For further information concerning the conduct of these investigations and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A and B (19 CFR part 207).

DATES: Effective Date: April 23, 2013.

SUPPLEMENTARY INFORMATION:

Background.—These investigations are being instituted in response to a petition filed on April 23, 2013, by Davis Wire Corp. of Kent, WA and Insteel Wire Products of Mount Airy, NC. The petitioners allege that the following imports of wire are being sold in the United States at prices less than fair value: (1) precipitation-hardened stainless steel wire (PHSS) originating in China, and (2) annealed wire originating in China, Singapore, and the Philippines.

Participation in the investigation and public service list.—Persons (other than petitioners) wishing to participate in the investigations as parties must file an entry of appearance with the Secretary to the Commission, as provided in sections 201.11 and 207.10 of the Commission’s rules, not later than seven days after publication of this notice in the Federal Register. Industrial users and (if the merchandise under investigation is sold at the retail level) representative consumer organizations have the right to appear as parties in Commission antidumping investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to these investigations upon the expiration of the period for filing entries of appearance.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.—Pursuant to section 207.7(a) of the Commission’s rules, the Secretary will make BPI gathered in these investigations available to authorized applicants representing interested parties (as defined in 19 U.S.C. 1677(9)) who are parties to the investigations under the APO issued in the investigations, provided that the application is made not later than seven days after the publication of this notice in the Federal Register. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Conference.—The Commission’s Director of Investigations has scheduled a conference in connection with these investigations for 9:30 a.m. on May 14, 2013, at the U.S. International Trade Commission Building, 500 E Street SW., Washington, DC. Requests to appear at the conference should be filed with William.bishop@usitc.gov and Sharon.bellamy@usitc.gov (DO NOT FILE ON EDIS) on or before May 9, 2013. Parties in support of the imposition of antidumping duties in these investigations and parties in opposition to the imposition of such duties will each be collectively allocated one hour within which to make an oral presentation at the conference. A nonparty who has testimony that may aid the Commission’s deliberations may request permission to present a short statement at the conference.

Written submissions.—As provided in sections 201.18 and 207.15 of the Commission’s rules, any person may submit to the Commission on or before May 17, 2013, a written brief containing information and arguments pertinent to the subject matter of the investigations. Parties may file written testimony in connection with their presentation at the conference no later than three days before the conference. If briefs or written testimony contain BPI, they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission’s rules. Please consult the Commission’s rules, as amended, 76 Fed. Reg. 61937 (Oct. 6, 2011) and the Commission’s Handbook on Filing Procedures, 76 Fed. Reg. 62092 (Oct. 6, 2011), available on the Commission’s Web site at http://edis.usitc.gov.

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the investigations must be served on all other parties to the investigations (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Authority: These investigations are being conducted under authority of title VII of the Tariff Act of 1930: this notice is published pursuant to section 207.12 of the Commission’s rules.

Issued: April 24, 2013.

By order of the Commission.

Lisa R. Barton,
Acting Secretary to the Commission.

Siemens Medical Solutions, USA, Inc., Oncology Care Systems (Radiation Oncology), Including On-Site Leased Workers From Source Right Solutions, Concord, California, Now Located in Martinez, California; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended (“Act”), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on April 5, 2012, applicable to workers of Siemens Medical Solutions, USA, Inc., Oncology Care Systems (Radiation Oncology), including on-site leased workers from Source Right Solutions, Concord, California. The workers are engaged in activities related to the supply of medical engineering services and other related services. The notice was published in the Federal Register on April 18, 2012 (75 FR 23289).

At the request of a company official, the Department reviewed the certification for workers of the subject firm. New information from the company shows that as of February 2013, Siemens Medical Solutions, USA, Inc., Oncology Care Systems (Radiation Oncology), including on-site leased workers from Source Right Solutions, originally located at 4040 Nelson Avenue, Concord, California is now located at 757A Arnold Drive, Martinez, California.

The intent of the Department’s certification is to include all workers of the subject firm who were adversely affected by a shift in the supply of medical engineering services and other related services to Erlangen, Germany. Based on these findings, the Department is amending this certification to show that Siemens Medical Solutions, USA, Inc., Oncology Care Systems (Radiation Oncology), including on-site leased workers from Source Right Solutions originally located in Concord, California is now located in Martinez, California.
The amended notice applicable to TA–W–81,292 is hereby issued as follows:

All workers from Siemens Medical Solutions USA, Inc. (Radiation Oncology), including on-site leased workers from Source Right Solutions, Concord, California, now located in Martinez, California, who became totally or partially separated from employment on or after February 1, 2011, through April 5, 2014, and all workers in the group threatened with total or partial separation from employment on or prior to April 5, 2013, are eligible to apply for adjustment assistance under Section 222(a) of the Act, as amended.

Signed at Washington, DC, this 8th day of April 2013.

Del Min Amy Chen,
Certifying Officer, Office of Trade Adjustment Assistance.

Notice of Determinations Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended (19 U.S.C. 2273) the Department of Labor herein presents summaries of determinations regarding eligibility to apply for trade adjustment assistance for workers by (TA–W) number issued during the period of April 1, 2013 through April 5, 2013.

In order for an affirmative determination to be made for workers of a primary firm and a certification issued regarding eligibility to apply for worker adjustment assistance, each of the group eligibility requirements of Section 222(a) of the Act must be met.

I. Under Section 222(a)(2)(A), the following must be satisfied:

(1) A significant number or proportion of the workers in such workers’ firm have become totally or partially separated, or are threatened to become totally or partially separated;

(2) the sales or production, or both, of such firm have decreased absolutely; and

(3) One of the following must be satisfied:

(A) Imports of articles or services like or directly competitive with articles produced or services supplied by such firm have increased;

(B) imports of articles like or directly competitive with articles into which one or more component parts produced by such firm are directly incorporated, have increased;

(C) imports of articles directly incorporating one or more component parts produced outside the United States that are like or directly competitive with imports of articles incorporating one or more component parts produced by such firm have increased;

(D) imports of articles like or directly competitive with articles which are produced directly using services supplied by such firm, have increased; and

(4) the increase in imports contributed importantly to such workers’ separation or threat of separation and to the decline in the sales or production of such firm; or

II. Section 222(a)(2)(B) of all the following must be satisfied:

(1) A significant number or proportion of the workers in such workers’ firm have become totally or partially separated, or are threatened to become totally or partially separated;

(2) One of the following must be satisfied:

(A) There has been a shift by the workers’ firm to a foreign country in the production of articles or supply of services like or directly competitive with those produced/supplied by the workers’ firm;

(B) there has been an acquisition from a foreign country by the workers’ firm of articles/services that are like or directly competitive with those produced/supplied by the workers’ firm; and

(3) the shift/acquisition contributed importantly to the workers’ separation or threat of separation.

In order for an affirmative determination to be made for adversely affected workers in public agencies and a certification issued regarding eligibility to apply for worker adjustment assistance, each of the group eligibility requirements of Section 222(f) of the Act must be met.

(1) The workers’ firm is publicly identified by name by the International Trade Commission as a member of a domestic industry in an investigation resulting in—

(A) An affirmative determination of serious injury or threat thereof under section 202(b)(1);

(B) an affirmative determination of market disruption or threat thereof under section 421(b)(1); or

(C) an affirmative final determination of material injury or threat thereof under section 705(b)(1)(A) or 735(b)(1)(A) of the Tariff Act of 1930 (19 U.S.C. 1671d(b)(1)(A) and 1673d(b)(1)(A));

(2) the petition is filed during the 1-year period beginning on the date on which—

(A) A summary of the report submitted to the President by the International Trade Commission under section 202(f)(1) with respect to the affirmative determination described in paragraph (1)(A) is published in the Federal Register under section 202(f)(3); or

(B) notice of an affirmative determination described in
