Form N-Q, OMB Control No. 3235-0578, SEC File No. 270-519.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Form N-Q (17 CFR 249.332 and 274.130) is a combined reporting form that is used for reports of registered management investment companies ("funds"), other than small business investment companies registered on Form N-5, under Section 30(b) of the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) ("Investment Company Act") and Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). Pursuant to Rule 30b1-5 under the Investment Company Act, funds are required to file with the Commission quarterly reports on Form N-Q not more than 60 days after the close of the first and third quarters of each fiscal year containing their complete portfolio holdings.

Form N-Q contains collection of information requirements. The respondents to this information collection are management investment companies subject to Rule 30b1-5 under the Investment Company Act. We estimate that there are 10,453 portfolios required to file reports on Form N-Q. Based on conversations with industry representatives, we estimate that it takes approximately 21 hours per portfolio to prepare Form N-Q. Accordingly, we estimate that the total annual burden estimated associated with Form N-Q is 219,513 hours (21 hours per portfolio x

10,453 portfolios) per year. The estimates of average burden hours are made solely for the purposes of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) and are not derived from a comprehensive or even representative survey or study of the cost of Commission rules and forms. The collection of information under Form N-Q is mandatory. The information provided by the form is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.
