DEPARTMENT OF DEFENSE

Department of the Army

Environmental Impact Statement for Modernization and Repair of Piers 2 and 3, Military Ocean Terminal Concord, CA

AGENCY: Department of the Army, DoD.

ACTION: Notice of Intent.

SUMMARY: The Department of the Army announces its intent to conduct public scoping under the National Environmental Policy Act to gather information to prepare an Environmental Impact Statement (EIS) related to the critically-needed modernization and repairs of Piers 2 and 3, Military Ocean Terminal Concord (MOTCO) due to structural decay caused by severe deterioration, widespread marine borer damage, and fungal decay. Piers 2 and 3 are used to transport military supplies in the Pacific region. There may be significant impacts to threatened and endangered species. The following other resource areas may be impacted: water quality, noise, terrestrial and marine species, and traffic. For example, the proposed action will replace a large number of piles; this work will likely result in water quality issues and an increase in noise. The Department of the Army will use the analysis in the EIS to determine whether and how to implement the proposed action.

ADDRESS: Written comments should be forwarded to Mr. Malcolm Charles, Directorate of Public Works, Attention: SDDC–CCA–MI (Charles), 410 Norman Ave, Concord, CA 94520; email: usarmy.motco.sddc.mbx.list-eis@mail.mil or fax (925) 246–4171.

FOR FURTHER INFORMATION CONTACT: Please contact Mr. Malcolm Charles, Directorate of Public Works, 410 Norman Ave, Concord, CA 94520; fax (925) 246–4171; email: usarmy.motco.sddc.mbx.list-eis@mail.mil.

SUPPLEMENTARY INFORMATION: The decision to be made by the Army is whether and how to modernize and repair Piers 2 and 3 at the MOTCO. The EIS will assess the direct, indirect, and cumulative environmental impacts associated with various proposed facility modernization and repair options to meet safety, operational, facilities management, land use, and cultural resources management objectives.

Barry S. Lineback, Director, Business Operations.
