The SACHDNC's recommendations regarding additional conditions/inherited disorders for screening that have been adopted by the Secretary are included in the Recommended Uniform Screening Panel (RUSP) that constitutes part of the comprehensive guidelines supported by the Health Resources and Services Administration. Pursuant to section 2713 of the Public Health Service Act, codified at 42 U.S.C. 300gg–13, non-grandfathered health plans are required to cover screenings included in the comprehensive guidelines without charging a co-payment, co-insurance, or deductible for plan years (i.e., policy years) beginning on or after the date that is one year from the Secretary's adoption of the condition for screening. Tentatively, the SACHDNC is expected to vote on: (1) A finalized report regarding genetic carrier screening (i.e., testing to identify individuals who may be at increased risk of carrying one or more gene mutations that could result in having children affected with an inherited genetic disorder); and (2) application of the Condition Review Decision Matrix.

Proposed agenda items are subject to change as priorities dictate. The agenda, webinar information, Committee Roster, Charter, presentations, and meeting materials are located on the Advisory Committee's Web site at <http://www.hrsa.gov/advisorycommittees/mchbadvisory/heritabledisorders>.

All comments, whether oral or written, are part of the official Committee record and will be available for public inspection and copying. Advanced registration is required to present oral comments or submit written comments. Individuals who wish to make public comments are required to email Lisa Vasquez ([lvasquez@hrsa.gov](mailto:lvasquez@hrsa.gov)) by Thursday, January 17, 2013. The public comment period is scheduled for the morning of January 31, 2013.

Written comments should identify the individual's name, address, email, telephone number, professional or business affiliation, type of expertise (i.e., parent, researcher, clinician, public health, etc.), and the topic/subject matter of comment. To ensure that all individuals who have registered to make oral comments can be accommodated, the allocated time may be limited. Individuals who are associated with groups or have

#### National Vaccine Injury Compensation Program: Revised Amount of the Average Cost of a Health Insurance Policy

The Health Resources and Services Administration (HRSA) is publishing an updated monetary amount of the average cost of a health insurance policy as it relates to the National Vaccine Injury Compensation Program (VICP).

Section 100.2 of the VICP's implementing regulation (42 CFR Part 100) states that the revised amounts of an average cost of a health insurance policy, as determined by the Secretary, are to be published periodically in a notice in the **Federal Register** and filed with the United States Court of Federal Claims (the Court). This figure is calculated using the most recent Medical Expenditure Panel Survey-Insurance Component (MEPS-IC) data available as the baseline for the average monthly cost of a health insurance policy. This baseline is adjusted by the annual percentage increase/decrease obtained from the most recent annual Kaiser Family Foundation and Health Research and Educational Trust (KFF/HRET) Employer Health Benefits survey or other authoritative source that may be more accurate or appropriate.

In 2012, MEPS-IC, available at [www.meps.ahrq.gov](http://www.meps.ahrq.gov), published the annual 2011 average total single premium per enrolled employee at private-sector establishments that provide health insurance. The annual figure published was \$5,222. This figure is divided by 12 months to determine

the cost per month of \$435.17. The \$435.17 shall be increased or decreased by the percentage change reported by the most recent KFF/HRET, available at [www.kff.org](http://www.kff.org). The percentage increase was published at 3 percent. By adding this percentage increase, the calculated average monthly cost of a health insurance policy for a 12 month period is \$448.23.

Therefore, the Secretary announces that the revised average cost of a health insurance policy under the VICP is \$448.23 per month. In accordance with § 100.2, the revised amount was effective upon its delivery by the Secretary to the Court. Such notice was delivered to the Court on November 30, 2012.

Dated: December 26, 2012.
