RIN 1513–AB37

Importer Permit Requirements for Tobacco Products and Processed Tobacco, and Other Requirements for Tobacco Products, Processed Tobacco and Cigarette Papers and Tubes

AGENCY: Alcohol and Tobacco Tax and Trade Bureau, Treasury.

ACTION: Notice of Proposed Rulemaking.

SUMMARY: Elsewhere in this issue of the Federal Register, by means of a temporary rule, the Alcohol and Tobacco Tax and Trade Bureau (TTB) is amending its regulations pertaining to permits for importers of tobacco products and processed tobacco by extending the duration of new permits from three years to five years. Based on its experience in the administration and enforcement of importer permits over the past decade, TTB believes that it can gain administrative efficiencies and reduce the burden on industry members, while still meeting the purposes of the limited-duration permit, by extending the permit duration to five years. That temporary rule also makes several technical corrections by amending the definition of “Manufacturer of tobacco products” to reflect a recent statutory change, and by extending the duration of new permits from three years to five years. SUPPLEMENTARY INFORMATION:

Background

In the Rules and Regulations section of this issue of the Federal Register, the Alcohol and Tobacco Tax and Trade Bureau (TTB) is amending regulations pertaining to permits for importers of tobacco products and processed tobacco by extending the duration of new permits from three years to five years. TTB is also issuing a temporary rule reissuing and updating regulatory amendments to implement certain provisions of the Balanced Budget Act of 1997 (BBA) (Pub. L. 105–33, 111 Stat. 672). The temporary rule updates and reissues TTB regulations pertaining to importer permit requirements for tobacco products, and minimum manufacturing and marking requirements for tobacco products and cigarette papers and tubes. The regulations contained in the temporary rule and proposed in this document replace temporary regulations issued under T.D. ATF–421 and T.D. ATF–422, which were originally published in 1999 by the former Bureau of Alcohol, Tobacco and Firearms (ATF). Finally, the temporary rule makes several technical corrections by amending the definition of “Manufacturer of tobacco products” to reflect a recent statutory change, and by extending the duration of new permits from three years to five years.
