

Natural Resources Company. The coal resource to be offered is limited to coal recoverable by surface mining methods. The Federal coal is located in lands outside established coal production regions and may supplement the reserves at the El Segundo Mine. The Federal coal resources are located in McKinley County, New Mexico.

New Mexico Principal Meridian

T. 17 N., R. 9 W.,
Sec. 34, ALL.

These lands contain 640 acres, more or less.

The EA addresses the cultural, socioeconomic, environmental, and cumulative impacts that would likely result from leasing these coal lands. Two alternatives are addressed in the EA:

Alternative 1: (Proposed Action)—The tracts would be leased as requested in the application; and

Alternative 2: (No Action)—The application would be rejected or denied. The Federal coal reserves would be bypassed.

Proprietary data marked as confidential may be submitted to the BLM in response to this solicitation of public comments. Data so marked shall be treated in accordance with the laws and regulations governing the confidentiality of such information. A copy of the comments submitted by the public on the EA, FONSI, FMV, and MER, except those portions identified as proprietary by the author and meeting exemptions stated in the Freedom of Information Act, will be available for public inspection at the BLM Farmington Field Office, 6251 College Blvd., Suite A, Farmington, NM 87402, during regular business hours from 9 a.m. to 4 p.m. Monday through Friday, excluding Federal holidays.

Comments on the EA, FMV, and MER should address, but not necessarily be limited to, the following:

1. The quality and quantity of the coal resources;
2. The method of mining to be employed to obtain MER of the coal, including: Specifications of the seams to be mined; timing and rate of production; restrictions to mining; and the inclusion of the tracts in an existing mining operation;
3. The FMV appraisal including, but not limited to: the evaluation of the tract as an incremental unit of an existing mine; quality and quantity of the coal resource; potential sales value of the severed coal; mining and reclamation costs; net present value discount factors; depreciation and other tax accounting factors; the mining method or methods; and any comparable sales data on

similar coal lands. The values given above may or may not change as a result of comments received from the public and changes in market conditions between now and when final economic evaluations are completed.

Written comments on the EA, MER, and FMV should be sent to Gary Torres at the above address or sent via email to gtorres@blm.gov prior to close of business March 11, 2013. Please note “Coal Lease by Application” in the subject line for all emails. Substantive comments, whether written or oral, will receive equal consideration prior to any lease offering.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Authority: 43 CFR parts 3422 and 3425.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-838]

Certain Food Waste Disposers and Components and Packaging Thereof; Notice of the Commission's Determination Not to Review Initial Determinations Granting Complainant's Motions To Partially Terminate the Investigation and To Withdraw the Complaint; Termination of the Investigation

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review the presiding administrative law judge's ("ALJ") initial determinations ("IDs") (Order Nos. 6, and 8) granting (1) a motion by complainant Emerson Electric Co. of St. Louis, Missouri ("Emerson") to partially terminate the investigation and (2) a motion to terminate the investigation based on withdrawal of the complaint.

FOR FURTHER INFORMATION CONTACT:

Amanda S. Pitcher, Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone (202) 205-2737. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its Internet server at <http://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on April 20, 2012, based on a complaint filed by Emerson of St. Louis, Missouri, alleging violations of section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) by reason of (1) Infringement of the claim of U.S. Patent No. D535,850 ('850 patent); (2) infringement of U.S. Trademark Registration No. 2,518,010 and common law trademarks; (3) unfair competition by passing off; (4) trademark dilution; and (5) trade dress infringement. 77 FR 23751 (Apr. 20, 2012). The Commission's Notice of Investigation named Anaheim Manufacturing Co. of Brea, California as the only respondent. The Notice of Investigation was amended to add respondents Jiangsu Mega Motors and Zhjiang Zhongda Technical Export Co. Ltd. The Office of Unfair Import Investigations ("OUII") was also named as a party.

On November 28, 2012, Emerson filed a motion for partial termination with respect to Emerson's allegations of infringement of the '850 patent, trademark infringement by inducement, and trademark dilution. On December 3,

2012, Emerson filed a letter supplementing its motion to state that there are no agreements among the parties concerning the subject matter of the investigation. On December 4, 2012, the ALJ granted Emerson's motion, in Order No. 6, finding that there are no agreements, written or oral, express or implied between the parties concerning the investigation. In addition, the ALJ found that there are no extraordinary circumstances that would preclude granting the motion and that partial termination is in the public interest.

On December 7, 2012, Emerson filed a motion to terminate the investigation based on withdrawal of the remaining allegations in the complaint and to stay the procedural schedule. On December 11, 2012, the ALJ granted Emerson's motion, in Order No. 8, finding that there are no agreements, written or oral, express or implied between the parties concerning the investigation. In addition, the ALJ found that there are no extraordinary circumstances that would preclude granting the motion and that termination of the investigation is in the public interest.

The Commission has determined not to review the subject IDs and to terminate the investigation.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in sections 210.42 of the Commission's Rules of Practice and Procedure (19 CFR 210.42).

By order of the Commission.

Issued: January 3, 2013.

William R. Bishop,

Supervisory Hearings and Information Officer.
