Polyethylene Retail Carrier Bags From the People’s Republic of China: Rescission of Antidumping Duty Administrative Review; 2011–2012

AGENCY: Import Administration, International Trade Administration, Department of Commerce. 

SUMMARY: The Department of Commerce (the Department) is rescinding its administrative review of the antidumping duty order on polyethylene retail carrier bags (PRCBs) from the People’s Republic of China (PRC) for the period August 1, 2011, through July 31, 2012. 

DATES: Effective Date: January 2, 2013.

SUPPORTING INFORMATION:

Background: 

On August 1, 2012, the petitioners, the Polyethylene Retail Carrier Bag Committee and its individual members, Hilex Poly Co., LLC, and Superbag Corporation, requested an administrative review of the order with respect to Dongguan Nozawa Plastics Products Co., Ltd. and United Power Packaging, Ltd. (collectively, Nozawa). On September 26, 2012, in accordance with section 751(a) of the Tariff Act of 1930, as amended (Act) and 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the order on PRCBs from the PRC with respect to Nozawa. On November 21, 2012, the petitioners withdrew their request for an administrative review.

Rescission of Review: 

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, “in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review.” The petitioners withdrew their request for review within the 90-day time limit.

Accordingly, the Department intends to issue appropriate assessment instructions to U.S. Customs and Border Protection 15 days after publication of this notice.

Notification to Importer: 

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.
