Centers for Medicare & Medicaid Services
[Document Identifier CMS–685 and CMS–R–290]
Agency Information Collection
Activities: Proposed Collection;

AGENCY: Centers for Medicare &
Medicaid Services.
In compliance with the requirement
of section 3506(c)(2)(A) of the
Paperwork Reduction Act of 1995, the
Centers for Medicare & Medicaid
Services (CMS) is publishing the
following summary of proposed
collections for public comment.
Interested persons are invited to send
comments regarding this burden
estimate or any other aspect of this
collection of information, including any
of the following subjects: (1) The
necessity and utility of the proposed
information collection for the proper
performance of the agency’s functions;
(2) the accuracy of the estimated
burden; (3) ways to enhance the quality,
utility, and clarity of the information to
be collected; and (4) the use of
automated collection techniques or
other forms of information technology to
minimize the information collection
burden.

Type of Information Collection
Request: Revision of a previously
approved collection; Title of
Information Collection: End Stage Renal
Disease (ESRD) Network Semi-Annual
Cost Report Forms and Supporting
Regulations in 42 CFR section 405.2110
and 42 CFR 405.2112; Use: Section
1881(c) of the Social Security Act
establishes End Stage Renal Disease
(ESRD) Network contracts. The
regulations found at 42 CFR 405.2110
and 405.2112 designated 18 ESRD
Networks which are funded by
renovable contracts. These contracts are
on 3-year cycles. To better administer
the program, CMS is requiring
contractors to submit semi-annual cost
reports. The purpose of the cost reports
is to enable the ESRD Networks to
report costs in a standardized manner.
This will allow CMS to review, compare
and project ESRD Network costs during
the life of the contract. Since the last
collection, the survey instrument has
been revised. The burden has not
changed. Form Number: CMS–685
(OMB#: 0938–0657); Frequency:
Reporting—Semi-annually; Affected
Public: Not-for-profit institutions;
Number of Respondents: 18; Total
Annual Responses: 36; Total Annual

regarding this collection contact
Benjamin Bernstein at 410–786–6570.
For all other issues call 410–786–1326.)

2. Type of Information Collection
Request: Reinstatement of a currently
approved collection; Title: Medicare
Program: Procedures for Making
National Coverage Decisions; Use: The
Centers for Medicare & Medicaid
Services (CMS) revised the April 27,
1999 (64 FR 22619) notice and
published a new notice on September
26, 2003 (68 FR 55634) that described
the process we use to make Medicare
coverage decisions including decisions
regarding whether new technology and
services can be covered. We have made
changes to our internal procedures in
response to the comments we received
following publication of the 1999 notice
and experience under our new process.
Over the past several years, we received
numerous suggestions to further revise
our process to continue to make it more
open, responsive, and understandable to
the public. We share the goal of
increasing public participation in the
development of Medicare coverage
issues. This will assist us in obtaining
the information we require to make a
national coverage determination in a
timely manner and ensuring that the
Medicare program continues to meet the
needs of its beneficiaries. Form Number:
