Application. If so contacted, the
Applicant must respond within the
time specified by NCUA or NCUA, in its sole
discretion, may decline the application
without further consideration.

3. Evaluation and Scoring: The
evaluation criteria for each initiative
will be more fully described in the grant
guidelines.

4. Input from Examiners: NCUA will
not approve an award to a credit union
for which it’s NCUA regional examining
office or State Supervisory Agency
(SSA), if applicable, indicates it has
safety and soundness concerns. If the
NCUA regional office or SSA identifies
a safety and soundness concern, OSCUI,
in conjunction with the regional office
or SSA, will assess whether the
condition of the Applicant is adequate
to undertake the activities for which
funding is requested, and the
obligations of the loan and its
conditions. NCUA, in its sole discretion,
may defer decision on funding an
Application until the credit union’s
safety and soundness conditions
improve.

V. Award Process

A. Award Selection: In general, NCUA
will make its award selections based on
a consistent scoring system where each
applicant will receive an individual
score. NCUA will consider the impact of
the funding. When grant demand is high
applications may be ranked based on
the aforementioned in addition to
factors listed in the grant guidelines.

B. Notice of Award: NCUA will notify
each Applicant of its funding decision.
Notification will generally be by email.
Applicants that are approved for
funding will also receive instructions on
how to proceed with the reimbursement
request for disbursement of funds.

VI. Post-Award Requirements

A. Reporting Requirements: Each
awarded credit union must submit a
reimbursement request in order to
receive the awarded funds. The
reimbursement requirements are
specific to each initiative. In general, the
reimbursement request will require an
explanation of the impact of funding
and any success or failure to meet
objectives for use of proceeds, outcome,
or impact. NCUA, in its sole discretion,
may modify these requirements.

VII. Agency Contacts

A. Methods of Contact: For further
information, contact NCUA by email at
OSCUIA@ncua.gov.

B. Information Technology Support:
People who have visual or mobility
impairments that prevent them from
using NCUA’s Web site should call
(703) 518–6610 for guidance (this is not
a toll free number).
