considered all comments received on or before May 13, 2011, in response to the April 13, 2011, notice. Additionally, to the extent practicable, FMCSA considered comments received after May 13, 2011.

In accordance with section 6901(b)(2)(B)(i) of the Act, FMCSA is required to publish in the **Federal Register**, and provide sufficient opportunity for public notice and comment, comprehensive data and information on the PASAs of motor carriers domiciled in Mexico that are granted authority to operate beyond the border commercial zones. This notice fulfills that requirement.

FMCSA is publishing for public comment the data and information relating to one PASA that was completed on June 17, 2012. FMCSA announces that the Mexico-domiciled motor carrier in Table 1 successfully completed the PASA. Notice of this completion was also published in the FMCSA Register.

Tables 2, 3 and 4 all titled (“Successful Pre-Authorization Safety Audit (PASA) Information”) set out additional information on the carrier(s) noted in Table 1. A narrative description of each column in the tables is provided as follows:

A. *Row Number in the Appendix for the Specific Carrier:* The row number for each line in the tables.

B. *Name of Carrier:* The legal name of the Mexico-domiciled motor carrier that applied for authority to operate in the United States (U.S.) beyond the border commercial zones and was considered for participation in the long-haul pilot program.

C. *U.S. DOT Number:* The identification number assigned to the Mexico-domiciled motor carrier and required to be displayed on each side of the motor carrier’s power units. If granted provisional operating authority, the Mexico-domiciled motor carrier will be required to add the suffix “X” to the ending of its assigned U.S. DOT Number for those vehicles approved to participate in the pilot program.

D. *FMCSA Register Number:* The number assigned to the Mexico-domiciled motor carrier’s operating authority as found in the FMCSA Register.

E. *PASA Initiated:* The date the PASA was initiated.

F. *PASA Completed:* The date the PASA was completed.

G. *PASA Results:* The results upon completion of the PASA. The PASA receives a quality assurance review before approval. The quality assurance process involves a dual review by the FMCSA Division Office supervisor of the auditor assigned to conduct the PASA and by the FMCSA Service Center New Entrant Specialist designated for the specific FMCSA Division Office. This dual review ensures the successfully completed PASA was conducted in accordance with FMCSA policy, procedures and guidance. Upon approval, the PASA results are uploaded into the FMCSA’s Motor Carrier Management Information System (MCMIS). The PASA information and results are then recorded in the Mexico-domiciled motor carrier’s safety performance record in MCMIS.

H. *FMCSA Register:* The date FMCSA published notice of a successfully completed PASA in the FMCSA Register. The FMCSA Register notice advises interested parties that the application has been preliminarily granted and that protests to the application must be filed within 10 days of the publication date. Protests are filed with FMCSA Headquarters in

Washington, DC. The notice in the FMCSA Register lists the following information:

- a. Current registration number (e.g., MX-123456);
- b. Date the notice was published in the FMCSA Register;
- c. The applicant’s name and address; and
- d. Representative or contact information for the applicant.

The FMCSA Register may be accessed through FMCSA’s Licensing and Insurance public Web site at <http://li-public.fmcsa.dot.gov/>, and selecting FMCSA Register in the drop down menu.

I. *U.S. Drivers:* The total number of the motor carrier’s drivers approved for long-haul transportation in the United States beyond the border commercial zones.

J. *U.S. Vehicles:* The total number of the motor carrier’s power units approved for long-haul transportation in the United States beyond the border commercial zones.

K. *Passed Verification of 5 Elements (Yes/No):* A Mexico-domiciled motor carrier will not be granted provisional operating authority if FMCSA cannot verify all of the following five mandatory elements. FMCSA must:

a. Verify a controlled substances and alcohol testing program consistent with 49 CFR part 40.

b. Verify a system of compliance with hours-of-service rules of 49 CFR part 395, including recordkeeping and retention;

c. Verify the ability to obtain financial responsibility as required by 49 CFR 387, including the ability to obtain insurance in the United States;

d. Verify records of periodic vehicle inspections; and

e. Verify the qualifications of each driver the carrier intends to use under such authority, as required by 49 CFR parts 383 and 391, including confirming the validity of each driver’s Licencia Federal de Conductor and English language proficiency.

L. *If No, Which Element Failed:* If FMCSA cannot verify one or more of the five mandatory elements outlined in 49 CFR part 365, Appendix A, Section III, this column will specify which mandatory element(s) cannot be verified.

Please note that for items L through P below, during the PASA, after verifying the five mandatory elements discussed in item K above, FMCSA will gather information by reviewing a motor carrier’s compliance with “acute and critical” regulations of the Federal Motor Carrier Safety Regulations

(FMCSRs) and Hazardous Materials Regulations (HMRs). Acute regulations are those where noncompliance is so severe as to require immediate corrective actions by a motor carrier regardless of the overall basic safety management controls of the motor carrier. Critical regulations are those where noncompliance relates to management and/or operational controls. These regulations are indicative of breakdowns in a carrier’s management controls. A list of acute and critical regulations is included in 49 CFR part 385, Appendix B, Section VII.

Parts of the FMCSRs and HMRs having similar characteristics are combined together into six regulatory areas called “factors.” The regulatory factors are intended to evaluate the adequacy of a carrier’s management controls.

M. *Passed Phase 1, Factor 1:* A “yes” in this column indicates the carrier has successfully met Factor 1 (listed in part 365, Subpart E, Appendix A, Section IV(f)). Factor 1 includes the General Requirements outlined in parts 387 (Minimum Levels of Financial Responsibility for Motor Carriers) and 390 (Federal Motor Carrier Safety Regulations—General).

N. *Passed Phase 1, Factor 2:* A “yes” in this column indicates the carrier has successfully met Factor 2, which includes the Driver Requirements outlined in parts 382 (Controlled Substances and Alcohol Use and Testing), 383 (Commercial Driver’s License Standards; Requirements and Penalties) and 391 (Qualifications of Drivers and Longer Combination Vehicle (LCV) Driver Instructors).

O. *Passed Phase 1, Factor 3:* A “yes” in this column indicates the carrier has successfully met Factor 3, which includes the Operational Requirements outlined in parts 392 (Driving of Commercial Motor Vehicles) and 395 (Hours of Service of Drivers).

P. *Passed Phase 1, Factor 4:* A “yes” in this column indicates the carrier has successfully met Factor 4, which includes the Vehicle Requirements outlined in parts 393 (Parts and Accessories Necessary for Safe Operation) and 396 (Inspection, Repair and Maintenance) and vehicle inspection and out-of-service data for the last 12 months.

Q. *Passed Phase 1, Factor 5:* A “yes” in this column indicates the carrier has successfully met Factor 5, which includes the hazardous material requirements outlined in parts 171 (General Information, Regulations, and Definitions), 177 (Carriage by Public Highway), 180 (Continuing Qualification and Maintenance of

Packagings) and 397 (Transportation of Hazardous Materials; Driving and Parking Rules).

R. *Passed Phase 1, Factor 6:* A “yes” in this column indicates the carrier has successfully met Factor 6, which includes Accident History. This factor is the recordable accident rate during the past 12 months. A recordable “accident” is defined in 49 CFR 390.5, and means an accident involving a commercial motor vehicle operating on a public road in interstate or intrastate commerce which results in a fatality; a bodily injury to a person who, as a result of the injury, immediately received medical treatment away from the scene of the accident; or one or more motor vehicles incurring disabling damage as a result of the accident requiring the motor vehicle to be transported away from the scene by a tow truck or other motor vehicle.

S. *Number U.S. Vehicles Inspected:* The total number of vehicles (power units) the motor carrier is approved to operate in the United States beyond the border commercial zones that received a vehicle inspection during the PASA. During a PASA, FMCSA inspected all

power units to be used by the motor carrier in the pilot program and applied a current Commercial Vehicle Safety Alliance (CVSA) inspection decal, if the inspection is passed successfully. This number reflects the vehicles that were inspected, irrespective of whether the vehicle received a CVSA inspection at the time of the PASA decal as a result of a passed inspection.

T. *Number U.S. Vehicles Issued CVSA Decal:* The total number of inspected vehicles (power units) the motor carrier is approved to operate in the United States beyond the border commercial zones that received a CVSA inspection decal as a result of an inspection during the PASA.

U. *Controlled Substances Collection:* Refers to the applicability and/or country of origin of the controlled substance and alcohol collection facility that will be used by a motor carrier that has successfully completed the PASA.

a. “US” means the controlled substance and alcohol collection facility is based in the United States.

b. “MX” means the controlled substance and alcohol collection facility is based in Mexico.

c. “Non-CDL” means that during the PASA, FMCSA verified that the motor carrier is not utilizing commercial motor vehicles subject to the commercial driver’s license requirements as defined in 49 CFR 383.5 (Definition of Commercial Motor Vehicle). Any motor carrier that does not operate commercial motor vehicles as defined in § 383.5 is not subject to DOT controlled substance and alcohol testing requirements.

V. *Name of Controlled Substances and Alcohol Collection Facility:* Shows the name and location of the controlled substances and alcohol collection facility that will be used by a Mexico-domiciled motor carrier who has successfully completed the PASA.

TABLE 1

Row number in Tables 2, 3 and 4 of the Appendix to today’s notice	Name of carrier	USDOT No.

1 .....	Transportes Monteblanco SA de CV .....	1059694	MX-443410	N/A	Pass .....	2 .....	2 .....	US .....	Laredo Examiners, Inc.

In an effort to provide as much information as possible for review, the application and PASA results for this

carrier are posted at the Agency’s Web site for the pilot program at <http://www.fmcsa.dot.gov/intl-programs/>

[trucking/Trucking-Program.aspx](http://trucking/Trucking-Program.aspx). For carriers that participated in the Agency’s demonstration project that

ended in 2009, copies of the previous PASA and compliance review, if conducted, are also posted. All documents were redacted so that personal information regarding the drivers is not released. Sensitive business information, such as the carrier's tax identification number, is also redacted. In response to previous comments received regarding the PASA notice process, FMCSA also posted copies of the vehicle inspections conducted during the PASA in the PASA document.

A list of the carrier's vehicles approved by FMCSA for use in the pilot program is also available at the above referenced Web site.

The Agency acknowledges that through the PASA process it determined that Transportes Monteblanco SA de CV has affiliations with additional companies. An attachment to the PASA provides information regarding these affiliations. During the carrier vetting and PASA process, FMCSA reviewed its records related to the affiliates, and confirmed that the companies are U.S.-domiciled motor carriers registered with FMCSA.

FMCSA notes that Transportes Monteblanco SA de CV is affiliated with two companies: Transportes Monteblanco (US DOT number 1871386, an interstate motor carrier) and MG Alimentos Inc. (US DOT number 1442274, an intrastate motor carrier). While this information was not reflected on the carrier's application, it was noted during the Agency's vetting and documented during the PASA. Additionally, the Agency is aware that the operating authority associated with Transportes Monteblanco (US DOT number 1871386) was revoked on April 18, 2012, as a result of a lapse of insurance. The Agency notes that this carrier has been inspected three times since this date, but has not been cited for operating without authority. The Agency confirmed that the reason for this is that the carrier was transporting exempt commodities which do not require operating authority. The carrier filed evidence of insurance on April 26, 2012 and submitted the required reinstatement fee. FMCSA reinstated Transportes Monteblanco's (USDOT number 1871386) operating authority effective July 23, 2012, and it may now transport non-exempt commodities. FMCSA is aware that one of the affiliated companies, Transportes Monteblanco (USDOT number 1871386), an enterprise carrier, has a Safety Measurement System (SMS) alert in the fatigued driving (hours of service) Behavior Analysis and Safety Improvement Category (BASIC). While

this is a matter of concern with respect to the safety performance of that carrier, the Agency has confirmed that Transportes Monteblanco SA de CV (USDOT number 1059694) was created to fulfill a separate business need and not to evade or conceal a negative safety performance history of the affiliated motor carriers. The Agency will continue monitoring the safety of the affiliated interstate motor carrier through SMS and will take action directly on the carrier, if appropriate.

Therefore, we will not apply the SMS scores of the affiliated carriers to Transportes Monteblanco SA de CV when considering whether Transportes Monteblanco SA de CV has demonstrated that it is willing and able to comply with the safety regulations. The Agency reiterates that during the PASA, we determined that Transportes Monteblanco SA de CV has the systems in place to comply with the FMCSRs, including U.S. hours-of-service regulations.

Lastly, it is noted that Transportes Monteblanco SA de CV currently has a 100 percent Driver out of service rate as a commercial zone carrier. This is based on the only two inspections completed within the preceding 24 months. Both inspections were conducted by FMCSA staff members on May 10, 2012 to verify the compliance of the vehicles and the drivers proposed to participate in the pilot program. During these inspections, the drivers were cited for failing to communicate in English. However, these drivers proposed for participation in the pilot program were retested for English language proficiency on May 31, 2012, and passed that evaluation.

To date, no carriers have failed the PASA. The Act requires publication of data of only those carriers receiving operating authority, as failure to successfully complete the PASA precludes the carrier from being granted authority to participate in the long-haul pilot program. FMCSA will publish this information to show motor carriers that failed to meet U.S. safety standards.

#### Request for Comments

In accordance with the Act, FMCSA requests public comment from all interested persons on the PASA information presented in this notice. All comments received before the close of business on the comment closing date indicated at the beginning of this notice will be considered and will be available for examination in the docket at the location listed under the ADDRESSES section of this notice. Comments received after the comment closing date will be filed in the public docket and will be considered to the extent

practicable. In addition to late comments, the FMCSA will also continue to file, in the public docket, relevant information that becomes available after the comment closing date. Interested persons should continue to examine the public docket for new material.

FMCSA notes that under its regulations, preliminary grants of authority, pending the carrier's showing of compliance with insurance and process agent requirements and the resolution of any protests, are publically noticed through publication in the FMCSA Register. Any protests of such grants must be filed within 10 days of publication of notice in the FMCSA Register.

Issued on: September 5, 2012.

## DEPARTMENT OF TRANSPORTATION

### Federal Motor Carrier Safety Administration

[Docket No. FMCSA-2012-0219]

#### Qualification of Drivers; Exemption Applications; Diabetes Mellitus

**AGENCY:** Federal Motor Carrier Safety Administration (FMCSA).

**ACTION:** Notice of applications for exemption from the diabetes mellitus requirement; request for comments.

**SUMMARY:** FMCSA announces receipt of applications from 14 individuals for exemption from the prohibition against persons with insulin-treated diabetes mellitus (ITDM) operating commercial motor vehicles (CMVs) in interstate commerce. If granted, the exemptions would enable these individuals with ITDM to operate CMVs in interstate commerce.

**DATES:** Comments must be received on or before October 12, 2012.

**ADDRESSES:** You may submit comments bearing the Federal Docket Management System (FDMS) Docket No. FMCSA-2012-0219 using any of the following methods:

- *Federal eRulemaking Portal:* Go to <http://www.regulations.gov>. Follow the on-line instructions for submitting comments.
- *Mail:* Docket Management Facility; U.S. Department of Transportation, 1200 New Jersey Avenue SE., West Building Ground Floor, Room W12-140, Washington, DC 20590-0001.
