DEPARTMENT OF THE INTERIOR
Office of Surface Mining Reclamation and Enforcement

Notice of Proposed Information Collection

AGENCY: Office of Surface Mining Reclamation and Enforcement, Interior.

ACTION: Notice and request for comments.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995, the Office of Surface Mining Reclamation and Enforcement (OSM) is announcing its intention to request renewed collection authority for the exemption of coal extraction incidental to the extraction of other minerals. This information collection activity was previously approved by the Office of Management and Budget (OMB), and assigned clearance number 1029–0089.

DATES: Comments on the proposed information collection must be received by March 25, 2013, to be assured of consideration.

ADDRESSES: Comments may be mailed to John Trelease, Office of Surface Mining Reclamation and Enforcement, 1951 Constitution Ave. NW., Room 203—SIB, Washington, DC 20240. Comments may also be submitted electronically to jtrelease@osmre.gov.

FOR FURTHER INFORMATION CONTACT: To receive a copy of the information collection request and explanatory information contact John Trelease at (202) 208–2783 or email at jtrelease@osmre.gov.

SUPPLEMENTARY INFORMATION: OMB regulations at 5 CFR part 1320, which implement provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104–13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities [see 5 CFR 1320.8 (d)]. This notice identifies an information collection that OSM will be submitting to OMB for approval. This collection is contained in 30 CFR Part 702—Exemption for Coal Extraction Incidental to the Extraction of Other Minerals. The information submitted by respondents is required to obtain a benefit. OSM will request a 3-year term of approval for this information collection activity.

Comments are invited on: (1) The need for the collection of information for the performance of the functions of the agency; (2) the accuracy of the agency’s burden estimates; (3) ways to enhance the quality, utility, and clarity of the information collection; and (4) ways to minimize the information collection burden on respondents, such as use of automated means of collection of the information. A summary of the public comments will accompany OSM’s submission of the information collection request to OMB.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Title: 30 CFR Part 702—Exemption for Coal Extraction Incidental to the Extraction of Other Minerals.

OMB Control Number: 1029–0089.

Summary: This Part implements the requirement in Section 701(28) of the Surface Mining Control and Reclamation Act of 1977 (SMCRA), which grants an exemption from the requirements of SMCRA to operators extracting not more than 16 1/3 percentage tonnage of coal incidental to the extraction of other minerals. This information will be used by the regulatory authorities to make that determination.

Bureau Form Number: None.

Frequency of Collection: Once and annually thereafter.

Description of Respondents: Producers of coal and other minerals and State regulatory authorities.

Total Annual Responses: 120.

Total Annual Burden Hours: 586.

Total Non-wage Costs: $1,200.

Dated: January 14, 2013.

Andrew F. DeVito,
Chief, Division of Regulatory Support.

Silicomanganese From India, Kazakhstan, Venezuela: Notice of Commission Determination To Conduct Full Five-Year Reviews

ACTION: Notice.

SUMMARY: The Commission hereby gives notice that it will proceed with full reviews pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(5)) to determine whether revocation of the antidumping duty orders on silicomanganese from India, Kazakhstan, and Venezuela would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the reviews will be established and announced at a later date. For further information concerning the conduct of these reviews and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and parts 207, subparts A, D, E, and F (19 CFR part 207).

DATES: Effective Date: January 4, 2013.

SUPPLEMENTARY INFORMATION: On January 4, 2013, the Commission determined that it should proceed to full reviews in the subject five-year reviews pursuant to section 751(c)(5) of the Act. The Commission found that the domestic interested party group response to its notice of institution (77 FR 59970, October 1, 2012) was adequate, and that the respondent interested party group response with respect to the review on subject imports from Venezuela was adequate, and
decided to conduct a full review of the antidumping duty order on imports of silicomanganese from Venezuela. The Commission found that the respondent interested party group responses with respect to the reviews on subject imports from India and Kazakhstan were inadequate. Notwithstanding this, the Commission determined to conduct full reviews of the antidumping duty orders on imports of silicomanganese from India and Kazakhstan to promote administrative efficiency in light of its decision to conduct a full review with respect to the order on subject imports from Venezuela. A record of the Commissioners’ votes, the Commission’s statement on adequacy, and any individual Commissioner’s statements will be available from the Office of the Secretary and at the Commission’s Web site.

Authority: This review is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission’s rules.

Issued: January 15, 2013.

By order of the Commission.

Lisa R. Barton, Acting Secretary to the Commission.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337–TA–813]

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (Order No. 32) terminating the above-captioned investigation in its entirety based upon a settlement agreement. The investigation is terminated.

FOR FURTHER INFORMATION CONTACT:

On November 19, 2012, S3G and Apple filed a joint motion to terminate the investigation based upon a settlement agreement. On December 7, 2012, S3G and Apple supplemented their motion. On December 12, 2012, the Commission investigative attorney filed a response supporting the motion to terminate.

On December 13, 2012, the ALJ granted the motion and issued an initial determination (“ID”) terminating the investigation in its entirety. The ALJ found that termination of the investigation based upon an alternative method of dispute resolution is generally in the public interest. The ALJ further found that granting the motion would not be contrary to the public interest. No petitions for review of the ID were filed.

The Commission has determined not to review the ID. The investigation is terminated.

By order of the Commission.

Lisa R. Barton, Acting Secretary to the Commission.
