FOREIGN TRADE ZONES BOARD

FOREIGN TRADE ZONE 129—BELLINGHAM, WA; NOTIFICATION OF PROPOSED PRODUCTION ACTIVITY; T.C. TRADING COMPANY, INC. (EYEGLASS ASSEMBLY AND KITTING); BLAINE, WA

The Port of Bellingham, grantee of FTZ 129, submitted a notification of proposed production activity on behalf of T.C. Trading Company, Inc. (T.C. Trading), located in Blaine, Washington. The notification conforming to the requirements of the regulations of the Board (15 CFR 400.22) was received on January 17, 2013.

A separate application for subzone status at the company facility was submitted and will be processed under Section 400.31 of the Board’s regulations. The facility is used for the assembly and kitting of eyeglasses and eyeglass products. Pursuant to 15 CFR 400.14(b) of the regulations, FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt GE Appliances from customs duty payments on the foreign status components used in export production. On its domestic sales, GE Appliances would be able to choose the duty rate during customs entry procedures that applies to electric hot water heaters (free) for the foreign status inputs noted below. Customs duties also could possibly be deferred or reduced on foreign status production equipment.

Components sourced from abroad include: Articles of rubber (e.g., containers, caps/lids, knobs, dampeners), fan motors, fans, filter/dryers, expansion valves, accumulators, parts of electric water heaters, capacitors, sensors, switches, electronic controllers/panels/consol/boards, anodes, wiring harnesses, and thermistors (duty rate ranges from free to 4.7%).

Public comment is invited from interested parties. Submissions shall be addressed to the Board’s Executive Secretary at the address below. The closing period for their receipt is March 13, 2013.

Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), we are rescinding this administrative review with respect to Mukand because Carpenter Technology Corporation, Crucible Industries LLC, and Valbruna Slater Stainless, Inc., (collectively, Petitioners) timely withdrew their request for review and no other party requested a review of Mukand.

Methodology

The Department has conducted this review in accordance with Section 771(a)(2) of the Tariff Act of 1930, as amended (the Act). Export Price is calculated in accordance with section 772(a) of the Act. Normal value is calculated in accordance with section 773 of the Act. In accordance with section 773(b) of the Act, we disregarded certain of Ambica’s sales in the home market that were made at below-cost prices. For a full description of the methodology underlying our conclusion, please see the Preliminary Decision Memorandum.

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of SSB from India entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for Ambica will be the rate established in the final results of this administrative review; (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in a prior segment of the Antidumping Proceedings: Final Modification, 77 FR 8101 (February 14, 2012).
proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; (4) the cash deposit rate for all other manufacturers or exporters will continue to be 12.45 percent, the all-others rate established in Notice of Final Determination of Sales at Less Than Fair Value: Stainless Steel Bar from India, 59 FR 66915, 66921 (December 28, 1994). These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers
This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: January 24, 2013.

Paul Piquado,
Assistant Secretary for Import Administration.
