In addition, the applicant should describe in detail the international marketing program to be conducted for the event, and explain how efforts should increase individual and group international attendance. (k) **Delegation Incentives:** Show organizers should offer a range of incentives to delegations and/or delegation leaders recruited by the Commercial Service overseas posts. Examples of incentives to international visitors and to organized delegations include, but are not limited to: Waived or reduced admission fees; special organized events, such as receptions, meetings with association executives, briefings, and site tours; and complimentary accommodations for delegation leaders. Waived or reduced admission fees are required for international attendees who are members of Commercial Service-recruited delegations under this program. Delegation leaders also must be provided complimentary admission to the event.

Review Process

The Commercial Service will vet all applications received based on the criteria set out in this notice. Vetting will include soliciting input from Commercial Service domestic and international field offices, focusing primarily on the export potential, level of international interest, and stature of the show. In reviewing applications, the Commercial Service will also consider sector and calendar diversity in terms of the need to allocate resources to support selected events. In selecting events under the two-year pilot initiative, although all of the above factors will be considered, additional emphasis will be placed on past IBP success and cooperation respectively under factors (c) and (j) above. The Assistant Secretary for Trade Promotion and Director General of the U.S. and Foreign Commercial Service will make all selection decisions.

Application Requirements: Show organizers submitting applications for the 2014 or 2014–2015 IBP are requested to submit: (1) A narrative statement addressing each question in the application, Form ITA–4102P; (2) a signed statement that “The above information provided is correct and the applicant will abide by the terms set forth in this Call for Applications for the 2014 and 2015 International Buyer Program (January 1, 2014 through December 31, 2015);” and (3) two copies of the application, on company letterhead, and one electronic copy submitted on a CD–RW (preferably in Microsoft Word® format), on or before the deadline noted above. Applicants interested in participating in the pilot initiative for selection of one event for two successive calendar years should explicitly so indicate in their applications. There is no fee required to apply. The Commercial Service expects to issue the results of this process in April 2013.

Legal Authority: The statutory program authority for the Commercial Service to conduct the International Buyer Program is 15 U.S.C. 4724. The Commercial Service has the legal authority to enter into MOAs with show organizers (partners) under the provisions of the Mutual Educational and Cultural Exchange Act of 1961 (MECEA), as amended (22 U.S.C. 2455(f) and 2458(c)). MECEA allows the Commercial Service to accept contributions of funds and services from firms for the purposes of furthering its mission.

Certain Lined Paper Products From India: Preliminary Results of Countervailing Duty Administrative Review; Calendar Year 2010

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the countervailing duty order on certain lined paper products from India. The period of review (POR) is January 1, 2010, through December 31, 2010, and the review covers one producer/exporter of the subject merchandise, AR. Printing & Packaging India Pvt. Ltd. (AR Printing). We have preliminarily determined that AR Printing received countervailable subsidies during the POR.

DATES: *Effective Date:* October 11, 2012.

FOR FURTHER INFORMATION CONTACT: John Conniff, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone (202) 482–1009.

Scope of the Order

The merchandise subject to the order is certain lined paper products. The products are currently classifiable under the Harmonized Tariff Schedule of the United States (HTSUS) item numbers: 4811.90.9035, 4811.90.9080, 4820.30.0040, 4810.22.5044, 4811.90.9050, 4811.90.9090, 4820.10.2010, 4820.10.2020,

4820.10.2030, 4820.10.2040, 4820.10.2050, 4820.10.2060, and 4820.10.4000. Although the HTSUS numbers are provided for convenience and customs purposes, the written product description, available in the *Lined Paper Order*, remains dispositive.¹

Methodology

The Department has conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific. *See* sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and, section 771(5A) of the Act regarding specificity. In making these findings, we have relied, in part, on facts available and

because one or more respondents did not act to the best of their ability to respond to the Department's requests for information, we have drawn an adverse inference in selecting from among the facts otherwise available. *See* sections 776(a) and (b) of the Act. Finally, the Department was not able to make a preliminary determination of countervailability for certain programs because it requires additional information. We intend to seek that information prior to our final results.

For a full description of the methodology underlying our conclusions, please see "Decision Memorandum for Preliminary Results for the Countervailing Duty Administrative Review of Certain Lined Paper Products from India," (Preliminary Decision Memorandum) from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations to Paul Piquado, Assistant Secretary for Import Administration, dated concurrently

The Preliminary Decision Memorandum is a public document and is on file electronically via Import Administration's Antidumping and Countervailing Duty Centralized Electronic Service System (IA ACCESS). We will instruct CBP to collect cash deposits for the respondent at the countervailing duty rate indicated above of the f.o.b. invoice price on all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review.
