SUMMARY: Pursuant to the provisions of the Federal Advisory Committee Act (“FACA”), 5 U.S.C. App., and after consultation with the General Services Administration, the Chairman of the Federal Deposit Insurance Corporation has determined that renewal of the FDIC Systemic Resolution Advisory Committee (“the Committee”) is in the public interest in connection with the performance of duties imposed upon the FDIC by law. The Committee has been a successful undertaking by the FDIC and has provided valuable feedback to the agency on a broad range of issues regarding the resolution of systemically important financial companies pursuant to Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act, Public Law 111–203 (July 21, 2010), 12 U.S.C. 5301 et seq. The Committee will continue to provide advice and recommendations on how the FDIC’s systemic resolution authority, and its implementation, may impact regulated entities and other stakeholders potentially affected by the process. The structure and responsibilities of the Committee are unchanged from when it was originally established in May 2011. The Committee will continue to operate in accordance with the provisions of the Federal Advisory Committee Act.
