Background
On May 1, 2012, the Department published a notice of opportunity to request an administrative review of the antidumping duty order on OCTG from the PRC for the period May 1, 2011 through April 30, 2012.1 On May 31, 2012, the Department received a timely request from U.S. Steel to conduct an administrative review of 247 PRC companies in accordance with 19 CFR 351.213(b).2 In addition, WSP requested that the Department conduct an administrative review of its company.3 Pursuant to these requests, on July 10, 2012, in accordance with section 751(a) of the Tariff Act of 1930, as amended (“the Act”), the Department published in the Federal Register a notice of initiation of this antidumping duty administrative review.4

Recission of Administrative Review
Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if the party that requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. In this case, on July 10 and September 20, 2012, WSP and Petitioner timely withdrew each of their requests for a review, respectively.5 Therefore, the Department is rescinding the administrative review of the antidumping duty order on OCTG from the PRC covering the period May 1, 2011 through April 30, 2012, in accordance with 19 CFR 351.213(d)(1).

Assessment
The Department will instruct U.S. Customs and Border Protection (“CBP”) to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit or bonding rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Notification to Importers
This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Order
This notice also serves as a reminder to parties subject to administrative protective order (“APO”) of their responsibility concerning the disposition of proprietary information disclosed under APO, in accordance with 19 CFR 351.305 and as explained in the APO itself. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with section 777(i)(1) of the Act and 19 CFR 351.213(d)(4).

Dated: January 10, 2013.

Christian Marsh,
Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

The NSR covers Shandong Yinfeng Rare Fungus Corporation Ltd. (Yinfeng) for the period of review (POR) February 1, 2011, through January 31, 2012. The Department has preliminarily determined that Yinfeng did not satisfy the regulatory requirements for a NSR. Therefore, the Department is preliminarily rescinding this NSR. We invite interested parties to comment on this preliminary rescission of review.

Scope of the Order
The products covered by this order are certain preserved mushrooms, whether imported whole, sliced, diced, or as stems and pieces. The certain preserved mushrooms covered under this order are the species 	extit{Agaricus bisporus} and 	extit{Agaricus bitosporus}. The merchandise subject to this order is classifiable under subheadings: 2003.10.0127, 2003.10.0131, 2003.10.0137, 2003.10.0143, 2003.10.0147, 2003.10.0153, and 0711.51.0000 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of this proceeding is dispositive. For the complete scope, see Certain Preserved Mushrooms From the People’s Republic of China: Final Results of Antidumping Duty Administrative Review, 77 FR 55808 (September 11, 2012).
Methodology
The Department has conducted this review in accordance with section 751(a)(2)(B) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.214. For a full description of the methodology underlying our conclusions, see “Decision Memorandum for Preliminary Results of Antidumping Duty New Shipper Review: Certain Preserved Mushrooms from the People’s Republic of China,” from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Import Administration (Preliminary Decision Memorandum), dated concurrently with these results and hereby adopted by this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Import Administration’s Antidumping and Countervailing Duty Centralized Electronic Service System (IA ACCESS). IA ACCESS is available to registered users at http://iaaccess.trade.gov and in the Central Records Unit, room 7046 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the Internet at http://iaaccess.trade.gov. The signed Preliminary Decision Memorandum and the electronic version of the Preliminary Decision Memorandum are identical in content.

Preliminary Rescission of NSR
Based on information that Yinfeng submitted after the initiation of the NSR, the Department has preliminarily determined that Yinfeng did not meet the minimum requirements in its request for an NSR under 19 CFR 351.214(b)(2)(iv)(C). Therefore, the Department preliminarily determines that it is appropriate to rescind the NSR for Yinfeng.

Assessment Rates
Yinfeng’s entries will are currently subject to the PRC-wide rate. Although the Department intends to rescind the NSR for Yinfeng, the Department is currently conducting an administrative review for the POR February 1, 2011, through January 31, 2012, which could include the entries subject to this NSR. Accordingly, if the Department proceeds with a final rescission of this NSR, we will instruct U.S. Customs and Border Protection (CBP) to continue to suspend entries during the period February 1, 2011, through January 31, 2012, of subject merchandise exported by Yinfeng until CBP receives instructions relating to the administrative review covering the period February 1, 2011, through January 31, 2012.

Cash Deposit Requirements
Effective upon publication of the final rescission or the final results of this NSR, we will instruct CBP to discontinue the option of posting a bond or security in lieu of a cash deposit for entries of subject merchandise by Yinfeng. If we proceed to a final rescission of this NSR, the cash deposit rate will continue to be the ad valorem PRC-wide rate for Yinfeng. If we issue final results of the NSR for this respondent, we will instruct CBP to collect cash deposits, effective upon the publication of the final results, at the rates established therein.

Comments
Interested parties are invited to comment on these preliminary results and submit written arguments or case briefs within 30 days after the date of publication of this notice, unless otherwise notified by the Department. Parties are reminded that written comments or case briefs are not the place for submitting new factual material. Rebuttal briefs, limited to issues raised in the case briefs, will be due five days later. Parties who submit case or rebuttal briefs are requested to submit with each argument: (1) A statement of the issue; and (2) a brief summary of the argument. Parties are requested to provide a summary of the arguments not to exceed five pages and a table of statutes, regulations, and cases cited.

Any interested party who wishes to request a hearing, or to participate if one is requested, must submit a written request to the Assistant Secretary for Import Administration within 30 days after the day of publication of this notice. A request should contain: (1) The party’s name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in case briefs. The Department will issue the final rescission or final results of NSR, including the results of our analysis of issues raised in any briefs, within 90 days after the date on which the preliminary rescissions were issued, unless the deadline for the final results is extended.5

Notification to Importers
This notice serves as a preliminary reminder to the importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice is published in accordance with sections 751(a)(2)(B) and 777(i) of the Act and 19 CFR 351.214(f).
