Submission for OMB Review; Comment Request

**Title:** School Readiness Goals and Head Start Program Functioning.

**OMB No.:** New Collection.

**Description:** The Administration for Children and Families (ACF), U.S. Department of Health and Human Services (HHS) is proposing a data collection as part of the “School Readiness Goals and Head Start Program Functioning” research project.

The purpose of this study is to improve understanding of how local Head Start and Early Head Start programs define, measure, and communicate school readiness goals, and how they use these goals in program planning to improve program functioning. The study design will include a telephone survey of program directors or designated key personnel at approximately 90 local Head Start and Early Head Start programs, followed by site visits to collect further qualitative information through interviews with program staff, oversight boards, key stakeholders and parents at a subset of 12 of these grantees. In addition, telephone interviews will be conducted with 4 Head Start directors of American Indian/Alaskan Native (AIAN) grantees.

Topics covered in the telephone survey, site visits, and qualitative interviews include: a description of school readiness goals set by local grantee; the process used to set school readiness goals; contextual factors informing choices made about school readiness goals (e.g., needs of local children and families, program and staff characteristics, and community reduction); how programs use and analyze data about school readiness goals; how programs report progress on goals; and how school readiness goals and data inform program planning and improvement efforts.

**Respondents:** Head Start and Early Head Start program directors and managers closely involved with school readiness goal setting (e.g., education services coordinators); other services managers, coordinators and specialists (e.g., health or disabilities coordinators, home-based services coordinators or assistant program directors, data specialists); front-line staff (e.g., Head Start teachers, Early Head Start teachers, and home visitors); members of Head Start governing bodies and local policy councils; representatives from local education agencies; and parents with children in Head Start and Early Head Start programs.

**ACTION:** This notice was originally published as Funding Opportunity Number HHHS-2013-ACF-ACYF–SDVC–0564 on March 5, 2013 at http://www.acf.hhs.gov/grants/open/foa/view/HHS-2013-ACF-ACYF-FVPS-0564.
SUMMARY: This announcement governs the proposed award of mandatory grants under the Family Violence Prevention and Services Act (FVPSA) to States (including territories and insular areas). The purpose of these grants is to: (1) assist States in efforts to increase public awareness about, and primary and secondary prevention of, family violence, domestic violence, and dating violence; and (2) assist States in efforts to provide immediate shelter and supportive services for victims of family violence, domestic violence, or dating violence (42 U.S.C. 10401 et seq.). This announcement sets forth the application requirements, the application process, and other administrative and fiscal requirements for grants in Fiscal Year (FY) 2013, 2014 and 2015.

Statutory Authority: The statutory authority for this program is 42 U.S.C. 10401 through 10414 hereinafter cited by Section number only.

SUPPLEMENTARY INFORMATION:

I. Funding Opportunity Description

Description Background

The Administration on Children, Youth and Families (ACYF) is committed to facilitating healing and recovery, and promoting the social and emotional well-being of victims, children, youth, and families who have experienced domestic violence, maltreatment, exposure to violence, and trauma. An important component of promoting well-being in this regard includes addressing the impact of trauma, which can have profound impacts on coping, resiliency, and skill development. ACYF promotes a trauma-informed approach, which involves understanding and responding to the symptoms of chronic interpersonal trauma and traumatic stress across the lifespan.

This FVPSA funding opportunity announcement (FOA), administered through ACYF’s Family and Youth Services Bureau (FYSB), is designed to assist States in their efforts to support the establishment, maintenance, and expansion of programs and projects: (1) To prevent incidents of family violence, domestic violence, and dating violence; (2) to provide immediate shelter, supportive services, and access to community-based programs for victims of family violence, domestic violence, or dating violence, and their dependents; and (3) to provide specialized services for children exposed to family violence, domestic violence, or dating violence, underserved populations, and victims who are members of racial and ethnic minority populations (Section 10406(a)).

The FVPSA State Formula Grant funds shall be used to identify and provide subgrants to eligible entities for programs and projects within the State that are designed to prevent incidents of family violence, domestic violence, and dating violence by providing immediate shelter and supportive services for adult and youth victims of family violence, domestic violence, or dating violence, and their dependents, and which may be used to provide prevention services to prevent future incidents of family violence, domestic violence, and dating violence (Section 10408(a)).

FVPSA funds awarded to subgrantees should be used for:

- Provision of immediate shelter and related supportive services to adult and youth victims of family violence, domestic violence, or dating violence, and their dependents, including paying for the operating and administrative expenses of the facilities for a shelter (Section 10408(b)(1)(A)).
- Assistance in developing safety plans and supporting the needs of victims of family violence, domestic violence, or dating violence to make decisions related to their ongoing safety and well-being (Section 10408(b)(1)(B)).
- Provision of individual and group counseling, peer support groups, and referral to community-based services to assist family violence, domestic violence, and dating violence victims, and their dependents, in recovering from the effects of the violence (Section 10408(b)(1)(C)).
- Provision of services, training, technical assistance, and outreach to increase awareness of family violence, domestic violence, and dating violence, and increase the accessibility of family violence, domestic violence, and dating violence services (Section 10408(b)(1)(D)).
- Provision of culturally and linguistically appropriate services (Section 10408(b)(1)(E)).
- Provision of services for children exposed to family violence, domestic violence, or dating violence, including age-appropriate counseling, supportive services, and services for the nonabusing parent that support that parent’s role as a caregiver, which may, as appropriate, include services that work with the nonabusing parent and child together (Section 10408(b)(1)(F)).
- Provision of advocacy, case management services, and information and referral services, concerning issues related to family violence, domestic violence, or dating violence intervention and prevention, including: (1) Assistance in accessing related Federal and State financial assistance programs; (2) legal advocacy to assist victims and their dependents; (3) medical advocacy, including provision of referrals for appropriate health care services (including mental health, alcohol, and drug abuse treatment), which does not include reimbursement for any health care services; (4) assistance locating and securing safe and affordable permanent housing and homelessness prevention services; (5) transportation, child care, respite care, job training and employment services, financial literacy services and education, financial planning, and related economic empowerment services; and (6) parenting and other educational services for victims and their dependents (Section 10408(b)(1)(G)).

Ensuring the Well-Being of Vulnerable Children and Families

ACYF is committed to facilitating healing and recovery, and promoting the social and emotional well-being of children, youth, and families who have experienced maltreatment, exposure to violence, and/or trauma. This FOA and other discretionary spending this fiscal year are designed to ensure that effective interventions are in place to build skills and capacities that contribute to the healthy, positive, and productive functioning of families.

Children, youth, and families who have experienced maltreatment, exposure to violence, and/or trauma are impacted along several domains, each of which must be addressed in order to foster social and emotional well-being and promote healthy, positive functioning.

Understanding Experiences: A fundamental aspect of the human experience is the development of a world view through which one’s experiences are understood. Whether that perspective is generally positive or negative impacts how experiences are interpreted and integrated. For example, one is more likely to approach a
The skills and capacities in these areas support children, youth, and families as challenges, risks, and opportunities arise. In particular, each domain impacts the capacity of children, youth, and families to establish and maintain positive relationships with caring adults and supportive peers. The necessity of these relationships to social and emotional well-being and lifelong success in school, community, and at home cannot be overstated and should be central to all interventions with vulnerable children, youth, and families.

An important component of promoting social and emotional well-being includes addressing the impact of trauma, which can have a profound effect on the overall functioning of children, youth, and families. ACYF promotes a trauma-informed approach, which involves understanding and responding to the symptoms of chronic interpersonal trauma and traumatic stress across the domains outlined above, as well as the behavioral and mental health sequelae of trauma. ACYF anticipates a continued focus on social and emotional well-being as a critical component of its overall mission to ensure positive outcomes for all children, youth, and families.

**Annual FVPSA State Administrators Grantee Meeting**

FVPSA State Administrators shall plan to attend the annual grantee meeting. The State FVPSA Administrators meeting is a training and technical assistance activity focusing on FVPSA administrative issues as well as the promotion of evidence informed and promising practices to address family violence, domestic violence, or dating violence. Subsequent correspondence will advise the FVPSA State Administrators of the date, time, and location of their grantee meeting.

**Client Confidentiality**

In order to ensure the safety of adult, youth, and child victims of family violence, domestic violence, or dating violence, and their families, FVPSA-funded programs must establish and implement policies and protocols for maintaining the confidentiality of records pertaining to any individual provided domestic violence services. Consequently, when providing statistical data on program activities and program services, individual identifiers of client records will not be used by the State or other FVPSA grantees or subgrantees (Section 10406(c)(5)). In the Performance Progress Report (PPR), States and subgrantees must collect unduplicated data from each program rather than unduplicated data across programs or statewide. No client-level data should be shared with a third party, regardless of encryption, hashing, or other data security measures, without a written, time-limited release as described in section 10406(c)(5). The address or location of any FVPSA-supported shelter facility shall not be made public except with written authorization of the person or persons responsible for the operation of such shelter. (See Section 10406(c)(5)(H) and the confidentiality of records pertaining to any individual provided domestic violence services by any FVPSA-supported program will be strictly maintained.

**Coordinated and Accessible Services**

It is essential that community service providers, including those serving or representing underserved communities, are involved in the design and improvement of intervention and prevention activities identified in the state plan. Coordination and collaboration among victim services providers; community-based, culturally specific, and faith-based services providers; housing and homeless services providers; and Federal, State, and local public officials and agencies is needed for an effective state planning process and to provide more responsive and effective services to victims of family violence, domestic violence, and dating violence, and their dependents. It is expected that the communities and organizations noted above will be included in committees or other activities to ensure they are part of the planning and decision making to create and maintain fully coordinated and accessible services.

To promote a more effective response to family violence, domestic violence, and dating violence, States receiving funds under this grant announcement must collaborate with State Domestic Violence Coalitions and community-based organizations and should collaborate with tribes, tribal organizations, and service providers, to address the needs of victims of family violence, domestic violence, and dating violence, and for those who are members of racial and ethnic minority populations and underserved populations (See Section 10407(b)(2)). To serve victims most in need and to comply with Federal law, services must be widely accessible to all. Service providers must not discriminate on the basis of age, disability, sex, race, color, national origin, or religion (Section 10406(c)(2)). The HUD Office for Civil Rights provides guidance to grantees complying with these requirements.
Please see http://www.hhs.gov/ocr/civilrights for HHS Office of Civil Rights guidance on serving immigrant victims and http://www.hhs.gov/ocr/civilrights/understanding/disability/index.html for guidance on the Americans with Disabilities Act and Rehabilitation Act of 1973. Services must also be provided on a voluntary basis; receipt of emergency shelter or housing must not be conditioned on participation in supportive services (Section 10406(d)(2)).

Definitions

States should use the following definitions in carrying out their programs (Section 10402).

Dating Violence: Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship shall be determined based on a consideration of the length of the relationship, the type of relationship, the frequency of interaction between the persons involved in the relationship.

Domestic Violence: Felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.

Family Violence: Any act or threatened act of violence, including any forceful detention of an individual that: (a) results or threatens to result in physical injury; and (b) is committed by a person against another individual (including an elderly individual) to or with whom such person is related by blood, or is or was related by marriage, or is or was otherwise legally related, or is or was lawfully residing.

Shelter: The provision of temporary refuge and supportive services in compliance with applicable State law (including regulation) governing the provision, on a regular basis, of shelter, safe homes, meals, and supportive services to victims of family violence, domestic violence, or dating violence, and their dependents.

Supportive Services: Services for adults and youth victims of family violence, domestic violence, or dating violence, and dependents exposed to family violence, domestic violence, or dating violence, that are designed to:

- Meet the needs of victims of family violence, domestic violence, or dating violence, and their dependents, for short-term, transitional, or long-term safety; and
- Provide counseling, advocacy, or assistance for victims of family violence, domestic violence, or dating violence, and their dependents.

II. Award Information

For FY 2013, HHS will make available for grants to designated State agencies 70 percent of the amount appropriated under section 10403(a)(1) of FVPSA, which is not reserved under Section 10403(a)(2). In FY 2012, ACYF awarded $90,682,686 to State agencies for these purposes. In separate announcements, ACYF will allocate 10 percent of the foregoing appropriation to tribes and tribal organizations for the establishment and operation of shelters, safe houses, and the provision of supportive services; and 10 percent to the State Domestic Violence Coalitions to continue their work within the domestic violence community by providing technical assistance and training, needs assessment, and advocacy services, among other activities with local domestic violence programs, and to encourage appropriate responses to domestic violence within the States. Six percent of the amount appropriated under section 10403(c) of FVPSA, and reserved under section 10403(a)(2)(c), will be available in FY 2013 to continue the support for the two National Resource Centers (NRCs), four Special Issue Resource Centers (SIRCs), and the three Culturally Specific Special Issue Resource Centers (CSSIRCs). Additionally, funds appropriated under FVPSA will be used to support other activities, including training and technical assistance, collaborative projects with advocacy organizations and service providers, data collection efforts, public education activities, research and other demonstration projects, as well as the ongoing operation of the National Domestic Violence Hotline.

State Allocation

FVPSA grants to the States, the District of Columbia, and the Commonwealth of Puerto Rico are based on a population formula. Each State grant shall be $600,000, with the remaining funds allotted to each State on the same ratio as the population of the State to the population of all States (Section 10403(a)(1)). The amount appropriated under section 10403(a)(1) of FVPSA, and reserved under section 10403(a)(2)(c), will be available in FY 2013 to continue the support for the two National Resource Centers (NRCs), four Special Issue Resource Centers (SIRCs), and the three Culturally Specific Special Issue Resource Centers (CSSIRCs). Additionally, funds appropriated under FVPSA will be used to support other activities, including training and technical assistance, collaborative projects with advocacy organizations and service providers, data collection efforts, public education activities, research and other demonstration projects, as well as the ongoing operation of the National Domestic Violence Hotline.

Length of Project Periods

24 Months.

Expenditure Period

FVPSA funds may be used for expenditures on and after October 1 of each fiscal year for which they are granted and will be available for expenditure through September 30 of the following fiscal year, i.e., FY 2013 funds may be used for expenditures from October 1, 2012, through September 30, 2014; FY 2014 funds from October 1, 2013, through September 30, 2015; and FY 2015 funds from October 1, 2014, through September 30, 2016. Funds will be available for obligations only through FY 2013: September 30, 2014; FY 2014: September 30, 2015; and FY 2015: September 30, 2016, and must be expended by the State no later than September 30, 2016. Re-allotted funds, if any, are available for expenditure until the end of the fiscal year following the fiscal year that the funds became available for re-allocation. FY 2013 grant funds that are made available to the States through re-allocation, under section 10405(d), must be expended by the State no later than September 30, 2014; FY 2014 funds must be expended no later than September 30, 2015; and FY 2015 funds must be expended no later than September 30, 2016.
III. Eligibility Information

“States,” as defined in section 10402 of FVPSA, are eligible to apply for funds. The term “State” means each of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, Guam, American Samoa, the Virgin Islands, and the Commonwealth of the Northern Mariana Islands.

In the past, Guam, the Virgin Islands, the Commonwealth of the Northern Mariana Islands, and American Samoa have applied for funds as a part of their consolidated grant under the Social Services Block Grant. These jurisdictions need not submit an application under this program announcement if they choose to have their allotment included as part of a consolidated grant application; however, they are required to submit a Performance Progress Report using the standardized format.

Additional Information on Eligibility

DUNS Number Requirement

Data Universal Numbering System (DUNS) Number is the nine-digit, or thirteen-digit (DUNS + 4), number established and assigned by Dun and Bradstreet, Inc. (D&B) to uniquely identify business entities.

All applicants and sub-recipients must have a DUNS number at the time of application in order to be considered for a grant or cooperative agreement. A DUNS number is required whether an applicant is submitting a paper application or using the Government-wide electronic portal, www.Grants.gov. A DUNS number is required for every application for a new award or renewal/continuation of an award, including applications or plans under formula, entitlement, and block grant programs.

A DUNS number may be acquired at no cost online at http://fedgov.dnb.com/webform. To acquire a DUNS number by phone, contact the D&B Government Customer Response Center: U.S. and U.S. Virgin Islands: 1–866–705–5711. Alaska and Puerto Rico: 1–800–234–3867 (Select Option 2, then Option 1) Monday–Friday, 7 a.m. to 9 p.m. CST.

The process to request a DUNS Number by telephone will take between 5 and 10 minutes.

SAM Requirement (www.Sam.gov)

The System for Award Management (SAM) at www.sam.gov is a new system that consolidates the capabilities of a number of systems that support Federal procurement and award processes. Phase 1 of SAM includes the capabilities previously provided via Central Contractor Registration (CCR)/Federal Agency Registration (FedReg), Online Representations and Certifications Application (ORCA), and the Excluded Parties List System (EPLS).

SAM is the Federal registrant database and repository into which an entity must provide information required for the conduct of business as a recipient. The former CCR Web site is no longer available. All information previously held in the Central Contractor Registration (CCR) system has been migrated to SAM.gov.

Applicants are strongly encouraged to register at SAM well in advance of the application due date. Registration at SAM.gov must be updated annually.

Note: It can take 24 hours or more for updates to registrations at SAM.gov to take effect. An entity’s registration will become active after 3–5 days. Therefore, check for active registration well before the application due date and deadline. An applicant can view their registration status by visiting https://www.hbn.gov/PublicSearch.aspx and searching by their organization’s DUNS number.

See the SAM Quick Guide for Grantees at https://www.sam.gov/sam/transcript/SAM_Quick_Guide_Grants_Registrations-v1.6.pdf requires all entities that plan to apply for, and ultimately receive, Federal grant fluids from any HHS Agency, or receive subawards directly from recipients of those grant funds to:

• Be registered in at Sam.gov prior to submitting an application or plan;
• Maintain an active registration at www.sam.gov with current information at all times during which it has an active award or an application or plan under consideration by an HHS agency; and
• Provide its active DUNS number in each application or plan it submits to an HHS agency.

ACF is prohibited from making an award to an applicant that has not complied with these requirements. If, at the time of an award is ready to be made, and the intended recipient has not complied with these requirements, ACF:

• May determine that the applicant is not qualified to receive an award; and
• May use that determination as a basis for making an award to another applicant.

Additionally, all first-tier subaward recipients (i.e., direct subrecipients) must have an active DUNS number at the time the subaward is made.

The Consolidated Appropriations Act, 2012 (Pub. L. 112–74), enacted December 23, 2011, limits the salary amount that may be awarded and charged to ACF mandatory and discretionary grants. Award funds issued under this announcement may not be used to pay the salary, or any percentage of salary, to an individual at a rate in excess of Executive Level II. The Executive Level II salary of the Federal Executive Pay scale is $179,700 (http://www.opm.gov/oca/12tables/html/ex.asp) his amount reflects an individual’s base salary exclusive of fringe benefits and any income that an individual may be permitted to earn outside of the duties to the applicant organization. This salary limitation also applies to subawards/subcontracts under an ACF mandatory and discretionary grant.

Costs of organized fund raising, including financial campaigns, endowment drives, solicitation of gifts and bequests, and similar expenses incurred solely to raise capital or obtain contributions, are considered unallowable costs under grants awarded under this announcement. Construction is not an allowable activity or expenditure under this grant award.

Applications should be sent or delivered to: Administration for Children and Families, Administration on Children, Youth and Families, Family and Youth Services Bureau, Family Violence Prevention and Services Program, ATTN: Edna James, 1250 Maryland Avenue SW., Suite 8214, Washington, DC 20024.

V. Award Administration Information

Approval/Disapproval of State Application

The Secretary of HHS will approve any application that meets the requirements of FPVSA and this announcement and will not disapprove any such application except after reasonable notice of the Secretary’s intent to disapprove has been provided to the applicant and after a 6-month period providing an opportunity for the applicant to correct any deficiencies. The notice of intention to disapprove will be provided to the applicant within 45 days of the date of the application.

Administrative and National Policy Requirements

Awards issued under this announcement are subject to the uniform administrative requirements and cost principles of 45 CFR part 74 (Awards And Loans To Institutions Of Higher Education, Hospitals, Other Nonprofit Organizations, And Commercial Organizations) or 45 CFR part 92 (Grants And Cooperative Agreements To State, Local, And Tribal Governments). The Code of Federal Regulations (CFR) is available at www.gpo.gov.

An application funded with the release of Federal funds through a grant award, does not constitute, or imply, compliance with Federal regulations. Funded organizations are responsible for ensuring that their activities comply with all applicable Federal regulations.

Equal Treatment for Faith-Based Organizations

Grantees are also subject to the requirements of 45 CFR 87.1(c), Equal Treatment for Faith-Based Organizations, which says, “Organizations that receive direct financial assistance from the [Health and Human Services] Department under any Department program may not engage in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services funded with direct financial assistance from the Department.” Therefore, organizations must take steps to completely separate the presentation of any program with religious content from the presentation of the Federally funded program by time or location in such a way that it is clear that the two programs are separate and distinct. If separating the two programs by time but presenting them in the same location, one program must completely end before the other program begins.

A faith-based organization receiving III-IS funds retains its independence from Federal, State, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs. For example, a faith-based organization may use space in its facilities to provide secular programs or services funded with Federal funds without removing religious art, icons, or scripture or religious symbols. In addition, a faith-based organization that receives Federal funds retains its authority over its internal governance, and it may retain religious terms in its organization’s name, select its board members on a religious basis, and include religious references in its organization’s mission statements and other governing documents in accordance with all program requirements, statutes, and other applicable requirements governing the conduct of HHS-funded activities.

Regulations pertaining to the Equal Treatment for Faith-Based Organizations, which includes the prohibition against Federal funding of inherently religious activities, “Understanding the Regulations Related to the Faith-Based and Neighborhood partnerships Initiative” are available at www.hhs.gov/partnerships/about/regulations/. Additional information, resources, and tools for faith-based organizations are available through The Center for Faith-based and Neighborhood Partnerships Web site at www.hhs.gov/partnerships/index.html and at the Administration for Children & Families: Toolkit for Faith-based and Community Organizations at www.acf.hhs.gov/programs/ocs/resource/capacity-building-toolkits-for-faith-based-and-community-organizations.

Requirements for DrugFree Workplace

The Drug-Free Workplace Act of 1988 (41 U.S.C. 8102 et seq.) requires that all organizations receiving grants from any Federal agency agree to maintain a drug-free workplace. By signing the application, the Authorizing Official agrees that the grantee will provide a drug-free workplace and will comply with the requirement to notify ACF if an employee is convicted of violating a criminal drug statute. Failure to comply with these requirements may be cause for debarment. Government-wide requirements for Drug-Free Workplace for Financial Assistance are found in 2 CFR part 182; HHS implementing regulations are set forth in 2 CFR 382.400. All recipients of ACF grant funds must comply with these requirements in Subpart B—Requirements for Recipients Other Than Individuals, 2 CFR 382.225. The rule is available at http://ecfr.gpoaccess.gov/cgi/t/text/text-idx?c=ecfr&sid=18b5801410be6af416dc258873fb7ec&rgn=div2&view=text&node=20091112%3A1.1;idno=49;cc=ecfr.

Debarment and Suspension

HHS regulations published in 2 CFR part 376 implement the government-wide debarment and suspension system guidance (2 CFR part 180) for HHS’ non-procurement programs and activities.
“Non-procurement transactions” include, among other things, grants, cooperative agreements, scholarships, fellowships, and loans. ACF implements the HHS Debarment and Suspension regulations as a term and condition of award. Grantees may decide the method and frequency by which this determination is made and may check the Excluded Parties List System (EPLS) located at www.sam.gov/ checking the EPLS is not required. More information is available at www.acf.hhs.gov/ grants-forms.

Pro-Children Act

The Pro-Children Act of 2001, 20 U.S.C. 7181 through 7184, imposes restrictions on smoking in facilities where federally funded children’s services are provided. HHS grants are subject to these requirements only if they meet the Act’s specified coverage. The Act specifies that smoking is prohibited in any indoor facility (owned, leased, or contracted for) used for the routine or regular provision of kindergarten, elementary, or secondary education or library services to children under the age of 18. In addition, smoking is prohibited in any indoor facility or portion of a facility (owned, leased, or contracted for) used for the routine or regular provision of federally funded health care, day care, or early childhood development, including Head Start services to children under the age of 18. The statutory prohibition also applies if such facilities are constructed, operated, or maintained with Federal funds. The statute does not apply to children’s services provided in private residences, facilities funded solely by Medicare or Medicaid funds, portions of facilities used for inpatient drug or alcohol treatment, or facilities where WIC coupons are redeemed. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1,000 per violation and/or the imposition of an administrative compliance order on the responsible entity.

VI. Reporting Requirements

Performance Progress Reports (PPR)

States are required to submit an annual performance progress report to ACYF describing the activities carried out and an assessment of the effectiveness of those activities in achieving the purposes of the grant (Section 10406(d)). Further guidance regarding the assessment requirement is included in the PPR. A section of this performance report must be completed by each grantee or subgrantee that provided program services and activities. State grantees should compile subgrantee performance reports into a comprehensive report for submission. A copy of the required PPR can be found at https://www.acf.hhs.gov/programs/ fysb/resource/ppr-state-fvpса. the past, Guam, the Virgin Islands, the Commonwealth of the Northern Mariana Islands, and American Samoa have applied for FVPSPA funds as a part of their consolidated grant under the Social Services Block Grant. These jurisdictions need not submit an application under this program announcement if they choose to have their allotment included as part of a consolidated grant application; however, they are required to submit an annual PPR using the standardized format.

PPRs for the States and Territories are due on an annual basis at the end of the calendar year (December 29). Grantees should submit their reports online through the Online Data Collection (OLDC) system at the following address: https://extranet.acf.hhs.gov/ssi/ with a copy sent to: Administration for Children and Families, Administration on Children, Youth and Families, Family Violence Prevention and Services Program, ATTN: Edna James, 1250 Maryland Avenue SW., Room 8214, Washington, DC 20024.

Please note that section 10407(b)(4) of FVPSPA requires HHS to suspend funding for an approved application if any State applicant fails to submit an annual PPR or if the funds are expended for purposes other than those set forth under this announcement.

Federal Financial Reports (FFR)

Completed reports may be mailed to: Deborah Bell, Division of Mandatory Grants Office of Grants Management Administration for Children and Families, 370 ENfant Promenade SW., 6th Floor, Washington, DC 20447.

Grantees have the option of submitting their reports online through the Online Data Collection (OLDC) system at the following address: https://extranet.acf.hhs.gov/ssi.

Failure too submit reports on time may be a basis for withholding grant funds, or suspension or termination of the grant. All funds reported as unobligated after the obligation period will be recouped.

FFATA Subaward and Executive Compensation

Awards issued as a result of this funding opportunity may be subject to the Transparency Act subaward and executive compensation reporting requirements of 2 CFR part 170.
