Health and Human Services (HHS) on the
following: HHS programs that focus on
reducing infant mortality and improving the
health status of infants and pregnant women;
and factors affecting the continuum of care
with respect to maternal and child health
care. ACIM accesses the outcomes following
childbirth; strategies to coordinate the
myriad federal, state, local, and private
programs and efforts that are designed to deal
with the health and social problems
impacting on infant mortality; and the
implementation of the Healthy Start program
and Healthy People 2020 infant mortality
objectives.

Agenda: Topics that will be discussed
include the following: Updates from federal
agencies that are designing the Health Study:
National Institutes of Health (NIH);

Health Study: A Prospective Cohort Study of
Cancer and Other Disease Among Men
and Women in Agriculture (NCI)

Summary: In compliance with the
requirement of Section 3506(c)(2)(A) of
the Paperwork Reduction Act of 1995,
for opportunity for public comment on
proposed data collection projects, the
National Cancer Institute (NCI),
National Institutes of Health (NIH) will
publish periodic summaries of proposed
projects to be submitted to the Office of
Management and Budget (OMB) for
review and approval.

Written comments and/or suggestions
from the public and affected agencies
are invited on one or more of the
following points: (1) Whether the
proposed collection of information is
necessary for the proper performance of
the function of the agency, including
whether the information will have
practical utility; (2) The accuracy of the
agency’s estimate of the burden of the
proposed collection of information,
including the validity of the
methodology and assumptions used; (3)
Ways to enhance the quality, utility, and
clarity of the information to be
collected; and (4) Ways to minimize the
burden of the collection of information
on those who are to respond, including
the use of appropriate automated,
electronic, mechanical, or other
technological collection techniques or
other forms of information technology.

To Submit Comments and for Further
Information: To obtain a copy of the
data collection plans and instruments,
submit comments in writing, or request
more information on the proposed
project contact: Jane Hoppin, Sc.D.,
