SUPPLEMENTARY INFORMATION:

Overview

Federal Agency: Rural Business-Cooperative Service.

Funding Opportunity Title: Rural Cooperative Development Grants.

Announcement Type: Initial funding request.

Catalog of Federal Domestic Assistance Number: 10.771.

Date: Application Deadline. You must submit your complete application by July 15, 2013, or it will not be considered for FY 2013 grant funding.

I. Funding Opportunity Description

The primary objective of the RCDG program is to improve the economic condition of rural areas through cooperative development. Grant funds may be used to pay for 75 percent of the cost of establishing and operating centers for rural cooperative development. Grant funds may be used to pay for 95 percent of the cost of establishing and operating centers for rural cooperative development, when the applicant is a 1994 Institution as defined by 7 U.S.C. § 301. 1994 Institutions are commonly known as Tribal Land Grant Institutions. Centers may have the expertise on staff or they can contract out for the expertise, to assist individuals or entities in the startup, expansion or operational improvement of rural businesses, especially cooperative or mutually-owned businesses. The RCDG program is authorized under section 310B(e) of the Consolidated Farm and Rural Development Act (CONACT) (7 U.S.C. 1932(e)). You should become familiar with the regulations for this program published at 7 CFR part 4284, subparts A and F, which are incorporated by reference in this Notice.

Definitions

The terms you need to understand are defined and published at 7 CFR 4284.3 and 7 CFR 4284.504. In addition, the terms “rural” and “rural area,” defined at section 343(a)(13) of the CONACT (7 U.S.C. 1991(a)), are incorporated by reference, and will be used for this program instead of those terms currently published at 7 CFR 4284.3. The term “you” referenced throughout this Notice should be understood to mean “you” the applicant. Finally, there has been some confusion on the Agency’s meaning of the terms “conflict of interest,” and “mutually-owned business,” because they are not defined in the CONACT or in the regulations used for the program. Therefore, the terms are clarified and should be understood as follows.

Conflict of interest—A situation in which the ability of a person or entity to act impartially would be questionable due to competing professional or personal interests. An example of conflict of interest occurs when the grantee’s employees, board of directors, or the immediate family of either, have the appearance of a professional or personal financial interest in the recipients receiving the benefits or services of the grant.

Mutually-owned business—An organization owned and governed by

members who either are its consumers, producers, employees, or suppliers.

II. Award Information

Type of Award: Grant.

Fiscal Year Funds: FY 2013.

Total Funding: Approximately \$6.5 million.

Maximum Award: \$200,000.

Anticipated Award Date: September 30, 2013.

III. Eligibility Information

A. Eligible Applicants

You must be a nonprofit corporation or an institution of higher education to apply for this program. Public bodies and individuals cannot apply for this program. See 7 CFR 4284.507.

An applicant must obtain a Dun and Bradstreet Data Universal Numbering System (DUNS) number and register in the System for Awards Management (SAM, formally managed by the Central Contractor Registry (CCR)) prior to submitting an application. (See 2 CFR 25.200(b)). An applicant must provide their DUNS number in the application. In addition, an applicant must maintain its registration in SAM during the time its application is active. Finally, an applicant must have the necessary processes and systems in place to comply with the reporting requirements in 2 CFR 170.200(b), as long as it is not exempted from reporting. Exemptions are identified at 2 CFR 170.110(b).

B. Cost Sharing or Matching

Your matching funds requirement is 25 percent of the total project cost (5 percent for 1994 Institutions). See 7 CFR 4284.508. When you calculate your matching funds requirement, please round up or down to whole dollars as appropriate. An example of how to calculate your matching funds is as follows:

1. Take the amount of grant funds you are requesting and divide it by .75. This will give you your total project cost.

Example: \$175,000 (grant amount)/.75 (percentage for use of grant funds) = \$233,333 (total project cost)

2. Subtract the amount of grant funds you are requesting from your total project cost. This will give you your matching funds requirement.

Example: \$233,333 (total project cost) – \$175,000 (grant amount) = \$58,333 (matching funds requirement).

3. A quick way to double check that you have the correct amount of matching funds is to take your total project cost and multiply it by .25.

Example: \$233,333 (total project cost) × .25 (maximum percentage of matching funds

requirement) = \$58,333 (matching funds requirement)

You must verify that all matching funds are available during the grant period and provide this documentation with your application. If you are awarded a grant, additional verification documentation may be required to confirm the availability of matching funds.

Other guidelines for matching funds that you must follow are below.

- They must be spent on eligible expenses during the grant period.
- They must be from eligible sources.
- They must be spent in advance or as a pro-rata portion of grant funds being spent.
- They must be provided by either the applicant or a third party in the form of cash or an in-kind contribution.
- They cannot include board/advisory council members’ time.
- They cannot include other Federal grants unless provided by authorizing legislation.
- They cannot include cash or in-kind contributions donated outside the grant period.
- They cannot include over-valued, in-kind contributions.
- They cannot include any project costs that are ineligible under the RCDG program.
- They can include loan funds from a Federal source.
- They can include travel and incidentals for board/advisory council members if you have established written policies explaining how these costs are normally reimbursed, including rates. You must include an explanation of this policy in your application or the contributions will not be considered as eligible matching funds.
- You must be able to document and verify the number of hours worked and the value associated with any in-kind contribution being used to meet a matching funds requirement.
- In-kind contributions provided by individuals, businesses, or cooperatives which are being assisted by you cannot be provided for the direct benefit of their own projects as USDA Rural Development considers this to be a conflict of interest or the appearance of a conflict of interest.

C. Other Eligibility Requirements

Your application will not be considered for funding if it does not propose the establishment or continuation of a cooperative development center concept. You must use project funds, including grant and matching funds for eligible purposes (See 7 CFR 4284.508). In addition, project funds may be used for programs

providing for the coordination of services and sharing of information among the Centers (See 7 U.S.C. 1932(e)(4)(C)(vi)). All project activities must be for the benefit of a rural area. Only one application can be submitted per applicant. If two applications are submitted (regardless of the applicant name) that include the same Executive Director and/or advisory boards or committees of an existing Center, both applications will be determined not eligible for FY 2013 funding.

Project funds, including grant and matching funds, cannot be used for ineligible grant purposes (See 7 CFR 4284.10). Also, you may not use project funds for the following:

1. To purchase, rent, or install laboratory equipment or processing machinery;
2. To pay for the operating costs of any entity receiving assistance from the Center;
3. To pay costs of the project where a conflict of interest exists; or
4. To fund any activities prohibited by 7 CFR parts 3015 or 3019.

In addition, your application will not be considered for funding if it does any of the following:

- Focuses assistance on only one cooperative or mutually-owned business;
- Requests more than the maximum grant amount; or
- Proposes ineligible costs that equal more than 10 percent of total project costs.

We will consider your application for funding if it includes ineligible costs of 10 percent or less of total project costs, as long as the remaining costs are determined eligible otherwise. However, if your application is successful, those ineligible costs must be removed and replaced with eligible costs, before the Agency will make the grant award, or the amount of the grant award will be reduced accordingly. If we cannot determine the percentage of ineligible costs, your application will not be considered for funding.

D. Grant Period

Your application must include a one-year grant period or it will not be considered for funding. The grant period should begin no earlier than October 1, 2013 and no later than January 1, 2014. Prior approval is needed from the Agency if you are awarded a grant and desire the grant period to begin earlier or later than previously discussed. Projects must be completed within a one-year timeframe. The Agency may approve requests to extend the grant period for up to an additional 12 months at its discretion.

Further guidance on grant period extensions will be provided in the award document.

If you have an existing RCDG award, you must discuss the status of your existing RCDG award at application time under the Eligibility Discussion. You must be performing satisfactorily to be considered eligible for a new award. Satisfactory performance includes being up-to-date on all financial and performance reports and being current on all tasks as approved in the work plan. The Agency will use its discretion to make this determination.

E. Completeness

Your application will not be considered for funding if it does not provide sufficient information to determine eligibility and scoring. In particular, you must include all of the forms and proposal elements as discussed in the regulation and as clarified further in this Notice. For more information on what is required for an application, see 7 CFR 4284.510.

C. Application Contents

Your application must contain all of the required forms and proposal elements described in 7 CFR 4284.510 and as otherwise clarified in this Notice. Specifically, your application must include (1) the required forms as described in 7 CFR 4284.510(b) and (2) the required proposal elements as described in 7 CFR 4284.510(c). Further clarification of application requirements is as follows:

1. Clarifications on Forms

- a. Your DUNS number should be identified in the "Organizational DUNS" field on Standard Form (SF) 424, "Application for Federal Assistance." Since there are no specific fields for a Commercial and Government Entity (CAGE) code and expiration date, you may identify them anywhere you want to on Form SF 424. In addition, you should provide the DUNS number and the CAGE code and expiration date under the applicant eligibility discussion in your proposal narrative. If you do not include the CAGE code and expiration date and the DUNS number in your application, it will not be considered for funding.

- b. You must complete Form AD-3030, "Representations Regarding Felony Conviction and Tax Delinquent Status for Corporate Applicants," if you are a corporation. A corporation is any entity that has filed articles of incorporation in one of the 50 States, the District of Columbia, or the various territories of the United States including American Samoa, Federated States of Micronesia, Guam, Midway Islands, Northern Mariana Islands, Puerto Rico, Republic of Palau, Republic of the Marshall Islands, or the U.S. Virgin Islands. Corporations include both for profit and non-profit entities.

- c. You can voluntarily fill out and submit the "Survey on Ensuring Equal Opportunity for Applicants," as part of your application if you are a nonprofit organization.

2. Clarifications on Proposal Elements

a. You must include the title of the project as well as any other relevant identifying information on the Title Page.

b. You must include page numbers on the Table of Contents for each component of the application to facilitate review.

c. Your Executive Summary must include the items in 7 CFR 4284.510 (c)(3), and also discuss the percentage of work that will be performed among organizational staff, consultants, or other contractors. It should not exceed two pages.

d. Your Eligibility Discussion must not exceed two pages and cover how you meet the eligibility requirements for applicant, matching funds, other eligibility requirements and grant period.

e. Your Proposal Narrative must not exceed 40 pages and should describe the essential aspects of the project.

(i) You are only required to have one title page for the proposal.

(ii) If you list the evaluation criteria on the Table of Contents and specifically and individually addressed each criterion in narrative form, then it is not necessary for you to include an Information Sheet. Otherwise the Information Sheet is required under 7 CFR 4284.510(c)(ii).

(iii) You should include the following under Goals of the Project.

(A) A statement that substantiates that the Center will effectively serve rural areas in the United States;

(B) A statement that the primary objective of the Center will be to improve the economic condition of rural areas through cooperative development;

(C) A description of the contributions that the proposed activities are likely to make to the improvement of the economic conditions of the rural areas for which the Center will provide services. Expected economic impacts should be tied to tasks included in the work plan and budget; and

(D) A statement that the Center, in carrying out its activities, will seek, where appropriate, the advice, participation, expertise, and assistance of representatives of business, industry, educational institutions, the Federal government, and State and local governments.

(iv) The Agency has established annual performance evaluation measures to evaluate the RCDG program. You must provide estimates on the following performance evaluation measures.

- Number of groups who are not legal entities assisted.
- Number of businesses that are not cooperatives assisted.

- Number of cooperatives assisted.
- Number of businesses incorporated that are not cooperatives.
- Number of cooperatives incorporated.

• Total number of jobs created as a result of assistance.

• Total number of jobs saved as a result of assistance.

• Number of jobs created for the Center as a result of RCDG funding.

• Number of jobs saved for the Center as a result of RCDG funding.

It is permissible to have a zero in a performance element. When you calculate jobs created, estimates should be based upon actual jobs to be created by your organization as a result of the RCDG funding or actual jobs to be created by cooperative businesses or other businesses as a result of assistance from your organization. When you calculate jobs saved, estimates should be based only on actual jobs that have been lost if your organization did not receive RCDG funding or actual jobs that would have been lost without assistance from your organization.

(v) You can also suggest additional performance elements for example where job creation or jobs saved may not be a relevant indicator (e.g. housing). These additional criteria should be specific, measurable performance elements that could be included in an award document.

(vi) You must describe in the application how you will undertake to do each of the following. We would prefer if you described these undertakings within proposal evaluation criteria to reduce duplication in your application. The specific proposal evaluation criterion where you should address each undertaking is noted below.

(A) Take all practicable steps to develop continuing sources of financial support for the Center, particularly from sources in the private sectors (should be presented under proposal evaluation criterion number 10, utilizing the specific requirements of Section V.B.10);

under proposal evaluation criterion number 8, utilizing the specific requirements of Section V.B.8 of this Notice to reduce duplication in your application.

(viii) You should present the Delivery of Cooperative development assistance proposal element under proposal evaluation criterion number 2, utilizing the specific requirements of Section V.B.2 of this Notice.

(x) You should present the Local Support and Future Support proposal elements under proposal evaluation criterion number 10, utilizing the requirements of Section V.B.10 of this Notice.

(xi) Your application will not be considered for funding if you do not address all of the proposal evaluation criteria. See Section V.B. of this Notice for a description of the proposal evaluation criteria.

(xii) Only appendices A–C will be considered when evaluating your application. You must not include resumes of staff or consultants in the application.

f. You must certify that there are no current outstanding Federal judgments against your property and that you will not use grant funds to pay for any judgment obtained by the United States. To satisfy the Certification requirement, you should include this statement in your application: “[INSERT NAME OF APPLICANT] certifies that the United States has not obtained an unsatisfied judgment against its property and will not use grant funds to pay any judgments obtained by the United States.” A separate signature is not required.

g. You must certify that matching funds will be available at the same time grant funds are anticipated to be spent and that expenditures of matching funds are pro-rated or spent in advance of grant funding, such that for every dollar of the total project cost, not less than the required amount of matching funds will be expended. Please note that this Certification is a separate requirement from the Verification of Matching Funds requirement. To satisfy the Certification requirement, you should include this statement in your application: “[INSERT NAME OF APPLICANT] certifies that matching funds will be available at the same time grant funds are anticipated to be spent and that expenditures of matching funds shall be pro-rated or spent in advance of grant funding, such

that for every dollar of the total project cost, at least 25 cents (5 cents for 1994 Institutions) of matching funds will be expended." A separate signature is not required.

h. You must provide documentation in your application to verify all of your proposed matching funds. The documentation must be included in Appendix A of your application and will not count towards the 40-page limitation. Template letters are available for each type of matching funds contribution at http://www.rurdev.usda.gov/bcp_rcdg.html.

(i) If matching funds are to be provided in cash, you must meet the following requirements.

- You: The application must include a statement verifying (1) the amount of the cash and (2) the source of the cash. You may also provide a bank statement dated 30 days or less from the application deadline date to verify your cash match.

- Third-party: The application must include a signed letter from the third party verifying (1) how much cash will be donated and (2) that it will be available corresponding to the proposed grant period or donated on a specific date within the grant period.

(ii) If matching funds are to be provided by an in-kind donation, you must meet the following requirements.

- You: The application must include a signed letter from you or your authorized representative verifying (1) the nature of the goods and/or services to be donated and how they will be used, (2) when the goods and/or services will be donated (i.e., corresponding to the proposed grant period or to specific dates within the grant period), and (3) the value of the goods and/or services.

- Third-Party: The application must include a signed letter from the third party verifying (1) the nature of the goods and/or services to be donated and how they will be used, (2) when the goods and/or services will be donated (i.e., corresponding to the proposed grant period or to specific dates within the grant period), and (3) the value of the goods and/or services.

To ensure that you are identifying and verifying your matching funds appropriately, please note the following:

- If you are paying for goods and/or services as part of the matching funds requirement, the expenditure is considered a cash match, and you must verify it as such. Universities should verify the goods and services they are providing to the project as a cash match and the verification must be approved by the appropriate approval official (i.e.

sponsored programs office or equivalent).

- If you have already received cash from a third-party (i.e. Foundation) before the start of your proposed grant period, you must verify this as your own cash match and not as a third-party cash match. If you are receiving cash from a third-party during the grant period, then you must be verifying the cash as a third-party cash match.

- Board resolutions for a cash match must be approved at the time of application.

- You can only consider goods or services for which no expenditure is made as an in-kind contribution.

- If a non-profit or another organization contributes the services of affiliated volunteers, they must follow the third-party, in-kind donation verification requirement for each individual volunteer.

- Expected program income may not be used to fulfill your matching funds requirement at the time you submit your application. However, if you have a contract to provide services in place at the time you submit your application, you can verify the amount of the contract as a cash match.

- The valuation process you use for in-kind contributions does not need to be included in your application, but you must be able to demonstrate how the valuation was derived if you are awarded a grant. The grant award may be withdrawn or the amount of the grant reduced if you cannot demonstrate how the valuation was derived.

- Your negotiated indirect cost rate agreement does not need to be included in your application, but you will be required to provide it if a grant is awarded.

- Approval for indirect costs that are requested in an application without an approved indirect cost rate agreement is at the discretion of the Agency.

E. Intergovernmental Review of Applications

Executive Order (EO) 12372, "Intergovernmental Review of Federal Programs," applies to this program. This EO requires that Federal agencies provide opportunities for consultation on proposed assistance with State and local governments. Many States have established a Single Point of Contact (SPOC) to facilitate this consultation. For a list of States that maintain a SPOC, please see the White House Web site: http://www.whitehouse.gov/omb/grants_spoc. If your State has a SPOC, you may submit a copy of the application directly for review. Any comments obtained through the SPOC must be provided to your State Office for consideration as part of your application. If your State has not established a SPOC, or if you do not want to submit a copy of the application, our State Offices will submit your application to the SPOC or other appropriate agency or agencies.

F. Environmental Review

Applications for financial assistance are subject to an environmental review. However, if your application is for technical assistance or planning purposes, it is generally excluded from the environmental review process (See 7 CFR 1940.310(e)(1)). We will ensure that any required environmental review is completed prior to approval of an application or obligation of funds.

V. Application Review Information

A. Application and Scoring Process

The State Offices will review applications to determine if they are eligible for assistance based on requirements in 7 CFR part 4284, subparts A and F, this Notice, and other applicable Federal regulations. If determined eligible, your application will be scored by a panel of USDA employees in accordance with the point allocation specified in this Notice. A recommendation will be submitted to

the Administrator to fund applications in highest ranking order. Applications that cannot be fully funded may be offered partial funding at the Agency's discretion.

B. Scoring Criteria

Scoring criteria will follow criteria published at 7 CFR 4284.513 as supplemented below including any amendments made by the Food, Conservation, and Energy Act of 2008, which is incorporated by reference in this Notice. The regulatory and statutory criteria are clarified and supplemented below. You should also include information as described in Section IV.C.6 (a)–(c). Evaluators will base scores only on the information provided or cross-referenced by page number in each individual evaluation criterion. The maximum amount of points available is 100. Newly established or proposed Centers that do not yet have a track record on which to evaluate the following criteria should refer to the expertise and track records of staff or consultants expected to perform tasks related to the respective criteria. Proposed or newly established Centers must be organized well-enough at time of application to address its capabilities for meeting these criteria.

1. Administrative capabilities (maximum score of 10 points). A panel of USDA employees will evaluate your demonstrated track record in carrying out activities in support of development assistance to cooperatively and mutually owned businesses. At a minimum, you must discuss the following administrative capabilities:

- a. Financial systems and audit controls;

a. Discussion on local support should include previous and/or expected local support and plans for coordinating with other developmental organizations in the proposed service area or with state and local government institutions. If you demonstrate strong support from potential beneficiaries and formal evidence of intent to coordinate with other developmental organizations, you will score higher on this factor.
