Notification to Importers
This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.420(i) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Sodium Hexametaphosphate From the People’s Republic of China: Preliminary Results of Antidumping Duty Administrative Review; 2011–2012

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to requests from interested parties, the Department of Commerce (the “Department”) is conducting the third administrative review of the antidumping duty order on sodium hexametaphosphate (“sodium hex”) from the People’s Republic of China (“PRC”) for the period of review (“POR”) March 1, 2011, through February 29, 2012. The Department has preliminarily determined that there are no reviewable entries during the POR.

DATES: Effective Date: December 7, 2012.

FOR FURTHER INFORMATION CONTACT: Paul Walker, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone 202.482.0413.

SUPPLEMENTARY INFORMATION:
Scope of the Order
The scope of this order consists of sodium hexametaphosphate. The merchandise subject to this order is currently classifiable in the Harmonized Tariff Schedule of the United States (“HTCUS”) statistical reporting number 2835.39.5000. However, it may also be imported as a blend or mixture under heading 3824.90.3900. Although the HTCUS subheadings are provided for convenience and customs purposes, the written product description, available in the Order remains dispositive. 2

Preliminary Finding of No Shipments
Hubei Xingfa Chemical Group Co., Ltd. (“Hubei Xingfa”) and Sichuan Mianzhu Norwest Phosphate Co. (“Norwest”) submitted timely filed certifications that they had no sales of subject merchandise to the United States during the POR. The Department also received information from U.S. Customs and Border Protection (“CBP”) indicating that there were no reviewable transactions from Hubei Xingfa or Norwest during the POR. Therefore, we preliminarily determine that Hubei Xingfa and Norwest had no reviewable transactions of subject merchandise during the POR. Because Hubei Xingfa and Norwest submitted timely no-shipment certifications and CBP data indicated that there were no reviewable transactions for these companies during the POR, we preliminarily determine that these two companies will retain their separate rate from the previous

PRC-Wide Entity
There are 13 other companies also under review in this segment, none of which have a separate rate from a prior segment of this proceeding. Because these companies have not established their eligibility for a separate rate, the Department preliminarily determines that they will continue to be considered part of the PRC-wide entity.

Public Comment
Interested parties who wish to request a hearing, or to participate if one is requested, must submit a written request to the Assistant Secretary for Import Administration, U.S. Department of Commerce, filed electronically in IA ACCESS. An electronically filed document must be received successfully in its entirety by the Department’s electronic records system, IA ACCESS, by 5 p.m. Eastern Time within 30 days after the date of publication of this notice. Requests should contain the party’s name, address, and telephone number, the number of participants, and a list of the issues to be discussed. If a request for a hearing is made, the Department will inform parties of the scheduled date for the hearing which will be held at the U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230, at a time and location to be determined. Parties should confirm by telephone the date, time, and location of the hearing. Interested parties are invited to comment on the preliminary results of this review.

The Department will consider case briefs filed by interested parties within 30 days after the date of publication of this notice in the Federal Register. Interested parties may file rebuttal briefs, limited to issues raised in the case briefs. The Department will consider rebuttal briefs filed not later than five days after the time limit for filing case briefs. Parties who submit arguments are requested to submit with each argument a statement of the issue, a brief summary of the argument, and a table of authorities cited. The Department intends to issue the final results of this administrative review, including the results of our analysis of issues raised in the written comments, within 120 days of publication of these preliminary results.

Assessment Rates
Upon issuance of the final results, the Department will determine, and CBP shall assess, antidumping duties on all appropriate entries. The Department intends to issue assessment instructions to CBP 15 days after the date of publication of the final results of review. The Department recently announced a refinement to its assessment practice in NME cases. Pursuant to this refinement in practice, for entries that were not reported by companies examined during this review, the Department will instruct CBP to liquidate such entries at the NME-wide rate. In addition, if the Department determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter’s case number (i.e., at that exporter’s rate) will be liquidated at the NME-wide rate.

Cash Deposit Requirements
The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Act: (1) For previously investigated or reviewed PRC and non-PRC exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (2) for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the PRC-wide entity; and (3) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers
This notice also serves as a preliminary reminder to importers of their responsibility under section 351.402(I)(2) of the Department’s regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This determination is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and section 351.221(b)[4] of the Department’s regulations.

Paul Piquado,
Assistant Secretary for Import Administration.
