When dusted in accordance with the definition of dusting above, the battered shrimp product is also coated with a wet viscous layer containing egg and/or milk, and par-fried.

The products included in the scope of this investigation are currently classified under the following HTSUS subheadings: 0306.17.00.03, 0306.17.00.06, 0306.17.00.09, 0306.17.00.12, 0306.17.00.15, 0306.17.00.18, 0306.17.00.21, 0306.17.00.24, 0306.17.00.27, 0306.17.00.40, 1605.21.10.30 and 1605.29.10.10. Preliminary Decision Memorandum,

The Preliminary Decision Memorandum is a public document and is on file electronically via Import Administration’s Antidumping and Countervailing Duty Centralized Electronic Service System (IA ACCESS). IA ACCESS is available to registered users at http://iaaccess.trade.gov, and is available to all parties in the Central Records Unit, room 7046 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the Internet at http://www.trade.gov/ia.

The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

In accordance with section 703(d)(1)(A)(i) of the Act, we calculated a countervailing duty rate for each individually investigated producer/exporter of the subject merchandise. We have also calculated an all-others rate. Sections 703(d) and 705(c)(5)(A) of the Act state that for companies not investigated, we will determine an all-others rate by weighting the individual company subsidy rate of each of the companies investigated by each company’s exports of subject merchandise to the United States. However, the all-others rate may not include zero and de minimis rates or any rates based solely on the facts available. In this investigation, the only rate that is not de minimis or based entirely on facts available is the rate calculated for Thai Union Frozen Products Public Co., Ltd./Thai Union Seafood Co., Ltd. (TUF/TUS).

Consequently, the rate calculated for TUF/TUS is also assigned as the “all others” rate.

Preliminary Determination and Suspension of Liquidation

We preliminarily determine the countervailable subsidy rates to be:
